The designation "battalion" applies in like manner to squadron of cavalry and air service. Sec. 6. Census taker shall enumerate persons subject to military duty.—Whenever a state census is taken, each enumerator, in addition to his other duties, shall designate upon his return all persons enumerated by him who are subject to military duty under this chapter. As soon as the returns are complete, the superintendent of the census shall make and certify to the adjutant general lists of the names, alphabetically arranged and consecutively numbered, of all persons so designated in each town, village and city, arranged by counties, and showing the age, occupation and address of each person. And he shall accompany such lists with a table showing the number of enumerated militiamen in each town, village, city and county. The adjutant general shall prescribe blanks therefor.

Sec. 7. Assessors to make lists when required.—Whenever the governor shall so direct by his proclamation issued in an even numbered year, and at least thirty days before the day the assessment books are required by law to be delivered to the assessors, all such assessors shall make upon blanks prescribed by the adjutant general, duplicate lists of the names, alphabetically arranged and consecutively numbered, of all militiamen living in their respective districts, with the age, occupation, and postoffice address of each. One of said lists shall be filed with the county auditor, and one with the clerk of the town, village, or city in which the assessor resides; and no compensation shall be allowed for any services of an assessor until he has filed with such clerk an affidavit showing full compliance on his part with the foregoing requirements.

Sec. 8. Auditor to transmit list to adjutant general.—Each auditor shall add to the list so filed with him the names of all militiamen omitted, and erase the names of those shown to be improperly enrolled, giving notice of such changes to the proper clerks. On or before October 1st in such year, he shall transmit to the adjutant general a certified copy of the rolls so filed and corrected. In addition thereto, or in lieu thereof, the adjutant general may require of the auditor a statement showing the number so enrolled in each town, village, and city of his county.

Sec. 10. Governor may call out militia.—The governor, whenever he shall deem it necessary to call out the enrolled militia for military duty, may require the mayors of the several municipalities and the chairmen of the several town boards to appoint a time and place for the assembling of such militia; and they shall forthwith give notice, by public proclamation, or by written or oral notice to each person, of such assemblage. At the appointed time and place they shall accept volunteers to the number designated by the governor's order, supplying any deficiency by draft. The names of the militiamen so accepted or drafted shall be forwarded to the governor forthwith. The governor may prescribe and enforce uniform rules for the conduct of drafts, appoint all officers necessary therefor, and fix the amount of their pay, not exceeding the rate of pay prescribed for the national guard or volunteers in the federal service.

Sec. 11. May be mustered into service for three years.—The men whose names are so forwarded shall be mustered at once into the service of the state for such period as the governor shall direct, not exceeding three years. They shall be organized as prescribed for existing organizations of the national guard. Such new organizations shall be officered, equipped, trained, and commanded according to the laws governing the national guard.

Sec. 12. Sec. 13. Governor to be commander-in-chief.—The governor shall be commander-in-chief of the military forces, except so much thereof as may be in the actual service of the United States, and may employ the same for the defense or relief of the state, the enforcement of its law, and the protection of life and property therein. He shall make and publish regulations, not inconsistent with law, for the government of the military forces, and enforce all the provisions of this chapter. The number of officers and enlisted men of the National Guard shall be fixed from time to time and organized so as to meet the minimum requirements of the federal laws.

Sec. 16. Organization.—The organization of the National Guard, including the composition of all units thereof, shall be such as is or may hereafter be prescribed for this state by Federal law.

Sec. 19. Officers and enlisted men.—The number and grades of officers and enlisted men in the staff corps and departments shall be as prescribed by federal law, but in case of war, invasion, insurrection, riot or imminent danger of either, the governor may temporarily increase such force to meet such emergency. All officers of Staff Corps and Departments appointed shall have had previous military experience and shall hold their positions until they shall have reached the age of sixty-four years, unless retired prior to that time by reason of resignation, disability, or for cause to be determined by a court martial legally convened for that purpose, and vacancies among said officers shall be filled by appointment from the officers of the National Guard.

Sec. 20. Officers and staff corps to be appointed by military board.—The officers of the staff corps and departments shall be selected and appointed by the military board, and commissioned by the governor. The enlisted men shall be recruited and warranted by their respective chiefs.

Sec. 21. Regimental commanders, temporarily acting as brigade commanders shall represent both their regiment and brigade on the Board. The Board shall from time to time when matters pertaining to their branch of the service are under consideration, authorize the senior officer of smaller separate organizations

to sit with the Board. Such officers shall have a voice in the deliberations of the Board but no vote. The Senior Officer shall preside and the Adjutant General shall cause a record to be kept of the proceedings and preserve the same in his office. The Board shall meet quarterly at such stated time and place as they may fix, and at such other times and places as they may be convened by the Adjutant General or the Senior member. Meetings of the Board shall also be called by the Adjutant General at the written request of three members of the Board. The Board shall consider the status and needs of the National Guard and such other matters as may be referred to them, and make suitable recommendations thereon through the adjutant general to the governor. They shall perform such other duties as are expressly assigned to them by law. A majority of said board shall constitute a quorum for the transaction of business. The members and officers authorized to sit with the Board shall receive no compensation or allowance for expenses beyond transportation and pay for one day's attendance at each stated session of the board, or when convened by the adjutant general.

Sec. 22. **Qualifications of officers.**—Officers of the national guard shall not be commissioned as such unless they shall have been selected from the classes of persons having the qualifications prescribed by federal law and shall have taken and subscribed to the oath of office prescribed by congress.

Sec. 23. **Line officers to be selected by commanders.**—Line officers in the regiments and lesser separate organizations shall be selected and appointed by the commanders thereof respectively. Field officers and general officers shall be selected and appointed by the military board.

Sec. 24. **Examinations.**—Any person hereafter appointed and commissioned an officer of the national guard shall successfully pass such tests as to his physical, moral and professional fitness as shall be prescribed by federal law. The examination to determine such qualifications for commissions shall be as prescribed by federal law. Officers shall be commissioned by the governor, and the commission shall designate the arm, staff corps or department, and, in the case of line officers, the regiment in which they are appointed. Officers will be assigned or reassigned to duty in the various regiments or lesser separate organization by the immediate commander thereof.

Sec. 25. **Commissions may be vacated.**—At any time the moral character, capacity, and general fitness for the service of any national guard officer may be determined by an efficiency board as provided by federal law. Commissions of officers of the national guard may be vacated, upon resignation, absence without leave for three months, upon the recommendation of an efficiency board, or pursuant to sentence of a court-martial. Officers of said guard rendered surplus by the disbandment of their organizations shall be

disposed of as provided by federal law. Officers may, upon their own application, be placed in the reserve as may be authorized by federal law.

Sec. 26. Officers may resign.—Commissioned officers may resign in such manner and under such circumstances as may be prescribed by federal regulations.

Sec. 27. Discharges for enlisted men.—An enlisted man discharged from service in the national guard shall receive a discharge in writing in such form and with such classification as is or shall be prescribed by federal law and in time of peace discharges may be given prior to the expiration of terms of enlistment under such regulations as the federal authorities may prescribe.

Sec. 28. Dishonorable discharges.—A dishonorable discharge from service in the national guard shall operate as a complete expulsion from the guard, a forfeiture of all exemptions and privileges acquired through membership therein and disqualification for any military office under the state. The names of all persons dishonorably discharged shall be published in orders by the adjutant general quarterly and a complete list thereof shall be kept posted in all the armories. No person so discharged shall be admitted to any armory or other meeting place of the guard or to the immediate vicinity of any encampment, drill or parade of troops. All commanding officers are hereby required to enforce these prohibitions.

Sec. 29. Retirement of commissioned officers.—Commissions of National Guard officers shall be vacated as provided by federal law. Any commissioned officer of the national guard who resigns or is retired and who has served or shall have served as such officer for a period of not less than ten years and any commissioned officer of the national guard who has been honorably discharged from the army of the United States after serving therein for a period of ninety days or more during any war and who shall have served as such officer of the national guard for a period of not less than five years and any commissioned officer of the national guard who has become, or who shall hereafter become disabled and thereby incapable of performing the duties of his office, may, upon his retirement upon his own request in writing, stating the grounds therefor and by order of the commander-in-chief, have his name placed on a roll in the office of the adjutant general to be known as the "roll of retired officers," and shall thereby be entitled to wear when not in conflict with federal law on state or other occasions of ceremony, the uniform of the rank last held by him. The commander-in-chief may, by general order, provide a suitable mark of distinction for all officers and enlisted men who have served in the national guard for an aggregate period of ten, fifteen and twenty years, respectively and for like service hereafter.

Sec. 30. Members of guard exempt from jury duty.—Owing to liability to call for military duty during his term of service

every officer and enlisted man of the national guard shall be exempt from duty as juror and if honorably discharged after five years of service he shall be forever exempt. No member of the guard shall be arrested, or served with any summons, order, warrant or other civil process after having been ordered to any duty or while going to, attending or returning from any place to which he is required to go for military duty; but nothing herein shall prevent his arrest by order of a military officer or for a felony or breach of the peace committed while not in the actual performance of his duty. And the articles of equipment personally owned by such members shall be exempt from seizure or sale for debt.

Sec. 31. State and municipal officers and employes not to lose pay while engaged in drill.—All officers and employes of the state or subdivision or municipality thereof who shall be members of the national guard shall be entitled to leave of absence from their respective duties without loss of pay, status, or efficiency rating, on all days during which they shall be engaged in drills or parades during business hours ordered by proper authority or for field or coast-defense training or active service ordered or authorized under the provisions of state law.

Sec. 32. Officers and men not liable for acts performed under orders.—The commanding officer of any of the military forces engaged in the suppression of an insurrection, the dispersion of a mob or the enforcement of the laws shall exercise his discretion as to the propriety of firing upon or otherwise attacking any mob or other unlawful assembly; and, if he exercises his honest judgment thereon, he shall not be liable in either a civil or a criminal action for any act done while on such duty. But no officer, under any pretense or in compliance with any order, shall direct or permit his men, or any of them, to fire blank cartridges upon any mob or unlawful assemblage, under penalty of dishonorable dismissal from the service. No officer or enlisted man shall be held liable in either a civil or a criminal action, for any act done under lawful orders and in the performance of his duty.

Sec. 33. Governor to appoint counsel.—If a suit or proceeding shall be commenced in any court by any person against any officer of the military forces for any act done by such officer in his official capacity in the discharge of any duty under this chapter, or against any soldier acting under the authority or order of any such officer, or by virtue of any warrant, issued by him pursuant to law, it shall be the duty of the governor, upon the recommendation of the attorney-general, to appoint counsel to defend such person. The costs and expenses of any such defense shall be paid out of the appropriation for the maintenance of the National Guard.

Sec. 34. Security for costs.—Any person bringing an action or proceeding against a military officer of the state for any act done in the course of his official duty, or against any person acting under

the order or authority of such officer, shall give security for the costs, disbursements and reasonable attorney's fees incurred by the state or defendant in defending the same, in the same manner and subject to the same regulations, so far as applicable, as in the case of a non-resident plaintiff. And if the plaintiff fails to recover, such attorney's fees may be taxed with the costs and disbursements and judgment therefor be entered against him and his sureties on the bond.

Sec. 35. Not to be discriminated against.— No person shall discriminate against any officer or enlisted man of the military forces of the state because of his membership therein. No person shall prohibit or refuse entrance to any officer or enlisted man of the army or navy of the United States, or of the military forces of this state, into any public entertainment or place of amusement because such officer or enlisted man is wearing the uniform of the organization to which he belongs. No employer or officer or agent of any corporation, company, or firm or other person shall discharge any person from employment because of being an officer or enlisted man of the military forces of the state, or hinder or prevent him from performing any military service he may be called upon to perform by proper authority, or dissuade any person from enlistment in the said national guard by threat or injury to him, in case he shall so enlist, in respect to his employment, trade, or business. Any person violating any of the provisions of this act shall be deemed guilty of a gross misdemeanor.

Sec. 36. Disabled members to receive relief.— If any officer or enlisted man of the national guard is wounded, or otherwise disabled, while doing duty as a member of the military forces, he shall receive from the commonwealth just and reasonable relief, in amount to be determined by the military board and approved by the governor. All such payments under this or the next following section shall be made from the appropriation for the maintenance of the national guard.

Sec. 37. Compensation.— (1) Compensation, payable quarterly, may be paid to either the dependent widow, minor children, or parent of any member of the military forces who may die from disease contracted or injuries received, or who may be killed while in active service, under orders of the governor.

(2) All claims for compensation under this section shall be acted on by the military board. In all cases arising under this section, the amount allowed and the duration of the payment shall be that provided by the Workmen's Compensation Law as now or hereafter in force based on the guardsman's earnings in civil life.

(3) The state military board shall have power to revoke any compensation granted under this section when it shall appear to the satisfaction of said board that the person receiving the same is no longer dependent.

(4) The provisions of this section shall not apply to any member of the national guard while in the service of the United States in case of war nor when called into the service under the orders of the President of the United States.

Sec. 38. Service in U. S. army shall be considered service in guard.—Service by any person in the United States volunteers, or in the United States army or navy, in the time of war, insurrection, or rebellion, shall be considered as continuous service in the national guard for any and all purposes regarding privileges and exemptions provided by law for members of the national guard by enlistment or commission; Provided, that continuous service for an officer shall include only the time he was commissioned as such.

Sec. 39. Company to be corporate body.—(1) Each company, when such organization is federally recognized, shall, without any further proceeding other than the filing with the secretary of state of a certificate by the adjutant general to that effect constitute a corporate body to be known by the name by which such company is officially designated under the military laws and regulations of the state, and shall possess all the powers necessary and convenient to accomplish the objects and perform the duties prescribed by law.

(2) The members of such military company in good standing and no others shall constitute the members of such corporation, and shall elect three trustees who together with the commanding officer shall manage and administer the civil business of such corporation. The commanding officer shall be ex officio president, and the trustees shall elect one of their number vice president, one treasurer, and one secretary.

(3) Each such company may take by purchase, devise, gift, or otherwise and hold, so long as such company is an existing company and a part of the national guard, any property, real or personal. All such property shall be in the custody and control of the trustees hereinbefore provided for.

(4) Such companies may sell, exchange or otherwise dispose of property so acquired, with the written approval of the regimental commander.

(5) Whenever any such company shall be disbanded by proper authority such corporation shall cease to exist, and all property belonging to it shall become the property of the state of Minnesota, and shall be devoted to such military uses as the military board shall determine.

(6) Nothing in this section shall limit the authority vested in the officers of the company by state or federal law.

Sec. 40. Affairs to be administered according to U. S. army rules.—The military affairs of the company shall be administered as provided for in army or national guard regulations, subject to such exceptions as may be made by this act or regulations made by the governor not inconsistent with federal law.

Sec. 41. Corporations to continue.—All corporations heretofore formed under the military code, shall continue as such, but their organization, powers, duties, and by-laws shall be conformed to the provisions of this act.

Sec. 42. Shall be armed and uniformed.—The national guard of the United States shall be uniformed, armed and equipped as provided by federal law. Such uniforms, arms and equipment shall be procured and issued by the proper officers as the needs of the service may require and shall be accounted for as the regulations may prescribe.

Sec. 43. Supplies—How issued.—Arms, accoutrements, ammunition and stores shall be issued to the proper officers of each organization, upon requisition as prescribed by federal law. The governor may require of the accountable officers, such bonds as he deems necessary, not to exceed \$5,000, for securing the care and safety of property so issued and shall allow them sufficient money to insure such property against fire when so required by the federal government. He may also allow them sufficient money to establish and maintain regimental depots, approved by him and to pay for the transportation, handling and care of such property which allowance shall be paid out of the moneys appropriated for the purchase of supplies for the guard. The adjutant general, with the approval of the governor, shall obtain and pay for, out of the annual military appropriation, an adequate indemnity bond covering all of the officers of the national guard responsible for moneys and military property.

Sec. 44. Officers to distribute.—The commanding officer of a company receiving clothing or equipment for the use of his command shall distribute the same to the members of his command, taking receipts and requiring the return of each article at such time and place as he shall direct. Every person failing to return articles of military property issued to him, the responsibility for which he has not been relieved by proper military authority, shall forfeit not to exceed double the price of the article withheld, which forfeiture the commanding officer may withhold from pay due from the state or may recover in a civil action. All sums so collected shall be paid into the "military fund" of each company and used for replacement of military property charged to the organization.

Sec. 45. Arms and accoutrements may be issued to other military organizations.—The adjutant general, in his discretion, may issue to any camp of the military organization known as the "Sons of Veterans U. S. A.," and other organizations composed of veterans of any war, arms and accoutrements owned by the state and not in use. Some member of the organization shall give bond to the state in the sum of at least twenty dollars for each rifle, conditioned for the return in good order, on demand, of all property so issued. No such issue shall be made, except on requisition of the commanding officer of such organization. Any member of such

organization who shall wilfully destroy or injure military property so issued or shall withhold the same for more than five days after its return has been requested, shall be guilty of a misdemeanor.

Sec. 46. **Adjutant general to be chief of staff.**—The adjutant general shall be the chief of staff to the commander-in-chief and the administrative head of the military department. He shall have an office in the capitol and keep it open during the usual business hours. He shall have the custody of all military records, correspondence, and other military documents. He shall be the medium or military correspondence with the governor and perform all other duties pertaining to his office prescribed by law. He shall make an annual report to the governor, at such time as the governor may require, of all the transactions of his department, setting forth the number, strength and condition of the national guard, and such other matters as he may deem important. He shall make and transmit to the federal government the returns required by the laws of the United States and submit to the governor a duly certified copy thereof. He shall, whenever necessary, cause the military code, orders and regulations of the state to be printed and distributed to the commissioned officers and the several organizations of the national guard. He shall cause to be prepared and issued all necessary books, blanks and notices required to carry into full effect the provisions of this title. All such books and blanks shall be and remain the property of the state. The seal now used in the office of the adjutant general shall be the seal of his office, and shall be delivered by him to his successor. All orders issued from his office shall be authenticated with his seal. The adjutant general shall attest all commissions issued to military officers. He will superintend the preparation of all returns and reports required by the United States from the state on military matters. In the absence or inability to perform his duties as adjutant general, the next senior officer in the adjutant general's department, or in his absence the senior officer of the national guard, shall perform the duties prescribed for the adjutant general. And in addition to all other duties imposed upon the adjutant general by law or by the lawful directions of the governor, he shall act as the agent of all residents of the state having claims against the United States for pensions, bounty, or back pay, arising out of or by reason of any war or federal service and prosecute such claims without charge.

Sec. 47. **To keep records.**—The adjutant general shall keep compiled, from the original muster rolls in his office, and such additional sources as he can command, a complete alphabetical list of the Minnesota volunteers in the Civil War and shall compile and maintain individual records of every Minnesota resident who served or participated in the Civil War, Spanish-American War, Philippine War, Mexican Border service, Indian Wars, and the World War, and shall include therein the military history of each man, as

may be obtainable. For the purpose of collecting the data herein provided for, the adjutant general may expend not to exceed five thousand dollars (\$5,000) from the appropriation for the maintenance of the National Guard for the fiscal years 1919-1920 and 1920-1921, provided that none of this money shall be used for salaries. Thereafter, the records shall be placed in suitable metal boxes for safe-keeping, and the compilation so made shall be used in their place for all practical purposes.

Sec. 48. Governor to appoint disbursing officers.—The governor, pursuant to federal authority, shall appoint, designate, or detail subject to the approval of the secretary of war, the adjutant general, or an officer of the national guard who shall be regarded as property and disbursing officer for the United States. He shall receipt and account for all funds and property belonging to the United States in possession of the national guard of this state and shall make such returns and reports concerning the same as may be required by the secretary of war. He shall render, through the war department, such accounts of federal funds intrusted to him for disbursement as may be required by the treasury department. Before entering upon the performance of his duties as property and disbursing officer he shall be required to give good and sufficient bond to the United States, the amount thereof to be determined by the secretary of war, for the faithful performance of his duties and for the safe-keeping and proper disposition of the federal property and funds intrusted to his care. The said property and disbursing officer may also be the quartermaster of the state.

Sec. 49. Senior officer of quartermaster corps to have charge of property.—The senior officer of the Quartermaster Corps shall be the quartermaster and property officer of the state and shall have charge of and be accountable for, under the adjutant general, all the state military property and shall make such property returns and reports on the same as the governor may direct. He shall be accountable for all state financial military disbursements. He shall be under bond to the state to such amount as the governor may deem necessary.

Sec. 50. Officers to leave powers and duties of U. S. officers.—In addition to the powers and duties prescribed in this chapter, all officers of the guard shall have the same powers and perform the same duties as officers of similar rank and position in the army of the United States in so far as may be authorized by federal law. They are authorized to administer oaths in all matters connected with the service.

Sec. 51. Discipline.—The discipline (which includes training) of the national guard shall conform to the system which is now or may hereafter be prescribed by the congress of the United States.

Sec. 52. Drills.—Each organization shall assemble for drill

and instruction, including indoor target practice and participate in encampments, maneuvers and other exercises, including outdoor target practice at such times and places and for such periods as may be prescribed by the governor in accordance with the requirements of the federal law.

Sec. 53. Military camps.—The governor may establish special camps for advanced instructions in rifle and gun practice to be attended by officers and men who have attained a prescribed standard of marksmanship and who are selected for the purpose under suitable rules. From the participants who develop unusual proficiency therein, rifle and gun teams may be formed, which, with the approval of the adjutant general, may compete with like teams in national interstate or state competitions under rules approved by him. The pay and allowance of officers while attending such practice or competition shall be at the rate prescribed for actual service. In order to make it possible for enlisted men of the national guard to attend interstate and national rifle competitions, the state military board may pay to such enlisted men detailed as members of any such team the same pay as is allowed for second lieutenants of the national guard for duty at encampments. But no more than five thousand dollars shall be expended in any one year for all the purposes of this section.

Sec. 54. Guard may be ordered to camp each year.—The commander-in-chief may order the national guard into camp each year for such period as he may direct. He may, in his discretion, order such organizations as he may deem proper, to parade for purposes of drill, review, or escort duty and prescribe all regulations and requirements therefor. The commander-in-chief shall also provide for the participation of the national guard, or any portion thereof, in encampments or field maneuvers at such places as may be designated by the war department pursuant to any act of congress; and in such case the officers and the enlisted men attending the same shall receive, in addition to the pay and subsistence provided by the federal laws and regulations, the difference between such federal pay and state pay as provided by the military code for active service.

Sec. 55. Private property may be acquired by condemnation, upon the application of the adjutant general, for camp ground, rifle range and other military purposes. Pay of enlisted men for active duty.—When called into active service by the governor, each enlisted man of the national guard shall be paid by the state the sum of fifty cents per day in addition to the pay and allowance provided by this act for encampments and maneuvers, together with subsistence. In all such cases the pay rolls and expense bills shall be audited by the state auditor, attorney general and adjutant general, and paid upon their certifi-

All such payments shall be paid to the immediate commander of each headquarters or company on his requisition, approved by the adjutant general. Such money shall be known as the military fund and shall be used only for the necessary military expenses of the organization. Any balance shall be paid over by the

officer receiving it to his successor. Receipts and disbursements of the military fund shall be kept as prescribed by the commander-in-chief in orders or regulations and shall be audited annually by the public examiner.

Provided, that such payment shall be made only to the men present in full uniform and on duty at least one-third of the period of the camp or maneuver.

Sec. 63. Camp pay of non-commissioned officers.—There shall be paid to each company clerk, and to the noncommissioned officer in each company, who is directly responsible for the care and custody of the quartermaster's and ordnance property issued to each organization, and the chief mechanic of each battery of artillery, the sum of ten dollars per month upon the certificate of his commanding officer that he has faithfully performed the duties of his office and accounted for all property entrusted to his care. Such payments shall be made quarterly upon vouchers approved by the adjutant general. Provided, however, that where two or more organizations are stationed in the same city and the regimental commander deems it for the best interest of the service, two or more allotments for the pay under this section may be combined and paid to one or more men, designated by the regimental commander, whose duties in the care of public property shall be correspondingly increased.

Sec. 64. Horse hire and expense.—The payment of hire of horses, including forage and care, for such officers and enlisted men as are required to be mounted, and for such horses or mules as may be required for artillery, machine-gun companies, wagon transportation, and other authorized purposes, when in active service, including camps of instruction, and for practice marches, parades, maneuvers, and other exercises when ordered by the governor as commander-in-chief, shall be paid by the adjutant general out of the funds appropriated for the maintenance of the national guard.

Sec. 67. Certain acts to be felonies.—Any officer or soldier who shall refuse to account for and to surrender up any moneys or any uniforms or equipment or other military property for which he is responsible or accountable, or who shall appropriate the same to his own use, or who shall knowingly make a false pay roll or sign a false certificate which is the basis for the payment of moneys under this act, or who shall aid or abet another in any of said acts, shall be guilty of a felony and punished as the criminal laws of the state may direct.

Sec. 68. Appropriations not to lapse.—The appropriations made for the purpose of carrying out the provisions of this act shall not lapse at the end of any fiscal year; but all unexpended balances shall be added to the appropriation made for the ensuing year. All disbursements from such appropriation shall be made upon auditor's warrants issued upon vouchers approved by the adjutant general.

Sec. 69. Courtmartial.—Courtmartial in the national guard shall be prescribed by federal law.

Sec. 71. Articles of war to govern when.—Whenever any portion of the national guard shall be on “active service” as defined by section 3 of this act, the articles of war governing the army of the United States, as now or hereafter in effect, shall be in force and regarded as a part of this act, so far as said force is concerned, until said forces shall be relieved from said duty; except that confinement in the penitentiary shall be in the penitentiary of this state, and provided that offenses committed while on active duty may be tried and punished by a court-martial lawfully appointed, after this active duty has terminated, and if found guilty the accused shall be punished according to articles of war and the rules and regulations governing the United States army, but within the limits prescribed by federal law for courts-martial in the national guard; and provided, also, that in any case when the offense charged is also made an offense by the civil law of this state, the officer whose duty it is to approve the charge may, in his discretion, order the person charged to be turned over to the civil authorities for trial; provided, further, that if such offense is committed upon a military reservation of the United States within this state, the accused may be turned over for trial to the civil authorities of the county or city in which the accused is a legal resident, unless other wise provided by federal law.

Sec. 72. Military offenses, how punished.—At such times as organizations, officers and men of the national guard shall be “on duty” as referred in section 3 of this act, or when ordered on duty as therein defined, the provisions of this act relating to “military offenses” shall be in force, and all such offenses shall be tried and punished by court-martial as provided by law for “national guard not in the service of the United States,” as defined by section 3 of this act, provided that “charges and specifications” shall be laid in the form prescribed for the United States army, except that the charges shall be brought under the appropriate section and clause of this act with reference as well to the corresponding article of war, as herein indicated; but nothing in the above shall be construed as enlarging the punishments authorized for “national guard not in the service of the United States;” provided, that men committing offenses against the laws of the state while “on duty,” or while within the armories within the state, shall be promptly arrested by the military authorities, and turned over to the civil authorities of the county or city in which the offense was committed.

Sec. 76. **Disposing of property.**—Every person, whether a member of the military forces or not, who shall wilfully sell or dispose of or buy or receive any arms, equipment or accoutrements issued by the United States or the state for the use of the military forces, or refuse to deliver or pay for the same upon lawful demand, shall be guilty of a misdemeanor.

Sec. 77. **To be turned over to superior officer.**—Whenever any felony is committed by any officer or soldier of the military forces while on duty, he shall be turned over by his superior officers to the proper civil authorities of the county or municipality in which the offense occurred for punishment for such

crime, but such trial and punishment by the civil authorities shall not preclude trial and additional punishment or dismissal from the service by court-martial for any military offense resulting from the commission of said crime.

Sec. 78. To be furnished transportation.—Members of general and special courts-martial and courts of inquiry shall be allowed transportation in kind, and per diem pay as per military grade for time actually employed in the duties assigned them. The per diem pay of military and civilian witnesses shall be the same as in civil courts of law, and shall be paid by the adjutant general out of the appropriation for the maintenance of the national guard.

Sec. 79. Powers of court-martial.—All court-martial of the national guard including summary courts, shall have power to sentence to confinement in lieu of fines authorized to be imposed: Provided, that such sentence of confinement shall not exceed one day for each dollar of fine authorized.

Sec. 80. Sec. 81. Sentences to be approved by governor.—No sentence of dismissal from the service or dishonorable discharge, imposed by a national guard court-martial, shall be executed until approved by the governor.

Regimental commanders may, by an order, compel such payment when the company fails or neglects to do so within a reasonable time.

Sec. 83. Powers of presidents of courts-martial.—Presidents of courts-martial and summary court officers shall have power to issue warrants to arrest accused persons and to bring them before the court for trial whenever such persons shall have disobeyed an order in writing from the convening authority to appear before such court, a copy of the charge or charges hav-

Sec. 84. No action shall be maintained.—No action or proceeding shall be maintained against any officer by whom a military court is ordered or against any member of a military court, officer or agent acting under its authority or reviewing its proceedings, on account of the imposition of a fine or penalty or for the execution of a sentence on any person.

Sec. 85. Charges—How preferred.—Charges shall be preferred in writing by a commissioned officer, and shall contain the name of the offense charged, and a reference to the particular section of the military code and corresponding articles of war claimed to have been violated.

Sec. 86. Officers and men may be arrested when.—When on active service, officers and men who have committed offenses in violation of the articles of war may be immediately placed in arrest, and, if enlisted men, in confinement, at the discretion of their commanding officer; provided, however, that at the time of such arrest a general statement of the charges to be preferred shall be made, and that charges and specifications as provided by law shall be filed within thirty-six hours of the arrest or confinement, otherwise the arrest or confinement shall cease.

For offenses committed by officers and enlisted men while on duty, or when ordered to duty, they may not be placed in arrest or confinement prior to trial, unless the offense is one involving a serious lapse of military discipline, or a violation of the criminal laws of the state, and in the judgment of the officer preferring the charge the arrest before trial is necessary to preserve discipline or to secure the presence of the prisoner for trial.

Sec. 87. Accused shall be summoned.—Upon approval of the charges and specifications, a copy thereof, together with a summons signed by the presiding officer of the court or the commanding officer of the accused, and requiring said accused to appear before said court at the time and place therein designated, and answer the charges thereto annexed, shall be served upon him, by delivering to him, or leaving at his last known place of abode or business, a true copy thereof, or by mailing the same to him at least five days before the date set for his

appearance. The appearance of the accused shall waive any irregularity in the service of such papers.

Sec. 88. Default in appearance.—Upon proof of service of such summons or of mailing the same, and default of the appearance of such accused at the time and place designated for trial, the president or officer of the court shall issue his warrant for the arrest of the delinquent, directed to the sheriff or any constable of the county, who shall forthwith execute said warrant and make proper return thereof, and produce to the said court the body of the accused, if within said county, and retain the custody thereof until the conclusion of the trial, unless sooner discharged by the order of the court. The court, in its discretion, may also appoint some other suitable person to execute said warrant.

Sec. 89. Disturbing court.—Any person who shall be guilty of disorderly, contemptuous or insolent behavior, or use any insulting or contemptuous or indecorous language or expressions to or before any military court, or any member of any of such courts in open court, intending to interrupt the proceedings or to impair the authority of such court, may be committed to the jail of the county in which said court shall sit, by warrant under the hand of the president of such court. The warrant shall be directed to the sheriff, or any constable or marshal of any such county, or any marshal of the court, and shall briefly state the offense adjudged to have been committed, and shall command the officer to whom it is directed to take the body of such person and commit him to the jail of the county, there to remain without bail in close confinement for a time to be limited, not exceeding five days. Such officer shall obey such warrant and keep the person committed thereby until the expiration of the time mentioned in the warrant, or until the offender shall be discharged by due course of law, unless sooner discharged by a judge of the court of record in the same manner and under the same rules as in cases of imprisonment under process of contempt from a civil court of record.

Sec. 90. President to be of highest rank.—The president of every military court shall be the member of the court highest in grade and rank. Sec. 91. Proceedings not to be vitiated by irregularity.—The proceedings of military courts shall not be vitiated by reason of mere irregularity, want of form or other technical defect, unless it is affirmatively made to appear, upon review or appeal, that the accused has been denied a fair hearing and has been materially injured thereby. In all cases where the sentence of a military court has been approved by the reviewing authority, the jurisdiction of said court and the legality of all its proceedings shall be presumed and on approval of such sentence, or in any civil proceedings, the burden of rebutting such presumption by competent evidence shall rest with the appellant or contestant in any such appeal or civil proceedings.

Sec. 92. Courts not bound by technical rules.—Military courts are not bound by technical rule of evidence prevailing in civil tribunals and may depart therefrom when in their opinion the exigencies of the case, the best interests of the service or the ends of justice demand it. Copies of all general and special orders may be received in evidence when attested by the signature of any officer having custody of an official copy of such order; and in case a written copy of such order cannot be procured without delay or inconvenience, oral testimony as to its contents may be received and all military courts may take judicial notice of the signature and handwriting of any commissioned officer of the national guard.

Sec. 93. Offenders may be committed to jail.—In default of payments of any fine, forfeiture, or costs, imposed by any military court after approval of sentence by the reviewing authority, the offender shall be committed to any county jail designated by said court for a period equal to one day for each dollar of fine imposed and unpaid.

Sec. 94. Accused to receive copy of order—Form of order.—A copy of the order approving the sentence shall be handed to the accused or mailed to his last known address, and if the fine and costs imposed by the court are not paid to the presiding officer, judge advocate or other officer authorized to receive the same, within five days after the time specified in the order, the president or other officer of the court shall issue his warrant of commitment of such delinquent offender, commanding the sheriff or any constable to whom such warrant is delivered to forthwith take the body of said offender and convey him to the common jail of the county designated in said warrant, there to remain confined during the term of said sentence as set forth in said commitment or until sooner discharged by competent authority and to make a due return of his doing thereon. Such warrant of commitment may be substantially in the following form:

Sec. 97. Compensation of civil officers.—Civil officers and guardsmen executing the warrants or process of a military court shall receive, as compensation therefor, the fees allowed by law for like service in the civil courts, the same to be taxed by

such court and, in summary court cases, paid out of the military fund of the company of which the accused is a member. All fees and expenses of trial in general and special courts-martial cases and the fees of jailers in all cases for the keep of prisoners shall be paid by the adjutant general out of the funds appropriated for the maintenance of the national guard. But no fees shall be allowed or paid to such officers unless an itemized statement thereof is endorsed on and forthwith returned with such warrant or process to the court issuing the same.

Sec. 98. Courts of inquiry.—Court of inquiry, to consist of one or more officers, may, and on the request of the officer involved shall, be instituted by the Governor for the purpose of investigating the conduct of any officer, or any accusation or imputation against him, or any acts made the subject of military complaint. Such court of inquiry shall, without delay, report a statement of facts and, when required, the evidence adduced and an opinion thereon to the Governor, who may, in his discretion, thereupon order a court-martial for the trial of the officer whose conduct has been inquired into.

Sec. 99. County armory commission.—Whenever a company or other unit of the national guard shall be located in any county, wherein no armory has otherwise been provided for its use, the commanding officer of such company or unit, or if more than one unit is stationed at such place then the senior officer of the units at such station, the chairman of the county board, and the county treasurer shall constitute an armory commission, with power, in their discretion, to purchase, erect, or rent a suitable building, and to furnish and keep the same in repair for use as such armory, all at the cost of such county.

Sec. 100. City or village armory commission.—Whenever a company or other unit of the guard shall be located in any city or village wherein no suitable armory has been provided for its use, the commanding officer of such company or unit, or if more than one unit is stationed at such place then the senior resident line officer of the national guard organization having at least one company permanently quartered at such station, the mayor or the president of the village council, and the city or village treasurer shall constitute an armory commission, with power, in its discretion, to purchase, erect, or rent a suitable building as such armory, and to furnish and keep the same in repair, all at the cost of the city or village.

Sec. 101. Expenditures—How paid.—All expenditures under Sections 99 and 100 of this act shall be paid as other charges against the county or municipality are paid, upon itemized vouchers approved by at least two members of the armory commission; and all sums so expended, or estimated in advance by the commission as necessary for the purpose, shall be in-

cluded in the tax levy and collected with the other county or municipal taxes; Provided that, in cities of the first class, no such armory shall be erected or otherwise required or provided unless the same be recommended by the armory commission to the council, and such recommendation be approved.

Sec. 102. Cities may issue bonds.—The council of any city of the first class which has not already issued bonds for the acquisition of an armory may issue and sell, in its discretion, the bonds of such city for the cost of such armory, in such amount as may be necessary, notwithstanding any charter or other limitation upon the total of its bonded indebtedness, or upon the powers of the council in reference thereto. Said bonds shall be in such denominations, and payable at such places and at such times, not exceeding thirty years from the date of issue, as the council may determine, with interest not exceeding six per cent. per annum, payable semiannually, according to interest coupons attached.

Sec. 103. Cities of 1st class may issue bonds for repairing armories.—Any city in this state, now or hereafter having over 50,000 inhabitants not operating under a home rule charter and not governed under a charter adopted pursuant to section 36, article 4 of the State constitution, may by resolution adopted by the affirmative vote of not less than a majority of all the members elect of its city council issue and sell bonds of such city to the amount of \$100,000 in par value for the purpose of repairing and enlarging armories, and the bonds provided for in this section may be issued and sold notwithstanding any charter provision of such city or any laws of this state limiting the amount of indebtedness of any such city.

No bonds shall be issued by any such city for the purposes above mentioned to run for a longer time than thirty years, nor bearing a rate of interest greater than four per cent. per annum, but the place of payment of the principal and interest thereon and the denominations in which the same shall be issued shall be such as may be determined upon by the city council and such bonds may be in the form of coupon bonds or registered certificates so-called. All such bonds shall be signed by the mayor and attested by the city clerk and countersigned by the comptroller of such city and shall be sealed with the seal of the city, except that the signatures on the coupons attached to such bonds, if any, may be lithographed thereon. Said bonds shall not be sold for less than ninety-five per cent. of their par value and accrued interest thereon and shall be sold to the highest responsible bidder therefor, upon at least two weeks' published notice of the sale of such bonds. The full faith and credit of such city shall be pledged at all times for the payment of all bonds issued under this section and the interest thereon,

and such city shall each year levy sufficient taxes to pay annual interest on such bonds and provide a sinking fund sufficient for the redemption of said bonds at maturity.

Sec. 104. Cities of fourth class may issue bonds.—Any city in the state of Minnesota which, according to the last federal census, has a population of not less than ten thousand people and not more than twenty thousand people, is hereby authorized to issue the bonds of such city for the construction, completion and equipment of a public armory building in said city, said bonds to be in such denominations, payable at such times and at such rate of interest, and sold upon such terms as may be determined by a majority vote of the city council, city commission or other governing body of such city. Provided, however, that the aggregate of the face value of the bonds which shall be issued by virtue of the provisions of this section shall not exceed the sum of seventy-five thousand dollars.

Before any bonds are issued under the provisions of this section by any such city, there shall be adopted by the city council, city commission, or other governing body of such city, a resolution certifying the purpose for which such bonds are required, the amount thereof necessary to be issued, the rate of interest the same shall bear, and the terms upon which said bonds shall be sold, and thereafter said city council, city commission, or other governing body, shall submit the question of the issue of said bonds and the sale thereof, pursuant to said resolution, to the legal voters of said city, either at a special election called for that purpose pursuant to the charter of said city, or at any general election held in said city, and if a majority of the legal voters of said city voting on said proposition vote in favor of the issuance of said bonds, then the council, city commission or other governing body of said city shall have full power and authority to issue and sell the same for the purpose specified in said resolution, and not otherwise. But if a majority of the legal voters of said city voting on said question should vote not to issue and sell said bonds, then the proposition shall be deemed rejected.

Said election shall be conducted as are other special elections in said city, unless the proposition shall be submitted at a general city election but in either case, the proposition shall be plainly submitted upon the city election ballot by the use of appropriate language, in conformity with the so-called Australian election ballot law of this state. Said vote shall be returned and canvassed as at other elections in said city.

Sec. 105. Other cities and villages may issue bonds for armories.—In like manner and as specified in Section 104 hereof, any other city or village or town not already provided with a suitable armory, and having authority to erect or otherwise

acquire the same for the use of the guard, may issue and sell its bonds for the necessary cost thereof, to run not more than thirty years, at a rate of interest not exceeding six per cent, payable semiannually. But no bonds shall be issued under this section that would increase the municipal indebtedness beyond the total limited by law.

* Sec. 106. **Cities and villages may accept donations.**—Any city, village, county, or town may accept any grant or donation of real or personal property for the purposes of an armory, or for the improvement or repair thereof, and may meet and fulfill any reasonable condition of such grant or donation not inconsistent with the proper use of the property for armory purposes; and they may enter into a contract for the leasing of property for such purposes for any term not exceeding twenty years.

Sec. 107. **Military board to be board of armory supervisors.**—The military board is hereby constituted a board of armory supervisors, whose duty it shall be to approve the selection of all armory sites and plans and specifications, and to contract for the erection of all armories, for the purchase of buildings suitable or which can be made suitable for armory purposes and the acquisition of armories already constructed; and to audit and approve all bills, claims and accounts in connection with the construction or purchase of all armories before such bills, claims and accounts shall be paid, and to perform such other duties as this act may require, but without compensation except that their actual and necessary traveling expenses shall be paid; and allowance shall be made for the necessary clerical assistance, printing, stationery and postage, which shall be paid out of the fund appropriated for the maintenance of the national guard.

* Sec. 108. **State to assist in building armories.**—To every company of the Minnesota national guard, now or hereafter organized, which shall have first caused to be deposited with the state treasurer at least the sum of one thousand dollars as evidence of good faith, and shall have conveyed or caused to be conveyed to the state of Minnesota, by good and sufficient deed of warranty, and free of encumbrances, other than the reservation of mineral rights, the title to a site for an armory, which site shall have first been approved by said board of armory supervisors, or in the case of the contemplated purchase of an existing armory or other suitable building, upon the payment of an amount equal of the value of the site there is hereby appropriated the sum of twenty-five thousand dollars, which together with the said deposit shall be used for the purpose of buying, building, erecting and equipping an armory building on said site; Provided, that two or more organizations stationed in one or more cities or villages may combine the appropriations

available for each under this act, and erect a joint armory on a common site situated wholly in either or partly in each such city or village, if the board of armory supervisors shall deem it expedient; provided, further, that in case two or more organizations entitled thereto have heretofore, or may hereafter, combine, and shall have become entitled to such joint appropriations and to erect a joint armory, on a common site, and such site has been duly conveyed to the state of Minnesota, and thereafter any additional organization is, or additional organizations are, regularly formed and stationed in any city or village wherein any organization has so joined in such common site and armory, and it shall be desirable and practicable, and said board shall deem it expedient, to have such new organization join in such common armory, said board may allow such new organization to join with such other organizations in such common armory, on such common site, and may allow an additional appropriation for such armory on account of such new organization so joining therein, on the furnishing by such new organization of the sum of one thousand dollars (\$1,000), as hereinbefore provided for, without the necessity of furnishing an additional site to the state of Minnesota; and provided further, that said board shall designate as near equally as possible from the several military organizations of the national guard which of them shall receive aid in any one year, taking into consideration the proficiency of the organization asking for aid and its needs, and giving preference to organizations not already provided with a suitable armory.

Any city or village, or two or more cities or villages jointly, in which an armory has been heretofore, is now or may hereafter be erected or authorized under the provisions of this act, may acquire and convey to the state of Minnesota, a site, and raise and appropriate money and funds in the aid of the construction, repair or improvement thereof, and to that end may issue bonds payable not more than thirty years after their issue and bearing interest at a rate not exceeding six per cent. per annum, and may deposit such money and funds and the proceeds of the sale of such bonds with the state treasurer to the credit of the proper construction fund, and may make such further provisions for the maintenance and improvement of such armory as may be deemed necessary; provided, that whenever bonds have been heretofore issued by any city or village for any of the foregoing purposes, and the validity of such bonds is not now in question in the courts, the same are hereby validated and hereby declared to be legal obligations of any city or village issuing the same; and provided further, that whenever the board deems it expedient, and in furtherance of the purposes of this act, it may purchase and finish armories al-

ready built or partly built, deducting, however, from the purchase price, the appraised value of the site.

Sec. 109. State treasurer to keep accounts.—The state treasurer shall keep a separate account with each company or battery which shall avail itself of the provisions of this act, credit the same with the amount of money deposited by such organization together with the appropriation made under the provisions of this act; and all bills for the construction or purchase of armories shall, after being approved by the said board, be paid out of said account or fund, and charged to the proper organization, upon the warrant of the state auditor. And the state auditor shall issue his warrant upon said fund upon the certificate of said board. For the purpose of providing funds to facilitate the purchase, construction and equipment of armories under the provisions of this act, the board of armory supervisors are hereby authorized and empowered to issue certificates of indebtedness bearing interest, in the discretion of said board, at the rate of not more than six per cent per annum, payable semiannually, such certificates not to exceed in the aggregate, the amount authorized to be expended for all armories constructed or to be constructed under the provisions of Section 108 of this Act; provided, that the total amount of such certificates, principal and interest, maturing in any one year, shall not exceed seventy-five thousand dollars, and that no such certificate shall mature beyond the period of twenty years from date of issue thereof. The said certificates shall be issued upon the following terms and conditions, viz:

First. Said certificates of indebtedness shall be in such form as the said board and the state auditor may determine, and shall be signed by the president and secretary of said board of armory supervisors, and countersigned by the state auditor, who shall make and keep a proper register thereof, showing the date of each issue, its amount, the rate of interest the same bear, the date of maturity thereof, and a certificate of such registration shall be endorsed thereon.

Second. Said certificates of indebtedness shall plainly show upon their face the purpose for which they are issued, the date when they will mature, and contain a proper reference to this act, and they shall be made payable at the office of the state treasurer.

Third. The said certificates of indebtedness shall be issued in sums of not less than fifty dollars (\$50.00) each and the proceeds thereof shall be deposited in the state treasury to the credit of the board of armory supervisors who shall assign the same to the several funds for the construction of armories for companies who shall have complied with the provisions of this act, but no part of same shall be paid therefrom except upon war-

rants issued by the state auditor upon vouchers duly approved by said board, as provided by this act.

Fourth. The said certificates of indebtedness shall only be issued from time to time as the work of actual construction progresses and only in such sums as may be required to provide the necessary funds to pay for material and labor actually furnished, and other necessary expenses authorized by this act and after proper action by the said board duly taken.

Fifth. The said certificates of indebtedness when duly prepared and executed in accordance with this act, shall be deposited with the state treasurer and shall be delivered by him to the purchaser or purchasers thereof only upon payment to him of not less than the par value thereof, and shall be an assignment of the proceeds of a levy and the collection of the state tax for the building of armories to which purposes such proceeds are hereby appropriated. The state treasurer and auditor shall annually determine the amount of maturities, together with the amount of interest required for the ensuing year, and shall place in the tax levy and collect same as other taxes are placed in the tax levy and collected, an amount sufficient to take up such maturing certificates and pay all accrued or accruing interest on same.

Sixth. That when any of said certificates shall mature, the said state auditor shall draw his warrant upon the state treasurer and the state treasurer shall pay upon said warrant, the amount due upon any such certificate of indebtedness, said warrants to be drawn in favor of and to the order of the person or persons holding said certificates at the time the same are presented for payment.

Sec. 110. Refundment to be credited to armory fund.—All money returned and repaid to the state treasury from armory property sold, damaged or destroyed, or otherwise, shall be credited to a general armory fund and may be expended for the building and construction or the purchase of armories for military organizations not having armory accommodations under the provisions and limitations of this act.

Sec. 111. Adjutant general to take possession of unused armories.—Whenever any such military organization which has availed itself of the provisions of this act and has received the appropriation provided herein, shall be called or drafted into the federal service or shall be mustered out of the service of this state, and it shall appear probable that no new military organization will be organized in the city or village in which the armory is located, and there is no other military organization occupying said armory, the adjutant general shall immediately take possession and close the same, and not permit its use for other than military purposes, but the said board shall have

the authority and they are hereby expressly empowered to sell, transfer and convey said property to the municipality in which the same is located, for public purposes, upon the repayment to the state for credit to the general armory fund, of the appropriation expended thereon, without interest; provided that if such municipality shall not purchase said property the said board shall then be authorized to sell, transfer and convey the same to any individual, firm or corporation, repaying to the state at least the full appropriation expended therefor; and provided, further, that if the said armory cannot be sold in this manner the military board may lease the armory to the municipality for public purposes at an annual rental which shall not be less than 10 per cent. of the amount invested by the state in such armory; and provided, further, that the state board of armory supervisors subject to the approval of the governor is hereby authorized and empowered to sell, transfer and convey on behalf of the state any state armory site and buildings which in the judgment of the board is unsuitable for military purposes or which has been condemned by the state fire marshal or the state insurance commissioner. The moneys so received from the sale of such armories shall be paid into the state treasury and by the treasurer accredited to the general armory fund.

Sec. 112. Control of new armory to vest in commanding officer or armory board.—Upon the completion of any new armory building or the purchase of any armory building and property, the control and use of said armory shall vest in the armory board or commanding officer of such armory as provided by this act. Provided, that the proceeds of rentals and other revenue derived from such armories may be devoted and applied by the armory board or commanding officer controlling the same, to the maintenance, extension, improvement and equipment thereof.

Sec. 113. Joint armory and municipal buildings may be erected.—Whenever a company of the national guard shall be located in a city or village wherein no suitable armory has been provided for its use, an armory may be constructed for use jointly by such company or battery and by the citizens of such community. The mayor or president of the council of such city or village and the commanding officer of the company or other unit stationed at such place, or if there be more than one company then the senior officer of the troops of such station, shall constitute a joint armory commission, with power to purchase, erect or rent a suitable site or building for such armory and to furnish and keep the same in repair.

Sec. 114. May receive state aid.—Whenever such joint armory commission shall have deposited with the state treasurer at least one thousand dollars as evidence of good faith and shall have

caused to be conveyed to the state of Minnesota by warranty deed, free of encumbrances, the title to the site for an armory, which site shall have been first approved by the board of armory supervisors, such joint armory commission shall be entitled to receive the same amount of state aid as is prescribed by law for other armories, which state aid shall be paid to such joint armory commission in the manner prescribed by this act for state armories.

The board of armory supervisors shall designate the place needed for drill hall, office, locker rooms, storage and rifle range, and the immediate control of the portions of the armory so designated shall be vested in the commanding officer of the organization quartered therein, and such portion of such armory shall be subject to the laws of this state relating to armories. The control of the other portions of such armory shall be vested in the municipal authorities.

The general control of the building as a whole shall be vested in a committee consisting of two persons, one the commanding officer of the military organization in control of a portion of the armory and the other appointed by the municipality upon such terms as may be agreed upon, provided, any agreement for general control of such armory shall be first approved by the state board of armory supervisors. In case such an agreement is made the state shall furnish the regular appropriation provided for armory maintenance and all other expenses of keeping up the building shall be paid by the municipality.

Sec. 115. **Commanding officer to have charge.**—Each armory occupied by a single company shall be under the immediate charge of the *Commanding Officer of the organization quartered therein*. If more than one company is quartered in any armory the control thereof shall be vested in an Armory Board to be constituted as follows: If more than one company of the same regiment is quartered therein, the Board shall consist of the Senior Resident Field Officer and if no Field Officer resides at such place then of the several Company Commanders; if companies of more than one regiment or lesser separate organizations are quartered in a single armory, the Senior Resident Line Officer of each regiment or lesser separate organization shall constitute the Armory Board, provided however, that each member of the Armory Board shall have one vote for each company of his organization located in such armory; and provided further, that each Brigade Commander shall be ex-officio a member of the Armory Board at the place where he has his headquarters and he shall have one vote; and provided further, that organizations of the Naval Militia when occupying armories jointly with organization of the National Guard shall for the purposes of this section have the same status as corresponding organization commanders in the National Guard. A record of their actions shall be kept, and all resolutions offered, whether seconded or not shall be put to vote, and the result recorded. In case of a tie, the

adjutant general, upon the request of any member, shall decide, subject to an appeal to the governor. The governor may make and alter rules and regulations for the government of all officers and persons having charge of armories, arsenals, or other military property in this state.

Sec. 116. Senior officer to have control of drill hall.—The senior officer in command of any company or companies assembling at an armory for drill shall have control of the drill hall during such occupancy, subject to the rules prescribed for its use, and the orders of his superior. And any person who intrudes contrary to his orders, or who interrupts, molests, or insults any troops so assembled, or who refuses to leave the premises when properly requested so to do, shall be guilty of a misdemeanor. But nothing in this section shall prevent reasonable inspection of the premises by the proper municipal officer, or by the lessor thereof in accordance with the terms of the lease.

Sec. 117. Armorers—janitor.—The officer or armory board in charge of any armory, as provided for in section 115 may appoint an armorer, who under his directions, shall have charge of the armory or place where the uniforms, arms, accoutrements, and other property of the command are kept. When necessary, the officer or officers in control of the armory may appoint a janitor thereof, and, if it be heated by steam, an engineer. The duties of all such appointees shall be prescribed by the officers appointing them, who shall also fix their compensation, not to exceed three dollars per day for time necessarily spent in the performance of such duties, and may dismiss any of them at pleasure. Such compensation shall be paid monthly by the town, county, city or village, as the case may be, upon vouchers approved by the appointing officers. Provided, however, that in cities where the armory has been erected or otherwise acquired without state aid and is exclusively owned by the municipality, armorers, janitors and engineers, and if deemed necessary a superintendent of such armory shall be appointed, and their compensation shall be fixed, by the armory commission mentioned in Section 99.

Sec. 118. Penalties for injuring property of armory.—Every person who shall wilfully injure any armory or arsenal, or any property therein lawfully kept or deposited, and every person who shall introduce any spirituous, vinous, or malt liquor into any such armory or arsenal, except for medicinal purposes, upon the prescription of a medical officer of the guard, shall be guilty of a misdemeanor, the *minimum punishment whereof shall be a fine of twenty-five dollars, or imprisonment for ten days in the county jail.*

Sec. 119. State aid for maintenance.—There shall be paid annually to the officer or armory board in charge of each armory for the maintenance and equipping of the same the sum of two hundred fifty dollars for each company or other unit quartered

therein; provided, the county, city, or village in which the armory is located shall appropriate at least an equal amount annually.

Sec. 120. Certain leases ratified.—In all cases where a company of the national guard, located in a city or village in which there is an armory, has heretofore entered into a lease, pursuant to a written or oral agreement with a tenant in common in certain property used in part for armory purposes to purchase the interest of such tenant in common in such property at an agreed sum plus a lease of a portion of such premises for a fixed term, and the lease so entered into purports for a valuable consideration to demise a portion of such armory premises for a term of fifteen years or less to such tenant in common, subject to cancellation on six months' notice and the payment of a certain sum by the lessee, and also purports to obligate the lessor to keep in repair certain portions of the property so leased, and in default thereof to authorize the lessee to make such repairs and to collect the amount thereof from the lessor, together with five per cent. interest thereon, and in default of the repayment of such amount by the lessor to extend the terms of the lease for such period as the amount expended by the lessee for repairs will purchase at the agreed monthly rental, and also where the interest of such tenants in common has been duly conveyed in pursuant of such agreement to the state of Minnesota as an armory site together with the buildings thereon in consideration of the sum agreed upon, and the other terms of such agreement have been carried out, then and in that case such lease is hereby ratified and confirmed and the same, together with all covenants and agreements contained therein, is hereby made valid and of full force and effect from the date of its execution to the same extent as if it had been duly executed by such parties under authority of law.

Sec. 121. To apply to naval militia.—All of the provisions of this act relating to armories shall be construed to include and apply to any division of naval militia now or hereafter organized in this state.

Sec. 122. Armories may be used by patriotic societies.—The use of armories for the regular meetings of those patriotic societies holding charters from congress shall be granted by the armory board or officer in charge of any armory at such times and under such circumstances as not to interfere with the use of the armory for military purposes by the company or companies quartered therein, subject to the armory rules and regulations as are in force governing the use of such armories.

Sec. 123. Laws repealed.—Chapter 118, Laws 1915. Chapters 368 and 400, Laws 1917, Chapters 135, 250, 379, 418, 507 and 525, Laws 1919, and all acts and parts of acts inconsistent with this act are hereby repealed.

Sec. 124. This act shall take effect and be in force from and after its passage.

Approved April 23, 1921.
