2.1 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

2.2 **ARTICLE 1**

2.3 **MINNESOTA STATE RETIREMENT SYSTEM**

2.4 Section 1. Minnesota Statutes 2022, section 352B.08, subdivision 1, is amended to read:

2.5 Subdivision 1. **Eligibility; when to apply; accrual.** (a) Every member who is credited
2.6 with three or more years of allowable service if first employed before July 1, 2013, or with
2.7 at least ten years of allowable service if first employed after June 30, 2013, is entitled to
2.8 separate from state service and upon becoming 50 years old, is entitled to receive a life
2.9 annuity, upon separation from state service.

2.10 (b) Members must apply for an annuity in a form and manner prescribed by the executive
2.11 director.

2.12 (c) No application may be made more than ~~90~~ 60 days before the date the member is
2.13 eligible to retire by reason of both age and service requirements.

2.14 (d) An annuity begins to accrue no earlier than 180 days before the date the application
2.15 is filed with the executive director.

2.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

2.17 Sec. 2. Minnesota Statutes 2022, section 356.551, subdivision 2, is amended to read:

2.18 Subd. 2. **Determination.** (a) Unless the minimum purchase amount set forth in paragraph
2.19 (c) applies, the prior service credit purchase amount is an amount equal to the actuarial
2.20 present value, on the date of payment, as calculated by the chief administrative officer of
2.21 the pension plan and reviewed by the actuary retained under section 356.214, of the amount
2.22 of the additional retirement annuity obtained by the acquisition of the additional service
2.23 credit in this section.

2.24 (b) Calculation of this amount must be made using the investment return assumption
2.25 applicable to the public pension plan specified in section 356.215, subdivision 8, and the
2.26 mortality table adopted for the public pension plan.

2.27 (1) Unless clause (2) applies, the calculation must assume continuous future service in
2.28 the public pension plan until, and retirement at, the age at which the minimum requirements
2.29 of the fund for normal retirement or retirement with an annuity unreduced for retirement at
2.30 an early age, including section 356.30, are met with the additional service credit purchased.
2.31 The calculation must also assume a full-time equivalent salary, or actual salary, whichever

3.1 is greater, and a future salary history that includes annual salary increases at the applicable
3.2 salary increase rate for the plan specified in section 356.215, subdivision 8.

3.3 (2) This clause applies when the calculation is being done for purposes of section 352.272;
3.4 352B.087; 353.0141, subdivision 3; 354.544; ~~or 354A.0961~~; or 490.1211, subdivision 2.

3.5 The calculation must include continuous future service in the public pension plan until, and
3.6 retirement at, any age at or after which the minimum requirements of the fund for early
3.7 retirement or retirement with an annuity unreduced for retirement at an early age, including
3.8 section 356.30, are met with the additional service credit purchased. The calculation must
3.9 be determined using the retirement age that provides the most valuable benefit to the member.
3.10 The calculation must also assume a full-time equivalent salary, or actual salary, whichever
3.11 is greater, and a future salary history that includes annual salary increases at the applicable
3.12 salary increase rate for the plan specified in section 356.215, subdivision 8.

3.13 (c) The prior service credit purchase amount may not be less than the amount determined
3.14 by applying, for each year or fraction of a year being purchased, the sum of the employee
3.15 contribution rate, the employer contribution rate, and the additional employer contribution
3.16 rate, if any, applicable during that period, to the person's annual salary during that period,
3.17 or fractional portion of a year's salary, if applicable, plus interest at the applicable annual
3.18 rate or rates specified in section 356.59, subdivision 2, 3, 4, or 5, whichever applies,
3.19 compounded annually, from the end of the year in which contributions would otherwise
3.20 have been made to the date on which the payment is received.

3.21 (d) Unless otherwise provided by statutes governing a specific plan, payment must be
3.22 made in one lump sum within one year of the prior service credit authorization or prior to
3.23 the member's effective date of retirement, whichever is earlier. Payment of the amount
3.24 calculated under this section must be made by the applicable eligible person.

3.25 (e) However, the current employer or the prior employer may, at its discretion, pay all
3.26 or any portion of the payment amount that exceeds an amount equal to the employee
3.27 contribution rates in effect during the period or periods of prior service applied to the actual
3.28 salary rates in effect during the period or periods of prior service, plus interest at the
3.29 applicable annual rate or rates specified in section 356.59, subdivision 2, 3, 4, or 5, whichever
3.30 applies, compounded annually, from the date on which the contributions would otherwise
3.31 have been made to the date on which the payment is made. If the employer agrees to
3.32 payments under this subdivision, the purchaser must make the employee payments required
3.33 under this subdivision within 90 days of the prior service credit authorization. If that
3.34 employee payment is made, the employer payment under this subdivision must be remitted

4.1 to the chief administrative officer of the public pension plan within 60 days of receipt by
4.2 the chief administrative officer of the employee payments specified under this subdivision.

4.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

4.4 Sec. 3. Minnesota Statutes 2022, section 490.1211, is amended to read:

4.5 **490.1211 UNIFORMED SERVICE.**

4.6 **Subdivision 1. Federal uniformed service protections.** (a) A judge who is absent from
4.7 employment by reason of service in the uniformed services, as defined in United States
4.8 Code, title 38, section 4303(13), and who returns to state employment as a judge upon
4.9 discharge from service in the uniformed service within the time frame required in United
4.10 States Code, title 38, section 4312(e), may obtain service credit for the period of the
4.11 uniformed service, provided that the judge did not separate from uniformed service with a
4.12 dishonorable or bad conduct discharge or under other than honorable conditions.

4.13 (b) The judge may obtain credit by paying into the fund equivalent member contribution
4.14 based on the contribution rate or rates in effect at the time that the uniformed service was
4.15 performed multiplied by the full and fractional years being purchased and applied to the
4.16 annual salary rate. The annual salary rate is the average annual salary during the purchase
4.17 period that the judge would have received if the judge had continued to provide employment
4.18 services to the state rather than to provide uniformed service, or if the determination of that
4.19 rate is not reasonably certain, the annual salary rate is the judge's average salary rate during
4.20 the 12-month period of judicial employment rendered immediately preceding the ~~purchase~~
4.21 period of the uniformed service.

4.22 (c) The equivalent employer contribution and, if applicable, the equivalent employer
4.23 additional contribution, must be paid by the employing unit, using the employer and employer
4.24 additional contribution rate or rates in effect at the time that the uniformed service was
4.25 performed, applied to the same annual salary rate or rates used to compute the equivalent
4.26 member contribution.

4.27 (d) If the member equivalent contributions provided for in this section are not paid in
4.28 full, the judge's allowable service credit must be prorated by multiplying the full and
4.29 fractional number of years of uniformed service eligible for purchase by the ratio obtained
4.30 by dividing the total member contributions received by the total member contributions
4.31 otherwise required under this section.

4.32 (e) To receive allowable service credit under this section, the contributions specified in
4.33 this section ~~and section 490.121~~ must be transmitted to the fund during the period which

5.1 begins with the date on which the individual returns to judicial employment and which has
5.2 a duration of three times the length of the uniformed service period, but not to exceed five
5.3 years. If the determined payment period is calculated to be less than ~~one year~~ three years,
5.4 the contributions required under this section to receive service credit ~~may~~ must be transmitted
5.5 to the fund within ~~one year~~ three years from the discharge date.

5.6 (f) The amount of allowable service credit obtainable under this section and section
5.7 490.121 may not exceed five years, unless a longer purchase period is required under United
5.8 States Code, title 38, section 4312.

5.9 (g) The state court administrator shall pay interest on all equivalent member and employer
5.10 contribution amounts payable under this section. Interest must be at the applicable annual
5.11 rate or rates specified in section 356.59, subdivision 2, compounded annually, from the end
5.12 of each fiscal year of the leave or break in service to the end of the month in which payment
5.13 is received.

5.14 Subd. 2. State-authorized purchase of service credit for periods of military service. (a)
5.15 Unless prohibited under paragraph (b), a judge is eligible to purchase service credit, not to
5.16 exceed five cumulative years of service credit, for one or more periods of service in the
5.17 uniformed services, as defined in United States Code, title 38, section 4303(13), if:

5.18 (1) the judge has at least three years of service credit with the judges retirement plan
5.19 under this chapter;

5.20 (2) the duration of the judge's current period of employment is at least six months; and

5.21 (3) the judge did not obtain service credit for a period of military service under
5.22 subdivision 1.

5.23 (b) A service credit purchase is prohibited if:

5.24 (1) the judge separated from uniformed service with a dishonorable or bad conduct
5.25 discharge or under other than honorable conditions;

5.26 (2) the judge has purchased or otherwise received service credit from any Minnesota
5.27 public employee pension plan for the same period of service in the uniformed services; or

5.28 (3) the judge's service in the uniformed services occurred before the judge was first
5.29 appointed or elected as a judge.

5.30 (c) When purchasing a period of service, if the period of service in the uniformed services
5.31 is one year or less, the judge must purchase the full period of service. If the period of service
5.32 in the uniformed services is longer than one year, the judge may purchase the full period,

6.1 not to exceed five cumulative years, or may purchase a portion of the period of service. If
6.2 the judge purchases a portion of the period of service in the uniformed services, the portion
6.3 must: (1) not be less than one year; and (2) be in increments of six months of service.

6.4 Subd. 3. **Application and documentation.** To purchase service credit under subdivision
6.5 2, a judge must apply to the executive director of the Minnesota State Retirement System
6.6 to make the purchase. The application must include all necessary documentation of the
6.7 judge's qualifications to make the purchase, signed written permission to allow the executive
6.8 director to request and receive necessary verification of applicable facts and eligibility
6.9 requirements, and any other relevant information that the executive director may require.

6.10 Subd. 4. **Purchase payment amount; service credit grant.** (a) The purchase payment
6.11 amount for a purchase under subdivision 2 is the amount determined under section 356.551
6.12 for the period or periods of service requested, except that, for purposes of calculating the
6.13 purchase payment amount to purchase service credit for service in the uniformed services
6.14 between periods of employment as a judge, section 356.551, subdivision 2, paragraph (c),
6.15 does not apply.

6.16 (b) Service credit must be granted by the judges retirement plan to the purchasing judge
6.17 upon the executive director's receipt of the purchase payment amount. The service credit
6.18 purchased under this section may not be used for the purpose of determining a disability
6.19 benefit under section 490.124, subdivision 4.

6.20 (c) Payment must be made before the effective date of the judge's retirement.

6.21 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.22 **Sec. 4. REPEALER.**

6.23 Minnesota Statutes 2022, section 490.124, subdivision 10, is repealed.

6.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

24.29 permit the designation of a same-sex spouse.

24.30 Subd. 2. **Definitions.** For the purposes of this section, the following definitions apply,
24.31 unless the context clearly indicates another meaning is intended.

24.32 (a) "Eligible person" means a person who:

25.1 (1) was formerly a basic member as defined under section 354A.011, subdivision 8, or
25.2 a coordinated member, as defined under section 354A.011, subdivision 11, of the St. Paul
25.3 Teachers Retirement Fund Association;

25.4 (2) retired before August 1, 2013, and is receiving a retirement annuity;

25.21 (b) To file an amended benefit election, the eligible person must file an election in the
25.22 form requested by the executive director of the St. Paul Teachers Retirement Fund
25.23 Association and must designate the same-sex spouse as the primary designated beneficiary.

25.24 Subd. 4. **Eligible persons who are members of the coordinated plan.** If the eligible
25.25 person is a member of the coordinated plan of the St. Paul Teachers Retirement Fund
25.26 Association, the executive director will recalculate the eligible person's benefit based on
25.27 the amended benefit election and notify the eligible person of the amount that was overpaid
