EXTRA SESSION

CHAPTER 3—S. F. No. 7

An act relating to highway traffic regulation; providing for the examination of and reports concerning certain accident victims for presence of alcohol and drugs in blood; amending Minnesota Statutes 1965, Section 169.09, Subdivision 11.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1965, Section 169.09, Subdivision 11, is amended to read:

Subd. 11. Highway traffic; blood tests of accident victims; coroner to report death. Every coroner or other official performing like functions shall report in writing to the department the death of any person within his jurisdiction as the result of an accident involving a motor vehicle and the circumstances of such accident. Such report shall be made within five days after such death.

In the case of drivers killed in motor vehicle accidents and of the death of pedestrians 16 years of age or older, who die within four hours after accident, the coroner or other official performing like functions shall examine the body and shall make such tests as are necessary to determine the presence and percentage concentration of alcohol, and drugs if feasible, in the blood of the victim. This information shall be included in each report submitted pursuant to the provisions of this subdivision and shall be tabulated on a monthly basis by the department. This information may be used only for statistical purposes which do not reveal the identity of the deceased.
