CHAPTER 532—H. F. No. 1997

An act relating to education; plans and specifications for school buildings; amending Minnesota Statutes 1967, Section 121.15.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1967, Section 121.15, is amended to read:

121.15 Education; school districts; plans and specifications for temporary buildings. The state board shall prescribe rules for school sites and for the mechanical equipment, erection, enlargement, and change of school buildings. All plans and specifications for the erection, enlargement, and change of school buildings shall first be submitted to the state department of education for approval before the contract is let and no new school buildings shall be erected or any building enlarged or changed until the plans and specifications have been submitted to, and approved by, the state department. The state board shall include in such rules those made, from time to time, by the state board of health relative to sanitary standards for toilets, water supply, and disposal of sewage in public school buildings. In all other respects the authority to make rules for public school buildings
