(2) in the case of a communication transmitted by an FM radio broadcast station or
network, where a portion of the district lies outside of the protected or primary service
contour, that the population of the part of the district lying within the station's or network's
protected or primary service contour is 10,000 or more;

(3) in the case of a communication transmitted by an AM radio broadcast station or
network, where the district lies entirely within the station's or network's most outward service
area, that the population of the district is 10,000 or more;

network, where a portion of the district lies outside of the station's or network's most outward
service area, that the population of the part of the district lying within the station's or
network's most outward service area is 10,000 or more;

(5) in the case of a communication appearing on a television broadcast station or network,
where the district lies entirely within the station's or network's Grade B broadcast contour,
that the population of the district is 10,000 or more;

(6) in the case of a communication appearing on a television broadcast station or network,

10,000 or more;

(7) in the case of a communication appearing exclusively on a cable or satellite television
system, but not on a broadcast station or network, that the viewership of the cable system

Sec. 6. [200.56] PRESUIT NOTICE. 68.1 Subdivision 1. Notice required. (a) Except as provided in this section, before filing an 68.2 68.3 action a prospective plaintiff shall send a notice letter to the political subdivision identifying the potential violation, the affected protected class, and the type of remedy the potential 68.4 plaintiff believes may address the potential violation. The party may not file an action related 68.5 to the violations described in the notice within 60 days after sending the notice letter. 68.6 (b) The notice letter required by paragraph (a) must include a legal analysis setting forth 68.7 the potential violations of section 200.54 with specificity. The letter must establish a voter 68.8 suppression claim, a vote dilution claim, or both. The letter must include a discussion of 68.9 68.10 any relevant factors established in section 200.55, subdivision 1, and must include evidence to support the claims. 68.11 Subd. 2. Responsibility of political subdivision. The political subdivision shall work 68.12 in good faith with the party that provided notice to implement a remedy that cures the 68.13 potential violation. If the political subdivision adopts a resolution identifying a remedy, 68.14 affirming its intent to enact and implement a remedy, and establishing a timeline and specific 68.15 steps it will take to do so, the political subdivision shall have 90 days after passing the 68.16 resolution to enact and implement a remedy, during which time the party who sent a notice 68.17 letter under this section may not file an action related to those violations against that political 68.18

68.19 subdivision.

68.20 Subd. 3. Approval of remedies. If the political subdivision lacks authority to enact or

68.21 implement an identified remedy, the political subdivision may nonetheless enact and

68.22 implement the remedy upon approval by the district court. To seek approval, the political

68.23 subdivision must file a petition in district court that identifies with specificity the law or

68.24 other authority that prevents the remedy from being enacted or implemented. The venue

68.25 for a petition under this subdivision is in the district court of the county where the challenged

act or practice occurred, or in the District Court of Ramsey County. The district court may

authorize the political subdivision to implement or enact the identified remedy

68.28 notwithstanding the applicable law or authority to the contrary, if the court determines that

68.29 the prospective plaintiff is likely to succeed in a lawsuit on the merits of the alleged violation;

68.30 that the proposed remedy would address the alleged violation; and that the proposed remedy

68.31 is narrowly tailored to that purpose.

68.32 Subd. 4. When presuit notice is not required. Notwithstanding subdivisions 1 and 2, 68.33 a prospective plaintiff may file an action without first providing a notice letter if:

DEVISOD

Notwithstanding any other law, if the court finds a violation of any provision of section 70.12 200.54, the court has authority to order remedies that are tailored to best mitigate the 70.13 violation. Any remedy ordered by the court must be constructed in favor of the factors listed 70.14 70.15 in section 200.53, subdivision 1. The court may consider, among others, any remedy that 70.16 has been ordered by a federal court or the court of another state jurisdiction, including through a court-approved consent decree or settlement adopted in the context of similar 70.17 facts or to remedy a similar violation. The court shall consider remedies proposed by any 70.18 parties and may consider remedies proposed by interested nonparties. The court may not 70.19 provide deference or priority to a proposed remedy offered by a defendant or political 70.20 70.21 subdivision simply because the remedy has been proposed by the defendant or political subdivision. 70.22

70.23 Sec. 9. [200.59] FEES AND COSTS.

70.24 In any action brought under this act, the court, in its discretion, may allow the prevailing

70.25 party costs and reasonable attorney fees. If a party prevails on only a portion of their action,

70.26 the court shall award costs and fees attributable only to that portion of the action. If the

70.27 party against whom the action was filed prevails in the action, the court shall not award that

70.28 party any costs or fees unless the court finds the action is frivolous.

70.29 Sec. 10. Minnesota Statutes 2022, section 204B.175, is amended to read:

70.30 **204B.175 CHANGE OF POLLING PLACE IN AN EMERGENCY.**

If a local election official determines that an emergency 71.6 has occurred or is imminent, the local election official must procure a polling place that is 71.7 71.8 as near the designated polling place as possible and that complies with the requirements of section 204B.16, subdivisions 4 and 5. If it is not possible to locate a new polling place in 71.9 the precinct, the polling place may be located outside of the precinct without regard to the 71.10 distance limitations in section 204B.16, subdivision 1. If a polling location is changed to 71.11 remedy a potential violation of section 200.54, the location of the polling place must be 71.12 selected to remedy the violation. The local election official must certify to the appropriate 71.13 governing body the expenses incurred because of the change. These expenses shall be paid 71.14 as part of the expenses of the election. 71.15

71.16 Subd. 2a. Designation of additional polling places. A local election official may

71.17 designate additional polling locations, notwithstanding the deadlines in section 203B.081,

71.18 <u>if additional designations are required to remedy a potential violation of section 200.54.</u>

71.19 The local election official must certify to the appropriate governing body the expenses

71.20 incurred because of the change. These expenses shall be paid as part of the expenses of the

71.21 <u>election.</u>

Subd. 3. Notice. (a) Upon making the determination to relocate a polling place, the local 71.22 election official must immediately notify the county auditor and the secretary of state. The 71.23 notice must include the reason for the relocation and the reason for the location of the new 71.24 polling place. As soon as possible, the local election official must also post a notice stating 71.25 the reason for the relocation and the location of the new polling place. The notice must also 71.26 be posted on the website of the public body, if there is one.
