1.27 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.28 **ARTICLE 1**1.29 **CONFORMING STATE LAW TO AFFORDABLE CARE ACT**

1.30 Section 1. Minnesota Statutes 2012, section 43A.23, subdivision 1, is amended to read:

1.31 Subdivision 1. **General.** (a) The commissioner is authorized to request proposals  
1.32 or to negotiate and to enter into contracts with parties which in the judgment of the

2.1 commissioner are best qualified to provide service to the benefit plans. Contracts entered  
2.2 into are not subject to the requirements of sections 16C.16 to 16C.19. The commissioner  
2.3 may negotiate premium rates and coverage. The commissioner shall consider the cost of  
2.4 the plans, conversion options relating to the contracts, service capabilities, character,  
2.5 financial position, and reputation of the carriers, and any other factors which the  
2.6 commissioner deems appropriate. Each benefit contract must be for a uniform term of at  
2.7 least one year, but may be made automatically renewable from term to term in the absence  
2.8 of notice of termination by either party. A carrier licensed under chapter 62A is exempt  
2.9 from the taxes imposed by chapter 297I on premiums paid to it by the state.

2.10 (b) All self-insured hospital and medical service products must comply with coverage  
2.11 mandates, data reporting, and consumer protection requirements applicable to the licensed  
2.12 carrier administering the product, had the product been insured, including chapters 62J,  
2.13 62M, and 62Q. Any self-insured products that limit coverage to a network of providers  
2.14 or provide different levels of coverage between network and nonnetwork providers shall  
2.15 comply with section 62D.123 and geographic access standards for health maintenance  
2.16 organizations adopted by the commissioner of health in rule under chapter 62D.

2.17 (c) Notwithstanding paragraph (b), a self-insured hospital and medical product  
2.18 offered under sections 43A.22 to 43A.30 is ~~not~~ required to extend dependent coverage  
2.19 to an eligible employee's ~~unmarried child under the age of 25~~ to the full extent required  
2.20 under chapters 62A and 62L. Dependent child coverage must, at a minimum, extend to an  
2.21 eligible employee's ~~unmarried~~ dependent child ~~who is under the age of 19 or an unmarried~~  
2.22 ~~child under the age of 25 who is a full-time student. A person who is at least 19 years of~~  
2.23 ~~age but who is under the age of 25 and who is not a full-time student must be permitted~~  
2.24 ~~to be enrolled as a dependent of an eligible employee until age 25 if the person:~~ to the  
2.25 limiting age as defined in section 62Q.01, subdivision 9, disabled children to the extent  
2.26 required in sections 62A.14 and 62A.141, and dependent grandchildren to the extent  
2.27 required in sections 62A.042 and 62A.302.

2.28 (1) ~~was a full-time student immediately prior to being ordered into active military~~  
2.29 ~~service, as defined in section 190.05, subdivision 5b or 5c;~~

2.30 (2) ~~has been separated or discharged from active military service; and~~

2.31 (3) ~~would be eligible to enroll as a dependent of an eligible employee, except that~~  
2.32 ~~the person is not a full-time student.~~

2.33 The definition of "full-time student" for purposes of this paragraph includes any student  
2.34 who by reason of illness, injury, or physical or mental disability as documented by  
2.35 a physician is unable to carry what the educational institution considers a full-time  
2.36 course load so long as the student's course load is at least 60 percent of what otherwise

3.1 ~~is considered by the institution to be a full-time course load. Any notice regarding~~  
3.2 ~~termination of coverage due to attainment of the limiting age must include information~~  
3.3 ~~about this definition of "full-time student."~~

3.4 (d) Beginning January 1, 2010, the health insurance benefit plans offered in the  
3.5 commissioner's plan under section 43A.18, subdivision 2, and the managerial plan under  
3.6 section 43A.18, subdivision 3, must include an option for a health plan that is compatible  
3.7 with the definition of a high-deductible health plan in section 223 of the United States  
3.8 Internal Revenue Code.

3.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

3.10 Sec. 2. Minnesota Statutes 2012, section 43A.317, subdivision 6, is amended to read:

3.12 procedures for eligible employees and other eligible individuals to apply for coverage  
3.13 through the program.

3.14 (b) **Employees.** An employer shall determine when it applies to the program the  
3.15 criteria its employees must meet to be eligible for coverage under its plan. An employer  
3.16 may subsequently change the criteria annually or at other times with approval of the  
3.17 commissioner. The criteria must provide that new employees become eligible for coverage  
3.18 after a probationary period of at least 30 days, but no more than 90 days.

3.19 (c) **Other individuals.** An employer may elect to cover under its plan:

3.20 (1) the spouse, dependent children to the limiting age as defined in section 62Q.01,  
3.21 subdivision 9, disabled children to the extent required in sections 62A.14 and 62A.141,  
3.22 and dependent grandchildren of a covered employee to the extent required in sections

3.30 62Q.01, subdivision 9, disabled children, and dependent grandchildren of a deceased  
3.31 employee or retiree, if the spouse, children, or grandchildren were covered at the time of  
3.32 the death;

3.33 (4) a covered employee who becomes disabled, as provided in sections 62A.147  
3.34 and 62A.148; or

4.1 (5) any other categories of individuals for whom group coverage is required by  
4.2 state or federal law.

4.3 An employer shall determine when it applies to the program the criteria individuals  
4.4 in these categories must meet to be eligible for coverage. An employer may subsequently  
4.5 change the criteria annually, or at other times with approval of the commissioner. The  
4.6 criteria for dependent children to the limiting age as defined in section 62Q.01, subdivision  
4.7 9, disabled children, and dependent grandchildren may be no more inclusive than the  
4.8 criteria under section 43A.18, subdivision 2. This paragraph shall not be interpreted  
4.9 as relieving the program from compliance with any federal and state continuation of  
4.10 coverage requirements.

4.11 (d) **Waiver and late entrance.** An eligible individual may waive coverage at the  
4.12 time the employer joins the program or when coverage first becomes available. The  
4.13 commissioner may establish a preexisting condition exclusion of not more than 18 months  
4.14 for late entrants as defined in section 62L.02, subdivision 19.

4.15 (e) **Continuation coverage.** The program shall provide all continuation coverage  
4.16 required by state and federal law.

4.31 under section 2794 of the Public Health Services Act and any amendments to, or  
4.32 regulations, or guidance issued under the act that are filed with the commissioner on or  
4.33 after September 1, 2011, the commissioner:

4.34 (1) may acknowledge receipt of the information;

4.35 (2) may acknowledge that the corresponding rate filing is pending review;

8.21 expressed therein.

8.22 (3) **One person.** It purports to insure only one person, except that a policy may  
8.23 insure, originally or by subsequent amendment, upon the application of an adult member  
8.24 of a family deemed the policyholder, any two or more eligible members of that family,  
8.25 including:

8.26 (a) husband,

8.30 ~~(e) (d)~~ any other person dependent upon the policyholder.

8.31 (4) **Appearance.** The style, arrangement, and overall appearance of the policy give  
8.32 no undue prominence to any portion of the text and every printed portion of the text of the  
8.33 policy and of any endorsements or attached papers is plainly printed in light-face type  
8.34 of a style in general use. The type size must be uniform and not less than ten point with

9.5 (5) **Description of policy.** The policy, on the first page, indicates or refers to its  
9.6 provisions for renewal or cancellation either in the brief description, if any, or by a separate  
9.7 statement printed in type not smaller than the type used for captions or a separate provision  
9.8 bearing a caption which accurately describes the renewability or cancelability of the policy.

9.9 (6) **Exceptions in policy.** The exceptions and reductions of indemnity are set  
9.10 forth in the policy and, except those which are set forth in section 62A.04, printed, at  
9.11 the insurer's option, either with the benefit provision to which they apply, or under an  
9.12 appropriate caption such as "EXCEPTIONS" or "EXCEPTIONS AND REDUCTIONS."  
9.13 However, if an exception or reduction specifically applies only to a particular benefit of  
9.14 the policy, a statement of the exception or reduction must be included with the benefit  
9.15 provision to which it applies.

9.20 unless the portion is set forth in full in the policy, except in the case of the incorporation  
9.21 of, or reference to, a statement of rates, classification of risks, or short rate table filed  
9.22 with the commissioner.

9.23 (9) **Medical benefits.** If the policy contains a provision for medical expense benefits,  
9.24 the term "medical benefits" or similar terms as used therein includes treatments by all  
9.25 licensed practitioners of the healing arts unless, subject to the qualifications contained in  
9.26 clause (10), the policy specifically states the practitioners whose services are covered.

9.27 (10) **Osteopath, optometrist, chiropractor, or registered nurse services.** With  
9.28 respect to any policy of individual accident and sickness insurance issued or entered  
9.29 into subsequent to August 1, 1974, notwithstanding the provisions of the policy, if it  
9.30 contains a provision providing for reimbursement for any service which is in the lawful  
9.31 scope of practice of a duly licensed osteopath, optometrist, chiropractor, or registered  
9.32 nurse meeting the requirements of section 62A.15, subdivision 3a, the person entitled to  
9.33 benefits or person performing services under the policy is entitled to reimbursement on an  
9.34 equal basis for the service, whether the service is performed by a physician, osteopath,  
9.35 optometrist, chiropractor, or registered nurse meeting the requirements of section 62A.15,

10.3 Subd. 2. **Required provisions.** Except as provided in subdivision 4 each such  
10.4 policy delivered or issued for delivery to any person in this state shall contain the  
10.5 provisions specified in this subdivision in the words in which the same appear in this  
10.6 section. The insurer may, at its option, substitute for one or more of such provisions  
10.7 corresponding provisions of different wording approved by the commissioner which are  
10.8 in each instance not less favorable in any respect to the insured or the beneficiary. Such  
10.9 provisions shall be preceded individually by the caption appearing in this subdivision or, at  
10.10 the option of the insurer, by such appropriate individual or group captions or subcaptions  
10.11 as the commissioner may approve.

10.12 (1) A provision as follows:

10.13 ENTIRE CONTRACT; CHANGES: This policy, including the endorsements and  
10.14 the attached papers, if any, constitutes the entire contract of insurance. No change in this  
10.15 policy shall be valid until approved by an executive officer of the insurer and unless such  
10.16 approval be endorsed hereon or attached hereto. No agent has authority to change this  
10.17 policy or to waive any of its provisions.

10.18 (2) A provision as follows:

10.19 TIME LIMIT ON CERTAIN DEFENSES: (a) After two years from the date of issue  
10.20 of this policy no misstatements, except fraudulent misstatements, made by the applicant  
10.21 in the application for such policy shall be used to void the policy or to deny a claim for  
10.22 loss incurred or disability (as defined in the policy) commencing after the expiration  
10.23 of such two year period.

10.24 The foregoing policy provision shall not be so construed as to affect any legal  
10.25 requirement for avoidance of a policy or denial of a claim during such initial two year  
10.26 period, nor to limit the application of clauses (1), (2), (3), (4) and (5), in the event of  
10.27 misstatement with respect to age or occupation or other insurance. A policy which the  
10.28 insured has the right to continue in force subject to its terms by the timely payment of  
10.29 premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at  
10.30 least five years from its date of issue, may contain in lieu of the foregoing the following  
10.31 provisions (from which the clause in parentheses may be omitted at the insurer's option)  
10.32 under the caption "INCONTESTABLE":

10.33 After this policy has been in force for a period of two years during the lifetime of  
10.34 the insured (excluding any period during which the insured is disabled), it shall become  
10.35 incontestable as to the statements contained in the application.

11.1 (b) No claim for loss incurred or disability (as defined in the policy) commencing after  
11.2 two years from the date of issue of this policy shall be reduced or denied on the ground that  
11.3 a disease or physical condition not excluded from coverage by name or specific description  
11.4 effective on the date of loss had existed prior to the effective date of coverage of this policy.

11.5 (3)(a) Except as required for qualified health plans sold through the Minnesota  
11.6 Insurance Marketplace to individuals receiving advance payments of the premium tax  
11.7 credit, a provision as follows:

11.8 GRACE PERIOD: A grace period of ..... (insert a number not less than "7" for  
11.9 weekly premium policies, "10" for monthly premium policies and "31" for all other  
11.10 policies) days will be granted for the payment of each premium falling due after the first  
11.11 premium, during which grace period the policy shall continue in force.

11.12 A policy which contains a cancellation provision may add, at the end of the above  
11.13 provision,

11.14 subject to the right of the insurer to cancel in accordance with the cancellation  
11.15 provision hereof.

11.16 A policy in which the insurer reserves the right to refuse any renewal shall have,  
11.17 at the beginning of the above provision,

11.18 Unless not less than five days prior to the premium due date the insurer has delivered  
11.19 to the insured or has mailed to the insured's last address as shown by the records of the  
11.20 insurer written notice of its intention not to renew this policy beyond the period for which  
11.21 the premium has been accepted.

11.22 (b) For qualified health plans sold through the Minnesota Insurance Marketplace  
11.23 to individuals receiving advance payments of the premium tax credit, a grace period  
11.24 provision must be included that complies with the Affordable Care Act and is no less  
11.25 restrictive than the grace period required by the Affordable Care Act.

11.26 (4) A provision as follows:

11.27 REINSTATEMENT: If any renewal premium be not paid within the time granted the  
11.28 insured for payment, a subsequent acceptance of premium by the insurer or by any agent  
11.29 duly authorized by the insurer to accept such premium, without requiring in connection  
11.30 therewith an application for reinstatement, shall reinstate the policy. If the insurer or  
11.31 such agent requires an application for reinstatement and issues a conditional receipt for  
11.32 the premium tendered, the policy will be reinstated upon approval of such application  
11.33 by the insurer or, lacking such approval, upon the forty-fifth day following the date of  
11.34 such conditional receipt unless the insurer has previously notified the insured in writing  
11.35 of its disapproval of such application. For health plans described in section 62A.011,  
11.36 subdivision 3, clause (10), an insurer must accept payment of a renewal premium and

12.1 reinstate the policy, if the insured applies for reinstatement no later than 60 days after the  
12.2 due date for the premium payment, unless:

12.3 (1) the insured has in the interim left the state or the insurer's service area; or

12.4 (2) the insured has applied for reinstatement on two or more prior occasions.

12.5 The reinstated policy shall cover only loss resulting from such accidental injury as  
12.6 may be sustained after the date of reinstatement and loss due to such sickness as may  
12.7 begin more than ten days after such date. In all other respects the insured and insurer shall  
12.8 have the same rights thereunder as they had under the policy immediately before the due  
12.9 date of the defaulted premium, subject to any provisions endorsed hereon or attached  
12.10 hereto in connection with the reinstatement. Any premium accepted in connection with  
12.11 a reinstatement shall be applied to a period for which premium has not been previously  
12.12 paid, but not to any period more than 60 days prior to the date of reinstatement. The last  
12.13 sentence of the above provision may be omitted from any policy which the insured has  
12.14 the right to continue in force subject to its terms by the timely payment of premiums  
12.15 (1) until at least age 50, or, (2) in the case of a policy issued after age 44, for at least  
12.16 five years from its date of issue.

12.17 (5) A provision as follows:

12.18 NOTICE OF CLAIM: Written notice of claim must be given to the insurer within  
12.19 20 days after the occurrence or commencement of any loss covered by the policy, or as  
12.20 soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or  
12.21 the beneficiary to the insurer at ..... (insert the location of such office as the insurer may  
12.22 designate for the purpose), or to any authorized agent of the insurer, with information  
12.23 sufficient to identify the insured, shall be deemed notice to the insurer.

12.24 In a policy providing a loss-of-time benefit which may be payable for at least two  
12.25 years, an insurer may at its option insert the following between the first and second  
12.26 sentences of the above provision:

12.27 Subject to the qualifications set forth below, if the insured suffers loss of time on  
12.28 account of disability for which indemnity may be payable for at least two years, the  
12.29 insured shall, at least once in every six months after having given notice of claim, give to  
12.30 the insurer notice of continuance of said disability, except in the event of legal incapacity.  
12.31 The period of six months following any filing of proof by the insured or any payment by  
12.32 the insurer on account of such claim or any denial of liability in whole or in part by the  
12.33 insurer shall be excluded in applying this provision. Delay in the giving of such notice  
12.34 shall not impair the insured's right to any indemnity which would otherwise have accrued  
12.35 during the period of six months preceding the date on which such notice is actually given.

12.36 (6) A provision as follows:

13.1 CLAIM FORMS: The insurer, upon receipt of a notice of claim, will furnish to the  
13.2 claimant such forms as are usually furnished by it for filing proofs of loss. If such forms  
13.3 are not furnished within 15 days after the giving of such notice the claimant shall be  
13.4 deemed to have complied with the requirements of this policy as to proof of loss upon  
13.5 submitting, within the time fixed in the policy for filing proofs of loss, written proof  
13.6 covering the occurrence, the character and the extent of the loss for which claim is made.

13.7 (7) A provision as follows:

13.8 PROOFS OF LOSS: Written proof of loss must be furnished to the insurer at its  
13.9 said office in case of claim for loss for which this policy provides any periodic payment  
13.10 contingent upon continuing loss within 90 days after the termination of the period for  
13.11 which the insurer is liable and in case of claim for any other loss within 90 days after the  
13.12 date of such loss. Failure to furnish such proof within the time required shall not invalidate  
13.13 nor reduce any claim if it was not reasonably possible to give proof within such time,  
13.14 provided such proof is furnished as soon as reasonably possible and in no event, except in  
13.15 the absence of legal capacity, later than one year from the time proof is otherwise required.

13.16 (8) A provision as follows:

13.17 TIME OF PAYMENT OF CLAIMS: Indemnities payable under this policy for  
13.18 any loss other than loss for which this policy provides periodic payment will be paid  
13.19 immediately upon receipt of due written proof of such loss. Subject to due written proof  
13.20 of loss, all accrued indemnities for loss for which this policy provides periodic payment  
13.21 will be paid ..... (insert period for payment which must not be less frequently than  
13.22 monthly) and any balance remaining unpaid upon the termination of liability will be paid  
13.23 immediately upon receipt of due written proof.

13.24 (9) A provision as follows:

13.25 PAYMENT OF CLAIMS: Indemnity for loss of life will be payable in accordance  
13.26 with the beneficiary designation and the provisions respecting such payment which may  
13.27 be prescribed herein and effective at the time of payment. If no such designation or  
13.28 provision is then effective, such indemnity shall be payable to the estate of the insured.  
13.29 Any other accrued indemnities unpaid at the insured's death may, at the option of the  
13.30 insurer, be paid either to such beneficiary or to such estate. All other indemnities will  
13.31 be payable to the insured.

13.32 The following provisions, or either of them, may be included with the foregoing  
13.33 provision at the option of the insurer:

13.34 If any indemnity of this policy shall be payable to the estate of the insured, or to an  
13.35 insured or beneficiary who is a minor or otherwise not competent to give a valid release,  
13.36 the insurer may pay such indemnity, up to an amount not exceeding \$..... (insert an amount

14.1 which shall not exceed \$1,000), to any relative by blood or connection by marriage of the  
14.2 insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any  
14.3 payment made by the insurer in good faith pursuant to this provision shall fully discharge  
14.4 the insurer to the extent of such payment.

14.5 Subject to any written direction of the insured in the application or otherwise all  
14.6 or a portion of any indemnities provided by this policy on account of hospital, nursing,  
14.7 medical, or surgical services may, at the insurer's option and unless the insured requests  
14.8 otherwise in writing not later than the time of filing proofs of such loss, be paid directly to  
14.9 the hospital or person rendering such services; but it is not required that the service be  
14.10 rendered by a particular hospital or person.

14.11 (10) A provision as follows:

14.12 PHYSICAL EXAMINATIONS AND AUTOPSY: The insurer at its own expense  
14.13 shall have the right and opportunity to examine the person of the insured when and as  
14.14 often as it may reasonably require during the pendency of a claim hereunder and to make  
14.15 an autopsy in case of death where it is not forbidden by law.

14.16 (11) A provision as follows:

14.17 LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this  
14.18 policy prior to the expiration of 60 days after written proof of loss has been furnished in  
14.19 accordance with the requirements of this policy. No such action shall be brought after the  
14.20 expiration of three years after the time written proof of loss is required to be furnished.

14.21 (12) A provision as follows:

14.22 CHANGE OF BENEFICIARY: Unless the insured makes an irrevocable designation  
14.23 of beneficiary, the right to change of beneficiary is reserved to the insured and the consent  
14.24 of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of  
14.25 this policy or to any change of beneficiary or beneficiaries, or to any other changes in  
14.26 this policy. The first clause of this provision, relating to the irrevocable designation of  
14.27 beneficiary, may be omitted at the insurer's option.

14.28 **EFFECTIVE DATE.** This section is effective January 1, 2014.

14.29 Sec. 15. Minnesota Statutes 2012, section 62A.047, is amended to read:

14.30 **62A.047 CHILDREN'S HEALTH SUPERVISION SERVICES AND**  
14.31 **PRENATAL CARE SERVICES.**

14.32 A policy of individual or group health and accident insurance regulated under this  
14.33 chapter, or individual or group subscriber contract regulated under chapter 62C, health  
14.34 maintenance contract regulated under chapter 62D, or health benefit certificate regulated

15.1 under chapter 64B, issued, renewed, or continued to provide coverage to a Minnesota  
15.2 resident, must provide coverage for child health supervision services and prenatal care  
15.3 services. The policy, contract, or certificate must specifically exempt reasonable and  
15.4 customary charges for child health supervision services and prenatal care services from a  
15.5 deductible, co-payment, or other coinsurance or dollar limitation requirement. Nothing  
15.6 in this section prohibits a health carrier that has a network of providers from imposing  
15.7 a deductible, co-payment, or other coinsurance or dollar limitation requirement for  
15.8 child health supervision services and prenatal care services that are delivered by an  
15.9 out-of-network provider. This section does not prohibit the use of policy waiting periods  
15.10 ~~or preexisting condition limitations~~ for these services. Minimum benefits may be limited  
15.11 to one visit payable to one provider for all of the services provided at each visit cited in  
15.12 this section subject to the schedule set forth in this section. Nothing in this section applies  
15.13 to a policy designed primarily to provide coverage payable on a per diem, fixed indemnity,  
15.14 or non-expense-incurred basis, or a policy that provides only accident coverage. A policy,  
15.15 contract, or certificate described under this section may not apply to preexisting condition  
15.16 limitations to individuals under 19 years of age. This section does not apply to individual  
15.17 coverage under a grandfathered plan.

15.18 "Child health supervision services" means pediatric preventive services, appropriate  
15.19 immunizations, developmental assessments, and laboratory services appropriate to the age  
15.20 of a child from birth to age six, and appropriate immunizations from ages six to 18, as  
15.21 defined by Standards of Child Health Care issued by the American Academy of Pediatrics.  
15.22 Reimbursement must be made for at least five child health supervision visits from birth  
15.23 to 12 months, three child health supervision visits from 12 months to 24 months, once a  
15.24 year from 24 months to 72 months.

15.25 "Prenatal care services" means the comprehensive package of medical and  
15.26 psychosocial support provided throughout the pregnancy, including risk assessment,  
15.27 serial surveillance, prenatal education, and use of specialized skills and technology,  
15.28 when needed, as defined by Standards for Obstetric-Gynecologic Services issued by the  
15.29 American College of Obstetricians and Gynecologists.

15.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

15.31 Sec. 16. Minnesota Statutes 2012, section 62A.049, is amended to read:

15.32 **62A.049 LIMITATION ON PREAUTHORIZATIONS; EMERGENCIES.**

15.33 No policy of accident and sickness insurance or group subscriber contract regulated  
15.34 under chapter 62C issued or renewed in this state may contain a provision that makes an

16.1 insured person ineligible to receive full benefits because of the insured's failure to obtain  
16.2 preauthorization, if that failure occurs because of the need for emergency confinement  
16.3 or emergency treatment. The insured or an authorized representative of the insured shall  
16.4 notify the insurer as soon after the beginning of emergency confinement or emergency  
16.5 treatment as reasonably possible. However, to the extent that the insurer suffers actual  
16.6 prejudice caused by the failure to obtain preauthorization, the insured may be denied all or  
16.7 part of the insured's benefits. ~~This provision does not apply to admissions for treatment of~~  
16.8 ~~chemical dependency and nervous and mental disorders.~~

16.9 **EFFECTIVE DATE.** This section is effective January 1, 2014.

16.10 Sec. 17. Minnesota Statutes 2012, section 62A.136, is amended to read:

16.11 **62A.136 HEARING, DENTAL, AND VISION PLAN COVERAGE.**

16.12 The following provisions do not apply to health plans as defined in section 62A.011,  
16.13 subdivision 3, clause (6), providing hearing, dental, or vision coverage only: sections  
16.14 62A.041; 62A.0411; 62A.047; 62A.149; 62A.151; 62A.152; 62A.154; 62A.155; 62A.17,  
16.15 subdivision 6; 62A.21, subdivision 2b; 62A.26; 62A.28; 62A.285; 62A.30; 62A.304; and  
16.16 62A.3093; and 62E.16.

16.17 **EFFECTIVE DATE.** This section is effective January 1, 2014.

16.18 Sec. 18. Minnesota Statutes 2012, section 62A.149, subdivision 1, is amended to read:

16.19 Subdivision 1. **Application.** The provisions of this section apply to all group  
16.20 policies of accident and health insurance and group subscriber contracts offered by  
16.21 nonprofit health service plan corporations regulated under chapter 62C, and to a plan or  
16.22 policy that is individually underwritten or provided for a specific individual and family  
16.23 members as a nongroup policy ~~unless the individual elects in writing to refuse benefits~~  
16.24 ~~under this subdivision in exchange for an appropriate reduction in premiums or subscriber~~  
16.25 ~~charges under the policy or plan~~, when the policies or subscriber contracts are issued or  
16.26 delivered in Minnesota or provide benefits to Minnesota residents enrolled thereunder.

16.27 This section does not apply to policies designed primarily to provide coverage  
16.28 payable on a per diem, fixed indemnity or nonexpense incurred basis or policies that  
16.29 provide accident only coverage.

16.30 Every insurance policy or subscriber contract included within the provisions of this  
16.31 subdivision, upon issuance or renewal, shall provide coverage that complies with the  
16.32 requirements of section 62Q.47, paragraphs (b) and (c), for the treatment of alcoholism,  
16.33 chemical dependency or drug addiction to any Minnesota resident entitled to coverage.

17.1 **EFFECTIVE DATE.** This section is effective January 1, 2014.

17.2 Sec. 19. Minnesota Statutes 2012, section 62A.17, subdivision 2, is amended to read:

17.3 Subd. 2. **Responsibility of employee.** Every covered employee electing to continue  
17.4 coverage shall pay the former employer, on a monthly basis, the cost of the continued  
17.5 coverage. The policy, contract, or plan must require the group policyholder or contract  
17.6 holder to, upon request, provide the employee with written verification from the insurer  
17.7 of the cost of this coverage promptly at the time of eligibility for this coverage and at  
17.8 any time during the continuation period. If the policy, contract, or health care plan is  
17.9 administered by a trust, every covered employee electing to continue coverage shall pay  
17.10 the trust the cost of continued coverage according to the eligibility rules established by the  
17.11 trust. In no event shall the amount of premium charged exceed 102 percent of the cost  
17.12 to the plan for such period of coverage for similarly situated employees with respect to  
17.13 whom neither termination nor layoff has occurred, without regard to whether such cost  
17.14 is paid by the employer or employee. The employee shall be eligible to continue the  
17.15 coverage until the employee becomes covered under another group health plan, or for a  
17.16 period of 18 months after the termination of or lay off from employment, whichever is  
17.17 shorter. For an individual age 19 or older, if the employee becomes covered under another  
17.18 group policy, contract, or health plan and the new group policy, contract, or health plan  
17.19 contains any preexisting condition limitations, the employee may, subject to the 18-month  
17.20 maximum continuation limit, continue coverage with the former employer until the  
17.21 preexisting condition limitations have been satisfied. The new policy, contract, or health  
17.22 plan is primary except as to the preexisting condition. In the case of a newborn child who  
17.23 is a dependent of the employee, the new policy, contract, or health plan is primary upon  
17.24 the date of birth of the child, regardless of which policy, contract, or health plan coverage  
17.25 is deemed primary for the mother of the child.

17.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

17.30 ~~provision allowing a covered employee, surviving spouse, or dependent at the expiration~~

18.9 ~~by this section shall also include a provision allowing a former employee, surviving~~  
18.10 ~~spouse, or dependent at the expiration of the posttermination or layoff coverage provided~~  
18.11 ~~in subdivision 2 to obtain from the health maintenance organization, at the former~~

18.21 ~~by the employee, the spouse, or a dependent in lieu of the optional coverage otherwise~~

 19.6 January 1, 2014, shall be renewable at the option of the covered person as long as the  
 19.7 covered person is not covered under another qualified plan as defined in section 62E.02,  
 19.8 subdivision 4. Any revisions in the table of rate for the individual policy shall apply to the  
 19.9 covered person's original age at entry and shall apply equally to all similar conversion  
 19.10 policies issued by the insurer.

19.11 ~~A policy providing reduced benefits at a reduced premium rate may be accepted by~~  
 19.12 ~~the covered person in lieu of the optional coverage otherwise required by this subdivision.~~

19.13 **EFFECTIVE DATE.** This section is effective January 1, 2014.

19.14 Sec. 22. Minnesota Statutes 2012, section 62A.28, subdivision 2, is amended to read:

19.15 Subd. 2. **Required coverage.** Every policy, plan, certificate, or contract referred to  
 19.16 in subdivision 1 issued or renewed after August 1, 1987, must provide coverage for scalp  
 19.17 hair prostheses worn for hair loss suffered as a result of alopecia areata.

19.18 The coverage required by this section is subject to the co-payment, coinsurance,  
 19.19 deductible, and other enrollee cost-sharing requirements that apply to similar types of  
 19.20 items under the policy, plan, certificate, or contract, ~~and is limited to a maximum of \$350~~  
 19.21 ~~in any benefit year~~ and may be limited to one prosthesis per benefit year.

19.22 **EFFECTIVE DATE.** This section is effective January 1, 2014.

19.23 Sec. 23. Minnesota Statutes 2012, section 62A.302, is amended to read:

19.24 **62A.302 COVERAGE OF DEPENDENTS.**

19.25 Subdivision 1. **Scope of coverage.** This section applies to:

19.26 (1) a health plan as defined in section 62A.011; and

19.27 ~~(2) coverage described in section 62A.011, subdivision 3, clauses (4), (6), (7), (8),~~  
 19.28 ~~(9), and (10); and~~

19.29 ~~(3)~~ (2) a policy, contract, or certificate issued by a community integrated service  
 19.30 network licensed under chapter 62N.

19.31 Subd. 2. **Required coverage.** Every health plan included in subdivision 1 that  
 19.32 provides dependent coverage must define "dependent" no more restrictively than the  
 19.33 definition provided in section 62L.02, subdivision 11.

20.1 Subd. 3. **No additional restrictions permitted.** Any health plan included in  
20.2 subdivision 1 that provides dependent coverage of children shall make that coverage  
20.3 available to children until the child attains 26 years of age. A health carrier must not place  
20.4 restrictions on this coverage and must comply with the following requirements:

20.5 (1) with respect to a child who has not attained 26 years of age, a health carrier shall  
20.6 not define dependent for purposes of eligibility for dependent coverage of children other  
20.7 than the terms of a relationship between a child and the enrollee or spouse of the enrollee;

20.8 (2) a health carrier must not deny or restrict coverage for a child who has not attained  
20.9 26 years of age based on (i) the presence or absence of the child's financial dependency upon  
20.10 the participant, primary subscriber, or any other person; (ii) residency with the participant  
20.11 and in the individual market the primary subscriber, or with any other person; (iii) marital  
20.12 status; (iv) student status; (v) employment; or (vi) any combination of those factors; and

20.13 (3) a health carrier must not deny or restrict coverage of a child based on eligibility  
20.14 for other coverage, except as provided in subdivision 5.

20.15 Subd. 4. **Grandchildren.** Nothing in this section requires a health carrier to make  
20.16 coverage available for a grandchild, unless the grandparent becomes the legal guardian  
20.17 or adoptive parent of that grandchild or unless the grandchild meets the requirements  
20.18 of section 62A.042. For grandchildren included under a grandparent's policy pursuant  
20.19 to section 62A.042, coverage for the grandchild may terminate if the grandchild does  
20.20 not continue to reside with the covered grandparent continuously from birth, if the  
20.21 grandchild does not remain financially dependent upon the covered grandparent, or when  
20.22 the grandchild reaches age 25, except as provided in section 62A.14 or if coverage is  
20.23 continued under section 62A.20.

20.24 Subd. 5. **Terms of coverage of dependents.** The terms of coverage in a health plan  
20.25 offered by a health carrier providing dependent coverage of children cannot vary based on  
20.26 age except for children who are 26 years of age or older.

20.27 Subd. 6. **Opportunity to enroll.** A health carrier must comply with all provisions  
20.28 of the Affordable Care Act in regards to providing an opportunity to enroll in coverage to  
20.29 any child whose coverage ended, or was not eligible for coverage under a group health  
20.30 plan or individual health plan because, under the terms of the coverage, the availability of  
20.31 dependent coverage of a child ended before age 26.

20.32 Subd. 7. **Grandfathered plan coverage.** (a) For plan years beginning before  
20.33 January 1, 2014, a group health plan that is a grandfathered plan and makes available  
20.34 dependent coverage of children may exclude an adult child who has not attained 26  
20.35 years of age from coverage only if the adult child is eligible to enroll in an eligible

21.1 employer-sponsored health benefit plan, as defined in section 5000A(f)(2) of the Internal  
 21.2 Revenue Code, other than the group health plan of a parent.

21.3 (b) For plan years beginning on or after January 1, 2014, a group health plan that is a  
 21.4 grandfathered plan must comply with all requirements of this section.

21.5 Subd. 8. **Compliance.** This section does not require compliance with any provision  
 21.6 of the Affordable Care Act before the effective date provided for that provision in the  
 21.7 Affordable Care Act.

21.8 Subd. 9. **Enforcement.** The commissioner shall enforce this section.

21.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.10 Sec. 24. **[62A.3021] COVERAGE OF DEPENDENTS BY PLANS OTHER THAN**  
 21.11 **HEALTH PLANS.**

21.12 Subdivision 1. **Scope of coverage.** This section applies to coverage described in  
 21.13 section 62A.011, subdivision 3, clauses (4), (6), (7), (8), (9), and (10).

21.14 Subd. 2. **Dependent.** "Dependent" means an eligible employee's spouse, unmarried  
 21.15 child who is under the age of 25, dependent child of any age who is disabled and who  
 21.16 meets the eligibility criteria in section 62A.14, subdivision 2, or any other person whom  
 21.17 state or federal law requires to be treated as a dependent for purposes of health plans. For  
 21.18 the purpose of this definition, a child includes a child for whom the employee or the  
 21.19 employee's spouse has been appointed legal guardian and an adoptive child as provided in  
 21.20 section 62A.27. A child also includes grandchildren as provided in section 62A.042 with  
 21.21 continued eligibility of grandchildren as provided in section 62A.302, subdivision 4.

21.22 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.23 Sec. 25. Minnesota Statutes 2012, section 62A.615, is amended to read:

21.24 **62A.615 PREEXISTING CONDITIONS DISCLOSED AT TIME OF**  
 21.25 **APPLICATION.**

21.26 No insurer may cancel or rescind a health insurance policy for a preexisting condition  
 21.27 of which the application or other information provided by the insured reasonably gave  
 21.28 the insurer notice. No insurer may restrict coverage for a preexisting condition of which  
 21.29 the application or other information provided by the insured reasonably gave the insurer  
 21.30 notice unless the coverage is restricted at the time the policy is issued and the restriction is  
 21.31 disclosed in writing to the insured at the time the policy is issued. In addition, no health plan  
 21.32 may restrict coverage for a preexisting condition for an individual who is under 19 years  
 21.33 of age. This section does not apply to individual health plans that are grandfathered plans.

22.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

22.2 Sec. 26. Minnesota Statutes 2012, section 62A.65, subdivision 3, is amended to read:

22.3 Subd. 3. **Premium rate restrictions.** No individual health plan may be offered,  
22.4 sold, issued, or renewed to a Minnesota resident unless the premium rate charged is  
22.5 determined in accordance with the following requirements:

22.6 ~~(a) Premium rates must be no more than 25 percent above and no more than 25~~  
22.7 ~~percent below the index rate charged to individuals for the same or similar coverage,~~  
22.8 ~~adjusted pro rata for rating periods of less than one year. The premium variations~~  
22.9 ~~permitted by this paragraph must be based only upon health status, claims experience,~~  
22.10 ~~and occupation. For purposes of this paragraph, health status includes refraining from~~  
22.11 ~~tobacco use or other actuarially valid lifestyle factors associated with good health,~~  
22.12 ~~provided that the lifestyle factor and its effect upon premium rates have been determined~~  
22.13 ~~by the commissioner to be actuarially valid and have been approved by the commissioner.~~  
22.14 ~~Variations permitted under this paragraph must not be based upon age or applied~~  
22.15 ~~differently at different ages. This paragraph does not prohibit use of a constant percentage~~  
22.16 ~~adjustment for factors permitted to be used under this paragraph.~~

22.17 ~~(b) (a) Premium rates may vary based upon the ages of covered persons only as~~  
22.18 ~~provided in this paragraph. In addition to the variation permitted under paragraph (a), each~~  
22.19 ~~health carrier may use an additional premium variation based upon age of up to plus or~~  
22.20 ~~minus 50 percent of the index rate in accordance with the provisions of the Affordable~~  
22.21 ~~Care Act.~~

22.22 ~~(c) A health carrier may request approval by the commissioner to establish separate~~  
22.23 ~~geographic regions determined by the health carrier and to establish separate index rates~~  
22.24 ~~for each such region.~~

22.25 (b) Premium rates may vary based upon geographic rating area. The commissioner  
22.26 shall grant approval if the following conditions are met:

22.27 (1) ~~the geographic regions must be applied uniformly by the health carrier~~ the areas  
22.28 are established in accordance with the Affordable Care Act;

22.29 (2) each geographic region must be composed of no fewer than seven counties that  
22.30 create a contiguous region; and

22.31 (3) the health carrier provides actuarial justification acceptable to the commissioner  
22.32 for the proposed geographic variations in ~~index rates~~ premium rates for each area,  
22.33 establishing that the variations are based upon differences in the cost to the health carrier  
22.34 of providing coverage.

23.1 ~~(d) Health carriers may use rate cells and must file with the commissioner the rate~~  
23.2 ~~cells they use. Rate cells must be based upon the number of adults or children covered~~  
23.3 ~~under the policy and may reflect the availability of Medicare coverage. The rates for~~  
23.4 ~~different rate cells must not in any way reflect generalized differences in expected costs~~  
23.5 ~~between principal insureds and their spouses.~~

23.6 (c) Premium rates may vary based upon tobacco use, in accordance with the  
23.7 provisions of the Affordable Care Act.

23.8 ~~(e)~~ (d) In developing its index rates and premiums for a health plan, a health carrier  
23.9 shall take into account only the following factors:

23.10 (1) actuarially valid differences in rating factors permitted under paragraphs (a)  
23.11 and ~~(b)~~ (c); and

23.12 (2) actuarially valid geographic variations if approved by the commissioner as  
23.13 provided in paragraph ~~(e)~~ (b).

23.14 (e) The premium charged with respect to any particular individual health plan shall  
23.15 not be adjusted more frequently than annually or January 1 of the year following initial  
23.16 enrollment, except that the premium rates may be changed to reflect:

23.17 (1) changes to the family composition of the policyholder;

23.18 (2) changes in geographic rating area of the policyholder, as provided in paragraph  
23.19 (b);

23.20 (3) changes in age, as provided in paragraph (a);

23.21 (4) changes in tobacco use, as provided in paragraph (c);

23.22 (5) transfer to a new health plan requested by the policyholder; or

23.23 (6) other changes required by or otherwise expressly permitted by state or federal  
23.24 law or regulations.

23.25 (f) All premium variations must be justified in initial rate filings and upon request of  
23.26 the commissioner in rate revision filings. All rate variations are subject to approval by  
23.27 the commissioner.

23.28 (g) The loss ratio must comply with the section 62A.021 requirements for individual  
23.29 health plans.

23.30 (h) The rates must not be approved, unless the commissioner has determined that the  
23.31 rates are reasonable. In determining reasonableness, the commissioner shall consider the  
23.32 growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar  
23.33 year or years that the proposed premium rate would be in effect; and actuarially valid  
23.34 changes in risks associated with the enrollee populations, ~~and actuarially valid changes as~~  
23.35 ~~a result of statutory changes in Laws 1992, chapter 549.~~

24.1 (i) ~~An insurer~~ A health carrier may, as part of a minimum lifetime loss ratio  
24.2 guarantee filing under section 62A.02, subdivision 3a, include a rating practices guarantee  
24.3 as provided in this paragraph. The rating practices guarantee must be in writing and  
24.4 must guarantee that the policy form will be offered, sold, issued, and renewed only with  
24.5 premium rates and premium rating practices that comply with subdivisions 2, 3, 4, and 5.  
24.6 The rating practices guarantee must be accompanied by an actuarial memorandum that  
24.7 demonstrates that the premium rates and premium rating system used in connection with  
24.8 the policy form will satisfy the guarantee. The guarantee must guarantee refunds of any  
24.9 excess premiums to policyholders charged premiums that exceed those permitted under  
24.10 subdivision 2, 3, 4, or 5. ~~An insurer~~ A health carrier that complies with this paragraph in  
24.11 connection with a policy form is exempt from the requirement of prior approval by the  
24.12 commissioner under paragraphs ~~(e)~~ (b), (f), and (h).

24.13 (j) The commissioner may establish regulations to implement the provisions of  
24.14 this subdivision.

24.15 **EFFECTIVE DATE.** This section is effective January 1, 2014.

24.16 Sec. 27. Minnesota Statutes 2012, section 62A.65, is amended by adding a subdivision  
24.17 to read:

24.18 Subd. 3a. **Disclosure.** (a) In connection with the offering for sale of a health plan  
24.19 in the individual market, a health carrier shall make a reasonable disclosure, as part of  
24.20 its solicitation and sales materials, of all of the following:

24.21 (1) the provisions of the coverage concerning the health carrier's right to change  
24.22 premium rates and the factors that may affect changes in premium rates; and

24.23 (2) a listing of and descriptive information, including benefits and premiums, about  
24.24 all individual health plans actively marketed by the health carrier and the availability of  
24.25 the individual health plans for which the individual is qualified.

24.26 (b) Paragraph (a), clause (1), may be satisfied by referring individuals to the Health  
24.27 and Human Services Web portal, as defined under the Affordable Care Act.

24.28 Sec. 28. Minnesota Statutes 2012, section 62A.65, is amended by adding a subdivision  
24.29 to read:

24.30 Subd. 3b. **Single risk pool.** A health carrier shall consider all enrollees in all health  
24.31 plans, other than short-term and grandfathered plan coverage, offered by the health carrier  
24.32 in the individual market, including those enrollees who enroll in qualified health plans  
24.33 offered through the Minnesota Insurance Marketplace, to be members of a single risk pool.

25.1 Sec. 29. Minnesota Statutes 2012, section 62A.65, subdivision 5, is amended to read:

25.2 Subd. 5. **Portability and conversion of coverage.** (a) For plan years beginning  
25.3 on or after January 1, 2014, no individual health plan may be offered, sold, issued, or  
25.4 ~~with respect to children age 18 or under~~ renewed, to a Minnesota resident that contains a  
25.5 preexisting condition limitation, preexisting condition exclusion, or exclusionary rider;  
25.6 ~~unless the limitation or exclusion is permitted under this subdivision and under chapter~~  
25.7 ~~62L, provided that, except for children age 18 or under, underwriting restrictions may~~  
25.8 ~~be retained on individual contracts that are issued without evidence of insurability as a~~  
25.9 ~~replacement for prior individual coverage that was sold before May 17, 1993.~~ The An  
25.10 individual age 19 or older may be subjected to an 18-month preexisting condition limitation  
25.11 during plan years beginning prior to January 1, 2014, unless the individual has maintained  
25.12 continuous coverage as defined in section 62L.02. The individual must not be subjected to  
25.13 an exclusionary rider. During plan years beginning prior to January 1, 2014, an individual  
25.14 who is age 19 or older and who has maintained continuous coverage may be subjected to a  
25.15 onetime preexisting condition limitation of up to 12 months, with credit for time covered  
25.16 under qualifying coverage as defined in section 62L.02, at the time that the individual first  
25.17 is covered under an individual health plan by any health carrier. Credit must be given for  
25.18 all qualifying coverage with respect to all preexisting conditions, regardless of whether  
25.19 the conditions were preexisting with respect to any previous qualifying coverage. The  
25.20 individual must not be subjected to an exclusionary rider. Thereafter, the individual who is  
25.21 age 19 or older must not be subject to any preexisting condition limitation, preexisting  
25.22 condition exclusion, or exclusionary rider under an individual health plan by any health  
25.23 carrier, except an unexpired portion of a limitation under prior coverage, so long as the  
25.24 individual maintains continuous coverage as defined in section 62L.02. The prohibition on  
25.25 preexisting condition limitations for children age 18 or under does not apply to individual  
25.26 health plans that are grandfathered plans. The prohibition on preexisting condition  
25.27 limitations for adults age 19 and over beginning for plan years on or after January 1, 2014,  
25.28 does not apply to individual health plans that are grandfathered plans.

25.29 (b) A health carrier must offer an individual health plan to any individual previously  
25.30 covered under a group health plan issued by that health carrier, regardless of the size of  
25.31 the group, so long as the individual maintained continuous coverage as defined in section  
25.32 62L.02. If the individual has available any continuation coverage provided under sections  
25.33 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; 62A.21; 62C.142; 62D.101; or  
25.34 62D.105, or continuation coverage provided under federal law, the health carrier need not  
25.35 offer coverage under this paragraph until the individual has exhausted the continuation  
25.36 coverage. The offer must not be subject to underwriting, except as permitted under this

26.1 paragraph. A health plan issued under this paragraph must be a qualified plan as defined  
26.2 in section 62E.02 and must not contain any preexisting condition limitation, preexisting  
26.3 condition exclusion, or exclusionary rider, except for any unexpired limitation or  
26.4 exclusion under the previous coverage. The individual health plan must cover pregnancy  
26.5 on the same basis as any other covered illness under the individual health plan. The offer  
26.6 of coverage by the health carrier must inform the individual that the coverage, including  
26.7 what is covered and the health care providers from whom covered care may be obtained,  
26.8 may not be the same as the individual's coverage under the group health plan. The offer  
26.9 of coverage by the health carrier must also inform the individual that the individual, if  
26.10 a Minnesota resident, may be eligible to obtain coverage from (i) other private sources  
26.11 of health coverage, or (ii) the Minnesota Comprehensive Health Association, without a  
26.12 preexisting condition limitation, and must provide the telephone number used by that  
26.13 association for enrollment purposes. The initial premium rate for the individual health  
26.14 plan must comply with subdivision 3. The premium rate upon renewal must comply with  
26.15 subdivision 2. In no event shall the premium rate exceed 100 percent of the premium  
26.16 charged for comparable individual coverage by the Minnesota Comprehensive Health  
26.17 Association, and the premium rate must be less than that amount if necessary to otherwise  
26.18 comply with this section. ~~An individual health plan offered under this paragraph to a~~  
26.19 ~~person satisfies the health carrier's obligation to offer conversion coverage under section~~  
26.20 ~~62E.16, with respect to that person.~~ Coverage issued under this paragraph must provide  
26.21 that it cannot be canceled or nonrenewed as a result of the health carrier's subsequent  
26.22 decision to leave the individual, small employer, or other group market. Section 72A.20,  
26.23 subdivision 28, applies to this paragraph.

26.24 **EFFECTIVE DATE.** This section is effective the day following final enactment,  
26.25 except that the amendment to paragraph (b) is effective January 1, 2014.

26.26 Sec. 30. Minnesota Statutes 2012, section 62A.65, subdivision 6, is amended to read:

26.27 Subd. 6. **Guaranteed issue not required.** (a) Nothing in this section requires a  
26.28 health carrier to initially issue a health plan to a Minnesota resident who is age 19 or older  
26.29 on the date the health plan becomes effective if the effective date is prior to January 1,  
26.30 2014, except as otherwise expressly provided in subdivision 4 or 5.

26.31 (b) Guaranteed issue is required for all health plans, except grandfathered plans,  
26.32 beginning January 1, 2014.

26.33 **EFFECTIVE DATE.** This section is effective the day following final enactment.

27.1 Sec. 31. Minnesota Statutes 2012, section 62A.65, subdivision 7, is amended to read:

27.2 Subd. 7. **Short-term coverage.** (a) For purposes of this section, "short-term  
27.3 coverage" means an individual health plan that:

27.4 (1) is issued to provide coverage for a period of 185 days or less, except that the  
27.5 health plan may permit coverage to continue until the end of a period of hospitalization  
27.6 for a condition for which the covered person was hospitalized on the day that coverage  
27.7 would otherwise have ended;

27.8 (2) is nonrenewable, provided that the health carrier may provide coverage for one or  
27.9 more subsequent periods that satisfy clause (1), if the total of the periods of coverage do not  
27.10 exceed a total of 365 days out of any 555-day period, plus any additional days covered as a  
27.11 result of hospitalization on the day that a period of coverage would otherwise have ended;

27.12 (3) does not cover any preexisting conditions, including ones that originated during  
27.13 a previous identical policy or contract with the same health carrier where coverage was  
27.14 continuous between the previous and the current policy or contract; and

27.15 (4) is available with an immediate effective date without underwriting upon receipt  
27.16 of a completed application indicating eligibility under the health carrier's eligibility  
27.17 requirements, provided that coverage that includes optional benefits may be offered on a  
27.18 basis that does not meet this requirement.

27.19 (b) Short-term coverage is not subject to subdivisions 2 and 5. Short-term coverage  
27.20 may exclude as a preexisting condition any injury, illness, or condition for which the  
27.21 covered person had medical treatment, symptoms, or any manifestations before the  
27.22 effective date of the coverage, but dependent children born or placed for adoption during  
27.23 the policy period must not be subject to this provision.

27.24 (c) Notwithstanding subdivision 3, and section 62A.021, a health carrier may  
27.25 combine short-term coverage with its most commonly sold individual qualified plan, as  
27.26 defined in section 62E.02, other than short-term coverage, for purposes of complying  
27.27 with the loss ratio requirement.

27.28 (d) The 365-day coverage limitation provided in paragraph (a) applies to the total  
27.29 number of days of short-term coverage that covers a person, regardless of the number of  
27.30 policies, contracts, or health carriers that provide the coverage. A written application for  
27.31 short-term coverage must ask the applicant whether the applicant has been covered by  
27.32 short-term coverage by any health carrier within the 555 days immediately preceding the  
27.33 effective date of the coverage being applied for. Short-term coverage issued in violation  
27.34 of the 365-day limitation is valid until the end of its term and does not lose its status as  
27.35 short-term coverage, in spite of the violation. A health carrier that knowingly issues  
27.36 short-term coverage in violation of the 365-day limitation is subject to the administrative

28.1 penalties otherwise available to the commissioner of commerce or the commissioner  
28.2 of health, as appropriate.

28.3 ~~(e) Time spent under short-term coverage counts as time spent under a preexisting~~  
28.4 ~~condition limitation for purposes of group or individual health plans, other than short-term~~  
28.5 ~~coverage, subsequently issued to that person, or to cover that person, by any health carrier,~~  
28.6 ~~if the person maintains continuous coverage as defined in section 62L.02. Short-term~~  
28.7 ~~coverage is a health plan and is qualifying coverage as defined in section 62L.02.~~

#### 30.11 ENROLLEE INFORMATION

30.12 (1) COVERED SERVICES: Services provided by (name of health maintenance  
30.13 organization) will be covered only if services are provided by participating (name of  
30.14 health maintenance organization) providers or authorized by (name of health maintenance  
30.15 organization). Your contract fully defines what services are covered and describes  
30.16 procedures you must follow to obtain coverage.

30.17 (2) PROVIDERS: Enrolling in (name of health maintenance organization) does not  
30.18 guarantee services by a particular provider on the list of providers. When a provider is  
30.19 no longer part of (name of health maintenance organization), you must choose among  
30.20 remaining (name of the health maintenance organization) providers.

30.21 (3) REFERRALS: Certain services are covered only upon referral. See section  
30.22 (section number) of your contract for referral requirements. All referrals to non-(name of  
30.23 health maintenance organization) providers and certain types of health care providers must  
30.24 be authorized by (name of health maintenance organization).

30.25 (4) EMERGENCY SERVICES: Emergency services from providers who are not  
30.26 affiliated with (name of health maintenance organization) will be covered ~~only if proper~~  
30.27 ~~procedures are followed~~. Your contract explains the procedures and benefits associated  
30.28 with emergency care from (name of health maintenance organization) and non-(name of  
30.29 health maintenance organization) providers.

30.30 (5) EXCLUSIONS: Certain services or medical supplies are not covered. You  
30.31 should read the contract for a detailed explanation of all exclusions.

30.33 organization contract or continue coverage under certain circumstances. These  
30.34 continuation and conversion rights are explained fully in your contract.

31.2 maintenance organization) only under certain conditions. Your contract describes all  
31.3 reasons for cancellation of coverage.

31.4 (8) NEWBORN COVERAGE: If your health plan provides for dependent coverage,  
31.5 a newborn infant is covered from birth, but only if services are provided by participating  
31.6 (name of health maintenance organization) providers or authorized by (name of health  
31.7 maintenance organization). Certain services are covered only upon referral. (Name  
31.8 of health maintenance organization) will not automatically know of the infant's birth  
31.9 or that you would like coverage under your plan. You should notify (name of health  
31.10 maintenance organization) of the infant's birth and that you would like coverage. If your  
31.11 contract requires an additional premium for each dependent, (name of health maintenance  
31.12 organization) is entitled to all premiums due from the time of the infant's birth until the  
31.13 time you notify (name of health maintenance organization) of the birth. (Name of health

31.15 infant until any premiums you owe are paid.

31.16 (9) PRESCRIPTION DRUGS AND MEDICAL EQUIPMENT: Enrolling in (name  
31.17 of health maintenance organization) does not guarantee that any particular prescription  
31.18 drug will be available nor that any particular piece of medical equipment will be available,  
31.19 even if the drug or equipment is available at the start of the contract year.

37.22 make effective the provisions and purposes of sections 62E.01 to 62E.19.

37.23 **EFFECTIVE DATE.** This section is effective January 1, 2014.

37.24 Sec. 42. Minnesota Statutes 2012, section 62E.10, subdivision 7, is amended to read:

37.25 Subd. 7. **General powers.** The association may:

37.26 (a) Exercise the powers granted to insurers under the laws of this state;

37.27 (b) Sue or be sued;

37.28 (c) Enter into contracts with insurers, similar associations in other states or with  
37.29 other persons for the performance of administrative functions including the functions  
37.30 provided for in clauses (e) and (f);

37.31 (d) Establish administrative and accounting procedures for the operation of the  
37.32 association;

38.1 (e) Provide for the reinsuring of risks incurred as a result of issuing the coverages  
38.2 required by ~~sections~~ section 62E.04 and 62E.16 by members of the association. Each  
38.3 member which elects to reinsure its required risks shall determine the categories of  
38.4 coverage it elects to reinsure in the association. The categories of coverage are:

- 38.5 (1) individual qualified plans, excluding group conversions;  
38.6 (2) group conversions;  
38.7 (3) group qualified plans with fewer than 50 employees or members; and  
38.8 (4) major medical coverage.

38.9 A separate election may be made for each category of coverage. If a member elects  
38.10 to reinsure the risks of a category of coverage, it must reinsure the risk of the coverage  
38.11 of every life covered under every policy issued in that category. A member electing to  
38.12 reinsure risks of a category of coverage shall enter into a contract with the association  
38.13 establishing a reinsurance plan for the risks. This contract may include provision for  
38.14 the pooling of members' risks reinsured through the association and it may provide for  
38.15 assessment of each member reinsuring risks for losses and operating and administrative  
38.16 expenses incurred, or estimated to be incurred in the operation of the reinsurance plan. This  
38.17 reinsurance plan shall be approved by the commissioner before it is effective. Members  
38.18 electing to administer the risks which are reinsured in the association shall comply with the  
38.19 benefit determination guidelines and accounting procedures established by the association.  
38.20 The fee charged by the association for the reinsurance of risks shall not be less than 110  
38.21 percent of the total anticipated expenses incurred by the association for the reinsurance; and

38.22 (f) Provide for the administration by the association of policies which are reinsured  
38.23 pursuant to clause (e). Each member electing to reinsure one or more categories of  
38.24 coverage in the association may elect to have the association administer the categories of  
38.25 coverage on the member's behalf. If a member elects to have the association administer  
38.26 the categories of coverage, it must do so for every life covered under every policy issued  
38.27 in that category. The fee for the administration shall not be less than 110 percent of the  
38.28 total anticipated expenses incurred by the association for the administration.

38.29 **EFFECTIVE DATE.** This section is effective January 1, 2014.

38.30 Sec. 43. Minnesota Statutes 2012, section 62H.04, is amended to read:

38.31 **62H.04 COMPLIANCE WITH OTHER LAWS.**

38.32 (a) A joint self-insurance plan is subject to the requirements of chapters 62A, 62E,  
38.33 62L, and 62Q, and sections 72A.17 to 72A.32 unless otherwise specifically exempt. A

39.1 joint self-insurance plan must pay assessments made by the Minnesota Comprehensive  
39.2 Health Association, as required under section 62E.11.

39.3 (b) A joint self-insurance plan is exempt from providing the mandated health  
39.4 benefits described in chapters 62A, 62E, 62L, and 62Q if it otherwise provides the benefits  
39.5 required under the Employee Retirement Income Security Act of 1974, United States  
39.6 Code, title 29, sections 1001, et seq., for all employers and not just for the employers with  
39.7 50 or more employees who are covered by that federal law.

39.8 (c) A joint self-insurance plan is exempt from section 62L.03, subdivision 1, if the  
39.9 plan offers an annual open enrollment period of no less than 15 days during which all  
39.10 employers that qualify for membership may enter the plan without preexisting condition  
39.11 limitations or exclusions except those permitted under chapter 62L.

39.12 (d) A joint self-insurance plan is exempt from sections 62A.146, 62A.16, 62A.17,  
39.13 62A.20, 62A.21, and 62A.65, subdivision 5, paragraph (b), ~~and 62E.16~~ if the joint  
39.14 self-insurance plan complies with the continuation requirements under the Employee  
39.15 Retirement Income Security Act of 1974, United States Code, title 29, sections 1001, et  
39.16 seq., for all employers and not just for the employers with 20 or more employees who  
39.17 are covered by that federal law.

39.18 (e) A joint self-insurance plan must provide to all employers the maternity coverage  
39.19 required by federal law for employers with 15 or more employees.

39.20 (f) A joint self-insurance plan must comply with all the provisions and requirements  
39.21 of the Affordable Care Act as defined under section 62A.011, subdivision 1a, to the extent  
39.22 that they apply to such plans.

39.23 **EFFECTIVE DATE.** This section is effective the day following final enactment,  
39.24 except that the amendment to paragraph (d) is effective January 1, 2014.

39.25 Sec. 44. Minnesota Statutes 2012, section 62L.02, subdivision 11, is amended to read:

39.26 Subd. 11. **Dependent.** "Dependent" means an eligible employee's spouse,  
39.27 ~~unmarried child who is under the age of 25 years~~ dependent child to the limiting age as  
39.28 defined in section 62Q.01, subdivision 9, dependent child of any age who is disabled and  
39.29 who meets the eligibility criteria in section 62A.14, subdivision 2, or any other person  
39.30 whom state or federal law requires to be treated as a dependent for purposes of health  
39.31 plans. For the purpose of this definition, a dependent child to the limiting age as defined in  
39.32 section 62Q.01, subdivision 9, includes a child for whom the employee or the employee's  
39.33 spouse has been appointed legal guardian and an adoptive child as provided in section  
39.34 62A.27. A child also means a grandchild as provided in section 62A.042 with continued  
39.35 eligibility of grandchildren as provided in section 62A.302, subdivision 4.

40.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

40.2 Sec. 45. Minnesota Statutes 2012, section 62L.02, subdivision 14a, is amended to read:

40.3 Subd. 14a. **Guaranteed issue.** "Guaranteed issue" means that a health carrier shall  
40.4 not decline an application by a small employer for any health benefit plan offered by  
40.5 that health carrier and shall not decline to cover under a health benefit plan any eligible  
40.6 employee or eligible dependent, including persons who become eligible employees or  
40.7 eligible dependents after initial issuance of the health benefit plan, ~~subject to the health~~  
40.8 ~~carrier's right to impose preexisting condition limitations permitted under this chapter.~~

40.9 **EFFECTIVE DATE.** This section is effective January 1, 2014.

40.10 Sec. 46. Minnesota Statutes 2012, section 62L.02, is amended by adding a subdivision  
40.11 to read:

40.12 Subd. 17a. **Individual health plan.** "Individual health plan" has the meaning  
40.13 given in section 62A.011, subdivision 4.

40.14 **EFFECTIVE DATE.** This section is effective January 1, 2014.

40.15 Sec. 47. Minnesota Statutes 2012, section 62L.02, subdivision 26, is amended to read:

40.16 Subd. 26. **Small employer.** (a) "Small employer" means, with respect to a calendar  
40.17 year and a plan year, a person, firm, corporation, partnership, association, or other entity  
40.18 actively engaged in business in Minnesota, including a political subdivision of the state, that  
40.19 employed an average of ~~no fewer than two nor~~ at least one, ~~not including a sole proprietor,~~  
40.20 but not more than 50 current employees on business days during the preceding calendar  
40.21 year and that employs at least ~~two~~ one current employees employee, not including a sole  
40.22 proprietor, on the first day of the plan year. ~~If an employer has only one eligible employee~~  
40.23 ~~who has not waived coverage, the sale of a health plan to or for that eligible employee~~  
40.24 ~~is not a sale to a small employer and is not subject to this chapter and may be treated as~~  
40.25 ~~the sale of an individual health plan.~~ A small employer plan may be offered through a  
40.26 domiciled association to self-employed individuals and small employers who are members  
40.27 of the association, even if the self-employed individual or small employer has fewer than  
40.28 two current employees. Entities that are treated as a single employer under subsection (b),  
40.29 (c), (m), or (o) of section 414 of the federal Internal Revenue Code are considered a single  
40.30 employer for purposes of determining the number of current employees. Small employer  
40.31 status must be determined on an annual basis as of the renewal date of the health benefit  
40.32 plan. The provisions of this chapter continue to apply to an employer who no longer meets

41.1 the requirements of this definition until the annual renewal date of the employer's health  
41.2 benefit plan. If an employer was not in existence throughout the preceding calendar year,  
41.3 the determination of whether the employer is a small employer is based upon the average  
41.4 number of current employees that it is reasonably expected that the employer will employ  
41.5 on business days in the current calendar year. For purposes of this definition, the term  
41.6 employer includes any predecessor of the employer. An employer that has more than 50  
41.7 current employees but has 50 or fewer employees, as "employee" is defined under United  
41.8 States Code, title 29, section 1002(6), is a small employer under this subdivision.

41.9 (b) Where an association, as defined in section 62L.045, comprised of employers  
41.10 contracts with a health carrier to provide coverage to its members who are small employers,  
41.11 the association and health benefit plans it provides to small employers, are subject to  
41.12 section 62L.045, with respect to small employers in the association, even though the  
41.13 association also provides coverage to its members that do not qualify as small employers.

41.14 (c) If an employer has employees covered under a trust specified in a collective  
41.15 bargaining agreement under the federal Labor-Management Relations Act of 1947,  
41.16 United States Code, title 29, section 141, et seq., as amended, or employees whose health  
41.17 coverage is determined by a collective bargaining agreement and, as a result of the  
41.18 collective bargaining agreement, is purchased separately from the health plan provided  
41.19 to other employees, those employees are excluded in determining whether the employer  
41.20 qualifies as a small employer. Those employees are considered to be a separate small  
41.21 employer if they constitute a group that would qualify as a small employer in the absence  
41.22 of the employees who are not subject to the collective bargaining agreement.

41.23 (d) Small group health plans offered through the Minnesota Insurance Marketplace  
41.24 under chapter 62V to employees of a small employer are not considered individual health  
41.25 plans, regardless of whether the health plan is purchased using a defined contribution  
41.26 from the small employer.

41.27 **EFFECTIVE DATE.** This section is effective January 1, 2014.

41.28 Sec. 48. Minnesota Statutes 2012, section 62L.03, subdivision 1, is amended to read:

41.29 Subdivision 1. **Guaranteed issue and reissue.** (a) Every health carrier shall, as a  
41.30 condition of authority to transact business in this state in the small employer market,  
41.31 affirmatively market, offer, sell, issue, and renew any of its health benefit plans, on a  
41.32 guaranteed issue basis, to any small employer, including a small employer covered by  
41.33 paragraph (b), that meets the participation and contribution requirements of subdivision 3,  
41.34 as provided in this chapter.

42.1 (b) A small employer that ~~has its~~ no longer meets the definition of small employer  
42.2 because of a reduction in workforce reduced to one employee may continue coverage as a  
42.3 small employer for 12 months from the date the group is reduced to one employee.

42.4 (c) Notwithstanding paragraph (a), a health carrier may, at the time of coverage  
42.5 renewal, modify the health coverage for a product offered in the small employer market if  
42.6 the modification is consistent with state law, approved by the commissioner, and effective  
42.7 on a uniform basis for all small employers purchasing that product other than through a  
42.8 qualified association in compliance with section 62L.045, subdivision 2.

42.9 ~~Paragraph (a) does not apply to a health benefit plan designed for a small employer~~  
42.10 ~~to comply with a collective bargaining agreement, provided that the health benefit plan~~  
42.11 ~~otherwise complies with this chapter and is not offered to other small employers, except~~  
42.12 ~~for other small employers that need it for the same reason. This paragraph applies only~~  
42.13 ~~with respect to collective bargaining agreements entered into prior to August 21, 1996,~~  
42.14 ~~and only with respect to plan years beginning before the later of July 1, 1997, or the date~~  
42.15 ~~upon which the last of the collective bargaining agreements relating to the plan terminates~~  
42.16 ~~determined without regard to any extension agreed to after August 21, 1996.~~

42.17 ~~(d) Every health carrier participating in the small employer market shall make~~  
42.18 ~~available both of the plans described in section 62L.05 to small employers and shall fully~~  
42.19 ~~comply with the underwriting and the rate restrictions specified in this chapter for all~~  
42.20 ~~health benefit plans issued to small employers.~~

42.21 ~~(e)~~ (d) A health carrier may cease to transact business in the small employer market  
42.22 as provided under section 62L.09.

42.23 **EFFECTIVE DATE.** This section is effective January 1, 2014.

42.24 Sec. 49. Minnesota Statutes 2012, section 62L.03, subdivision 3, is amended to read:

42.25 Subd. 3. **Minimum participation and contribution.** (a) A small employer that has  
42.26 at least 75 percent of its eligible employees who have not waived coverage participating in  
42.27 a health benefit plan and that contributes at least 50 percent toward the cost of coverage of  
42.28 each eligible employee must be guaranteed coverage on a guaranteed issue basis from  
42.29 any health carrier participating in the small employer market. The participation level  
42.30 of eligible employees must be determined at the initial offering of coverage and at the  
42.31 renewal date of coverage. A health carrier must not increase the participation requirements  
42.32 applicable to a small employer at any time after the small employer has been accepted for  
42.33 coverage. For the purposes of this subdivision, waiver of coverage includes only waivers  
42.34 due to: (1) coverage under another group health plan; (2) coverage under Medicare

43.1 Parts A and B; or (3) coverage under medical assistance under chapter 256B or general  
43.2 assistance medical care under chapter 256D.

43.3 (b) If a small employer does not satisfy the contribution or participation requirements  
43.4 under this subdivision, a health carrier may voluntarily issue or renew individual health  
43.5 plans, or a health benefit plan which must fully comply with this chapter. A health carrier  
43.6 that provides a health benefit plan to a small employer that does not meet the contribution  
43.7 or participation requirements of this subdivision must maintain this information in its files  
43.8 for audit by the commissioner. A health carrier may not offer an individual health plan,  
43.9 purchased through an arrangement between the employer and the health carrier, to any  
43.10 employee unless the health carrier also offers the individual health plan, on a guaranteed  
43.11 issue basis, to all other employees of the same employer. An arrangement permitted  
43.12 under section 62L.12, subdivision 2, paragraph ~~(k)~~ (l), is not an arrangement between the  
43.13 employer and the health carrier for purposes of this paragraph.

43.14 (c) Nothing in this section obligates a health carrier to issue coverage to a small  
43.15 employer that currently offers coverage through a health benefit plan from another health  
43.16 carrier, unless the new coverage will replace the existing coverage and not serve as one  
43.17 of two or more health benefit plans offered by the employer. This paragraph does not  
43.18 apply if the small employer will meet the required participation level with respect to  
43.19 the new coverage.

43.20 (d) If a small employer cannot meet either the participation or contribution  
43.21 requirement, the small employer may purchase coverage only during an open enrollment  
43.22 period each year between November 15 and December 15.

43.23 **EFFECTIVE DATE.** This section is effective January 1, 2014.

43.24 Sec. 50. Minnesota Statutes 2012, section 62L.03, subdivision 4, is amended to read:

43.25 Subd. 4. **Underwriting restrictions.** ~~(a) Health carriers may apply underwriting~~  
43.26 ~~restrictions to coverage for health benefit plans for small employers, including any~~  
43.27 ~~preexisting condition limitations, only as expressly permitted under this chapter. For~~  
43.28 ~~purposes of this section, "underwriting restrictions" means any refusal of the health carrier~~  
43.29 ~~to issue or renew coverage, any premium rate higher than the lowest rate charged by the~~  
43.30 ~~health carrier for the same coverage, any preexisting condition limitation, preexisting~~  
43.31 ~~condition exclusion, or any exclusionary rider.~~

43.32 (b) Health carriers may collect information relating to the case characteristics and  
43.33 demographic composition of small employers, as well as health status and health history  
43.34 information about employees, and dependents of employees, of small employers.

44.1 ~~(e) Except as otherwise authorized for late entrants, preexisting conditions may be~~  
44.2 ~~excluded by a health carrier for a period not to exceed 12 months from the enrollment~~  
44.3 ~~date of an eligible employee or dependent, but exclusionary riders must not be used. Late~~  
44.4 ~~entrants may be subject to a preexisting condition limitation not to exceed 18 months from~~  
44.5 ~~the enrollment date of the late entrant, but must not be subject to any exclusionary rider or~~  
44.6 ~~preexisting condition exclusion. When calculating any length of preexisting condition~~  
44.7 ~~limitation, a health carrier shall credit the time period an eligible employee or dependent~~  
44.8 ~~was previously covered by qualifying coverage, provided that the individual maintains~~  
44.9 ~~continuous coverage. The credit must be given for all qualifying coverage with respect~~  
44.10 ~~to all preexisting conditions, regardless of whether the conditions were preexisting with~~  
44.11 ~~respect to any previous qualifying coverage. Section 60A.082, relating to replacement of~~  
44.12 ~~group coverage, and the rules adopted under that section apply to this chapter, and this~~  
44.13 ~~chapter's requirements are in addition to the requirements of that section and the rules~~  
44.14 ~~adopted under it. A health carrier shall, at the time of first issuance or renewal of a health~~  
44.15 ~~benefit plan on or after July 1, 1993, credit against any preexisting condition limitation~~  
44.16 ~~or exclusion permitted under this section, the time period prior to July 1, 1993, during~~  
44.17 ~~which an eligible employee or dependent was covered by qualifying coverage, if the~~  
44.18 ~~person has maintained continuous coverage.~~

44.19 ~~(d) Health carriers shall not use pregnancy as a preexisting condition under this~~  
44.20 ~~chapter.~~

44.21 **EFFECTIVE DATE.** This section is effective January 1, 2014.

44.22 Sec. 51. Minnesota Statutes 2012, section 62L.03, subdivision 6, is amended to read:

44.23 Subd. 6. **MCHA enrollees.** Health carriers shall offer coverage to any eligible  
44.24 employee or dependent enrolled in MCHA at the time of the health carrier's issuance or  
44.25 renewal of a health benefit plan to a small employer. The health benefit plan must require  
44.26 that the employer permit MCHA enrollees to enroll in the small employer's health benefit  
44.27 plan as of the first date of renewal of a health benefit plan occurring on or after July  
44.28 1, 1993, and as of each date of renewal after that, or, in the case of a new group, as of  
44.29 the initial effective date of the health benefit plan and as of each date of renewal after  
44.30 that. ~~Unless otherwise permitted by this chapter,~~ Health carriers must not impose any  
44.31 underwriting restrictions, including any preexisting condition limitations or exclusions, on  
44.32 any eligible employee or dependent previously enrolled in MCHA and transferred to a  
44.33 health benefit plan ~~so long as continuous coverage is maintained, provided that the health~~  
44.34 ~~carrier may impose any unexpired portion of a preexisting condition limitation under the~~

45.1 ~~person's MCHA coverage. An MCHA enrollee is not a late entrant, so long as the enrollee~~  
45.2 ~~has maintained continuous coverage.~~

45.3 **EFFECTIVE DATE.** This section is effective January 1, 2014.

45.4 Sec. 52. Minnesota Statutes 2012, section 62L.045, subdivision 2, is amended to read:

45.5 Subd. 2. **Qualified associations.** (a) A qualified association, as defined in this  
45.6 section, and health coverage offered by it, to it, or through it, to a small employer in  
45.7 this state must comply with the requirements of this chapter regarding guaranteed issue,  
45.8 guaranteed renewal, preexisting condition limitations, ~~credit against preexisting condition~~  
45.9 ~~limitations for continuous coverage,~~ treatment of MCHA enrollees, and the definition of  
45.10 dependent, and with section 62A.65, subdivision 5, paragraph (b). They must also comply  
45.11 with all other requirements of this chapter not specifically exempted in paragraph (b) or (c).

45.12 (b) A qualified association and a health carrier offering, selling, issuing, or renewing  
45.13 health coverage to, or to cover, a small employer in this state through the qualified  
45.14 association, may, but are not, in connection with that health coverage, required to:

45.15 (1) offer the two small employer plans described in section 62L.05; and

45.16 (2) offer to small employers that are not members of the association, health coverage  
45.17 offered to, by, or through the qualified association.

45.18 ~~(c) A qualified association, and a health carrier offering, selling, issuing, and~~  
45.19 ~~renewing health coverage to, or to cover, a small employer in this state must comply~~  
45.20 ~~with section 62L.08, except that:~~

45.21 ~~(1) a separate index rate may be applied by a health carrier to each qualified~~  
45.22 ~~association, provided that:~~

45.23 ~~(i) the premium rate applied to participating small employer members of the~~  
45.24 ~~qualified association is no more than 25 percent above and no more than 25 percent below~~  
45.25 ~~the index rate applied to the qualified association, irrespective of when members applied~~  
45.26 ~~for health coverage; and~~

45.27 ~~(ii) the index rate applied by a health carrier to a qualified association is no more~~  
45.28 ~~than 20 percent above and no more than 20 percent below the index rate applied by the~~  
45.29 ~~health carrier to any other qualified association or to any small employer. In comparing~~  
45.30 ~~index rates for purposes of this clause, the 20 percent shall be calculated as a percent of~~  
45.31 ~~the larger index rate; and~~

45.32 ~~(2) a qualified association described in subdivision 1, paragraph (a), clauses (2)~~  
45.33 ~~to (4), providing health coverage through a health carrier, or on a self-insured basis in~~  
45.34 ~~compliance with section 471.617 and the rules adopted under that section, may cover~~  
45.35 ~~small employers and other employers within the same pool and may charge premiums~~

46.1 ~~to small employer members on the same basis as it charges premiums to members that~~  
46.2 ~~are not small employers, if the premium rates charged to small employers do not have~~  
46.3 ~~greater variation than permitted under section 62L.08. A qualified association operating~~  
46.4 ~~under this clause shall annually prove to the commissioner of commerce that it complies~~  
46.5 ~~with this clause through a sampling procedure acceptable to the commissioner. If the~~  
46.6 ~~qualified association fails to prove compliance to the satisfaction of the commissioner,~~  
46.7 ~~the association shall agree to a written plan of correction acceptable to the commissioner.~~  
46.8 ~~The qualified association is considered to be in compliance under this clause if there is~~  
46.9 ~~a premium rate that would, if used as an index rate, result in all premium rates in the~~  
46.10 ~~sample being in compliance with section 62L.08. This clause does not exempt a qualified~~  
46.11 ~~association or a health carrier providing coverage through the qualified association from~~  
46.12 ~~the loss ratio requirement of section 62L.08, subdivision 11.~~

46.13 **EFFECTIVE DATE.** This section is effective January 1, 2014.

46.14 Sec. 53. Minnesota Statutes 2012, section 62L.045, subdivision 4, is amended to read:

46.15 Subd. 4. **Principles; association coverage.** (a) This subdivision applies to  
46.16 associations as defined in this section, whether qualified associations or not, and is  
46.17 intended to clarify subdivisions 1 to 3.

46.18 (b) This section applies only to associations that provide health coverage to small  
46.19 employers.

46.20 (c) ~~A health carrier is not required under this chapter to comply with guaranteed~~  
46.21 ~~issue and guaranteed renewal with respect to its relationship with the association itself.~~

46.22 An arrangement between the health carrier and the association, once entered into, must  
46.23 comply with guaranteed issue and guaranteed renewal with respect to members of the  
46.24 association that are small employers and persons covered through them.

46.25 (d) When an arrangement between a health carrier and an association has validly  
46.26 terminated, the health carrier has no continuing obligation to small employers and persons  
46.27 covered through them, except as otherwise provided in:

46.28 (1) section 62A.65, subdivision 5, paragraph (b);

46.29 (2) any other continuation or conversion rights applicable under state or federal  
46.30 law; and

46.31 (3) section 60A.082, relating to group replacement coverage, and rules adopted  
46.32 under that section.

46.33 (e) When an association's arrangement with a health carrier has terminated and the  
46.34 association has entered into a new arrangement with that health carrier or a different  
46.35 health carrier, the new arrangement is subject to section 60A.082 and rules adopted under

47.1 it, with respect to members of the association that are small employers and persons  
47.2 covered through them.

47.3 (f) An association that offers its members more than one plan of health coverage  
47.4 may have uniform rules restricting movement between the plans of health coverage, if the  
47.5 rules do not discriminate against small employers.

47.6 (g) This chapter does not require or prohibit separation of an association's members  
47.7 into one group consisting only of small employers and another group or other groups  
47.8 consisting of all other members. The association must comply with this section with  
47.9 respect to the small employer group.

47.10 (h) For purposes of this section, "member" of an association includes an employer  
47.11 participant in the association.

47.12 (i) For purposes of this section, health coverage issued to, or to cover, a small  
47.13 employer includes a certificate of coverage issued directly to the employer's employees  
47.14 and dependents, rather than to the small employer.

47.15 **EFFECTIVE DATE.** This section is effective January 1, 2014.

47.16 Sec. 54. Minnesota Statutes 2012, section 62L.05, subdivision 10, is amended to read:

47.17 Subd. 10. **Medical expense reimbursement.** Health carriers may reimburse  
47.18 or pay for medical services, supplies, or articles provided under a small employer plan  
47.19 in accordance with the health carrier's provider contract requirements including, but  
47.20 not limited to, salaried arrangements, capitation, the payment of usual and customary  
47.21 charges, fee schedules, discounts from fee-for-service, per diems, diagnosis-related  
47.22 groups (DRGs), and other payment arrangements. Nothing in this chapter requires a  
47.23 health carrier to develop, implement, or change its provider contract requirements for  
47.24 a small employer plan. Coinsurance, deductibles, and out-of-pocket maximums, ~~and~~  
47.25 ~~maximum lifetime benefits~~ must be calculated and determined in accordance with each  
47.26 health carrier's standard business practices.

47.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

47.28 Sec. 55. Minnesota Statutes 2012, section 62L.06, is amended to read:

47.29 **62L.06 DISCLOSURE OF UNDERWRITING RATING PRACTICES.**

47.30 When offering or renewing a health benefit plan, health carriers shall disclose in all  
47.31 solicitation and sales materials:

47.32 (1) ~~the case characteristics and other rating factors used to determine initial and~~  
47.33 ~~renewal rates;~~

- 48.1 ~~(2) the extent to which premium rates for a small employer are established or~~  
48.2 ~~adjusted based upon actual or expected variation in claim experience;~~
- 48.3 ~~(3) provisions concerning the health carrier's right to change premium rates and the~~  
48.4 ~~factors other than claim experience that affect changes in premium rates;~~
- 48.5 ~~(4) (2) provisions relating to renewability of coverage;~~
- 48.6 ~~(5) the use and effect of any preexisting condition provisions, if permitted;~~
- 48.7 ~~(6) (3) the application of any provider network limitations and their effect on~~  
48.8 ~~eligibility for benefits; and~~
- 48.9 ~~(7) (4) the ability of small employers to insure eligible employees and dependents~~  
48.10 ~~currently receiving coverage from the Comprehensive Health Association through health~~  
48.11 ~~benefit plans.~~

48.12 **EFFECTIVE DATE.** This section is effective January 1, 2014.

48.13 Sec. 56. Minnesota Statutes 2012, section 62L.08, is amended to read:

48.14 **62L.08 RESTRICTIONS RELATING TO PREMIUM RATES.**

48.15 Subdivision 1. **Rate restrictions.** Premium rates for all health benefit plans sold or  
48.16 issued to small employers are subject to the restrictions specified in this section.

48.17 ~~Subd. 2. **General premium variations.** Beginning July 1, 1993, each health carrier~~  
48.18 ~~must offer premium rates to small employers that are no more than 25 percent above~~  
48.19 ~~and no more than 25 percent below the index rate charged to small employers for the~~  
48.20 ~~same or similar coverage, adjusted pro rata for rating periods of less than one year. The~~  
48.21 ~~premium variations permitted by this subdivision must be based only on health status,~~  
48.22 ~~claims experience, industry of the employer, and duration of coverage from the date of~~  
48.23 ~~issue. For purposes of this subdivision, health status includes refraining from tobacco use~~  
48.24 ~~or other actuarially valid lifestyle factors associated with good health, provided that the~~  
48.25 ~~lifestyle factor and its effect upon premium rates have been determined to be actuarially~~  
48.26 ~~valid and approved by the commissioner. Variations permitted under this subdivision must~~  
48.27 ~~not be based upon age or applied differently at different ages. This subdivision does not~~  
48.28 ~~prohibit use of a constant percentage adjustment for factors permitted to be used under~~  
48.29 ~~this subdivision.~~

48.30 ~~Subd. 2a. **Renewal premium increases limited.** (a) Beginning January 1, 2003,~~  
48.31 ~~the percentage increase in the premium rate charged to a small employer for a new rating~~  
48.32 ~~period must not exceed the sum of the following:~~

- 48.33 ~~(1) the percentage change in the index rate measured from the first day of the prior~~  
48.34 ~~rating period to the first day of the new rating period;~~

49.1 ~~(2) an adjustment, not to exceed 15 percent annually and adjusted pro-rata for rating~~  
49.2 ~~periods of less than one year, due to the claims experience, health status, or duration of~~  
49.3 ~~coverage of the employees or dependents of the employer; and~~

49.4 ~~(3) any adjustment due to change in coverage or in the case characteristics of the~~  
49.5 ~~employer.~~

49.6 ~~(b) This subdivision does not apply if the employer, employee, or any applicant~~  
49.7 ~~provides the health carrier with false, incomplete, or misleading information.~~

49.8 Subd. 3. **Age-based premium variations.** ~~Beginning July 1, 1993, Each health~~  
49.9 ~~carrier may offer premium rates to small employers that vary based upon the ages of~~  
49.10 ~~the eligible employees and dependents of the small employer only as provided in this~~  
49.11 ~~subdivision. In addition to the variation permitted by subdivision 2, each health carrier~~  
49.12 ~~may use an additional premium variation based upon age of up to plus or minus 50 percent~~  
49.13 ~~of the index rate. Premium rates may vary based upon the ages of the eligible employees~~  
49.14 ~~and dependents of the small employer in accordance with the provisions of the Affordable~~  
49.15 ~~Care Act as defined in section 62A.011, subdivision 1a.~~

49.16 Subd. 4. **Geographic premium variations.** ~~A health carrier may request approval~~  
49.17 ~~by the commissioner to establish separate geographic regions determined by the health~~  
49.18 ~~carrier and to establish separate index rates for each such region. Premium rates may vary~~  
49.19 ~~based on geographic rating areas set by the commissioner. The commissioner shall grant~~  
49.20 ~~approval if the following conditions are met:~~

49.21 ~~(1) the geographic regions must be applied uniformly by the health carrier;~~

49.22 ~~(2) each geographic region must be composed of no fewer than seven counties that~~  
49.23 ~~create a contiguous region; and~~

49.24 ~~(3) the health carrier provides actuarial justification acceptable to the commissioner~~  
49.25 ~~for the proposed geographic variations in index rates, establishing that the variations are~~  
49.26 ~~based upon differences in the cost to the health carrier of providing coverage.~~

49.27 Subd. 5. **Gender-based rates prohibited.** ~~Beginning July 1, 1993, No health carrier~~  
49.28 ~~may determine premium rates through a method that is in any way based upon the gender~~  
49.29 ~~of eligible employees or dependents. Rates must not in any way reflect marital status or~~  
49.30 ~~generalized differences in expected costs between employees and spouses.~~

49.31 Subd. 6. **Rate cells permitted Tobacco rating.** ~~Health carriers may use rate cells~~  
49.32 ~~and must file with the commissioner the rate cells they use. Rate cells must be based on~~  
49.33 ~~the number of adults and children covered under the policy and may reflect the availability~~  
49.34 ~~of Medicare coverage. The rates for different rate cells must not in any way reflect marital~~  
49.35 ~~status or differences in expected costs between employees and spouses. Premium rates~~

50.1 may vary based upon tobacco use in accordance with the provisions of the Affordable  
50.2 Care Act as defined in section 62A.011, subdivision 1a.

50.3 Subd. 7. **Index and Premium rate development.** (a) In developing its index rates  
50.4 and premiums, a health carrier may take into account only the following factors:

50.5 (1) actuarially valid differences in benefit designs of health benefit plans; and

50.6 ~~(2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;~~

50.7 ~~(3) (2) actuarially valid geographic variations if approved by the commissioner as~~  
50.8 ~~provided in subdivision 4.~~

50.9 (b) All premium variations permitted under this section must be based upon  
50.10 actuarially valid differences in expected cost to the health carrier of providing coverage.  
50.11 The variation must be justified in initial rate filings and upon request of the commissioner in  
50.12 rate revision filings. All premium variations are subject to approval by the commissioner.

50.13 Subd. 8. **Filing requirement.** A health carrier that offers, sells, issues, or renews a  
50.14 health benefit plan for small employers shall file with the commissioner the index rates and  
50.15 must demonstrate that all rates shall be within the rating restrictions defined in this chapter.  
50.16 Such demonstration must include ~~the allowable range of rates from the index rates and a~~  
50.17 ~~description of how the health carrier intends to use demographic factors including case~~  
50.18 ~~characteristics in calculating the premium rates. The rates shall not be approved, unless the~~  
50.19 ~~commissioner has determined that the rates are reasonable. In determining reasonableness,~~  
50.20 ~~the commissioner shall consider the growth rates applied under section 62J.04, subdivision~~  
50.21 ~~1, paragraph (b), to the calendar year or years that the proposed premium rate would be in~~  
50.22 ~~effect, and actuarially valid changes in risk associated with the enrollee population, and~~  
50.23 ~~actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549.~~

50.24 Subd. 9. **Effect of assessments.** Premium rates must comply with the rating  
50.25 requirements of this section, notwithstanding the imposition of any assessments or  
50.26 premiums paid by health carriers as provided under sections 62L.13 to 62L.22.

50.27 ~~Subd. 10. **Rating report.** Beginning January 1, 1995, and annually thereafter, the~~  
50.28 ~~commissioners of health and commerce shall provide a joint report to the legislature~~  
50.29 ~~on the effect of the rating restrictions required by this section and the appropriateness~~  
50.30 ~~of proceeding with additional rate reform. Each report must include an analysis of the~~  
50.31 ~~availability of health care coverage due to the rating reform, the equitable and appropriate~~  
50.32 ~~distribution of risk and associated costs, the effect on the self-insurance market, and any~~  
50.33 ~~resulting or anticipated change in health plan design and market share and availability of~~  
50.34 ~~health carriers.~~

50.35 Subd. 11. **Loss ratio standards.** Notwithstanding section 62A.02, subdivision 3,  
50.36 relating to loss ratios, each policy or contract form used with respect to a health benefit

51.1 plan offered, or issued in the small employer market, is subject, beginning July 1, 1993,  
51.2 to section 62A.021. The commissioner of health has, with respect to carriers under that  
51.3 commissioner's jurisdiction, all of the powers of the commissioner of commerce under  
51.4 that section.

51.5 **EFFECTIVE DATE.** This section is effective January 1, 2014.

51.6 Sec. 57. Minnesota Statutes 2012, section 62L.12, subdivision 2, is amended to read:

51.7 Subd. 2. **Exceptions.** (a) A health carrier may ~~sell, issue, or~~ renew individual  
51.8 conversion policies to eligible employees otherwise eligible for conversion coverage under  
51.9 section 62D.104 as a result of leaving a health maintenance organization's service area.

51.10 (b) A health carrier may ~~sell, issue, or~~ renew individual conversion policies to  
51.11 eligible employees otherwise eligible for conversion coverage as a result of the expiration  
51.12 of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21,  
51.13 62C.142, 62D.101, and 62D.105.

51.14 (c) A health carrier may ~~sell, issue, or~~ renew conversion policies ~~under section~~  
51.15 ~~62E.16~~ to eligible employees.

51.16 (d) A health carrier may sell, issue, or renew individual continuation policies to  
51.17 eligible employees as required.

51.18 (e) A health carrier may sell, issue, or renew individual health plans if the coverage  
51.19 is appropriate due to an unexpired preexisting condition limitation or exclusion applicable  
51.20 to the person under the employer's group health plan or due to the person's need for health  
51.21 care services not covered under the employer's group health plan.

51.22 (f) A health carrier may sell, issue, or renew an individual health plan, if the  
51.23 individual has elected to buy the individual health plan not as part of a general plan to  
51.24 substitute individual health plans for a group health plan nor as a result of any violation of  
51.25 subdivision 3 or 4.

51.26 (g) A health carrier may sell, issue, or renew an individual health plan if coverage  
51.27 provided by the employer is determined to be unaffordable under the provisions of the  
51.28 Affordable Care Act as defined in section 62A.011, subdivision 1a.

51.29 (h) Nothing in this subdivision relieves a health carrier of any obligation to provide  
51.30 continuation or conversion coverage otherwise required under federal or state law.

51.31 (i) Nothing in this chapter restricts the offer, sale, issuance, or renewal of  
51.32 coverage issued as a supplement to Medicare under sections 62A.3099 to 62A.44, or  
51.33 policies or contracts that supplement Medicare issued by health maintenance organizations,  
51.34 or those contracts governed by sections 1833, 1851 to 1859, 1860D, or 1876 of the federal  
51.35 Social Security Act, United States Code, title 42, section 1395 et seq., as amended.

52.1           ~~(j)~~ (j) Nothing in this chapter restricts the offer, sale, issuance, or renewal of  
52.2 individual health plans necessary to comply with a court order.

52.3           ~~(k)~~ (k) A health carrier may offer, issue, sell, or renew an individual health plan to  
52.4 persons eligible for an employer group health plan, if the individual health plan is a high  
52.5 deductible health plan for use in connection with an existing health savings account, in  
52.6 compliance with the Internal Revenue Code, section 223. In that situation, the same or  
52.7 a different health carrier may offer, issue, sell, or renew a group health plan to cover  
52.8 the other eligible employees in the group.

52.9           ~~(l)~~ (l) A health carrier may offer, sell, issue, or renew an individual health plan to  
52.10 one or more employees of a small employer if the individual health plan is marketed  
52.11 directly to all employees of the small employer and the small employer does not contribute  
52.12 directly or indirectly to the premiums or facilitate the administration of the individual  
52.13 health plan. The requirement to market an individual health plan to all employees does not  
52.14 require the health carrier to offer or issue an individual health plan to any employee. For  
52.15 purposes of this paragraph, an employer is not contributing to the premiums or facilitating  
52.16 the administration of the individual health plan if the employer does not contribute to the  
52.17 premium and merely collects the premiums from an employee's wages or salary through  
52.18 payroll deductions and submits payment for the premiums of one or more employees in a  
52.19 lump sum to the health carrier. Except for coverage under section 62A.65, subdivision 5,  
52.20 paragraph (b), ~~or 62E.16~~, at the request of an employee, the health carrier may bill the  
52.21 employer for the premiums payable by the employee, provided that the employer is not  
52.22 liable for payment except from payroll deductions for that purpose. If an employer is  
52.23 submitting payments under this paragraph, the health carrier shall provide a cancellation  
52.24 notice directly to the primary insured at least ten days prior to termination of coverage for  
52.25 nonpayment of premium. Individual coverage under this paragraph may be offered only  
52.26 if the small employer has not provided coverage under section 62L.03 to the employees  
52.27 within the past 12 months.

52.28           ~~The employer must provide a written and signed statement to the health carrier that~~  
52.29 ~~the employer is not contributing directly or indirectly to the employee's premiums. The~~  
52.30 ~~health carrier may rely on the employer's statement and is not required to guarantee issue~~  
52.31 ~~individual health plans to the employer's other current or future employees.~~

52.32           **EFFECTIVE DATE.** This section is effective January 1, 2014.

52.33           Sec. 58. Minnesota Statutes 2012, section 62M.05, subdivision 3a, is amended to read:

52.34           Subd. 3a. **Standard review determination.** (a) Notwithstanding subdivision 3b, an  
52.35 initial determination on all requests for utilization review must be communicated to the

53.1 provider and enrollee in accordance with this subdivision within ten business days of the  
53.2 request, provided that all information reasonably necessary to make a determination on the  
53.3 request has been made available to the utilization review organization.

53.4 (b) When an initial determination is made to certify, notification must be provided  
53.5 promptly by telephone to the provider. The utilization review organization shall send  
53.6 written notification to the provider or shall maintain an audit trail of the determination  
53.7 and telephone notification. For purposes of this subdivision, "audit trail" includes  
53.8 documentation of the telephone notification, including the date; the name of the person  
53.9 spoken to; the enrollee; the service, procedure, or admission certified; and the date of  
53.10 the service, procedure, or admission. If the utilization review organization indicates  
53.11 certification by use of a number, the number must be called the "certification number."  
53.12 For purposes of this subdivision, notification may also be made by facsimile to a verified  
53.13 number or by electronic mail to a secure electronic mailbox. These electronic forms of  
53.14 notification satisfy the "audit trail" requirement of this paragraph.

53.15 (c) When an initial determination is made not to certify, notification must be  
53.16 provided by telephone, by facsimile to a verified number, or by electronic mail to a secure  
53.17 electronic mailbox within one working day after making the determination to the attending  
53.18 health care professional and hospital as applicable. Written notification must also be sent  
53.19 to the hospital as applicable and attending health care professional if notification occurred  
53.20 by telephone. For purposes of this subdivision, notification may be made by facsimile to a  
53.21 verified number or by electronic mail to a secure electronic mailbox. Written notification  
53.22 must be sent to the enrollee and may be sent by United States mail, facsimile to a verified  
53.23 number, or by electronic mail to a secure mailbox. The written notification must include  
53.24 the principal reason or reasons for the determination and the process for initiating an appeal  
53.25 of the determination. Upon request, the utilization review organization shall provide the  
53.26 provider or enrollee with the criteria used to determine the necessity, appropriateness,  
53.27 and efficacy of the health care service and identify the database, professional treatment  
53.28 parameter, or other basis for the criteria. Reasons for a determination not to certify may  
53.29 include, among other things, the lack of adequate information to certify after a reasonable  
53.30 attempt has been made to contact the provider or enrollee.

53.31 (d) When an initial determination is made not to certify, the written notification must  
53.32 inform the enrollee and the attending health care professional of the right to submit an  
53.33 appeal to the internal appeal process described in section 62M.06 and the procedure for  
53.34 initiating the internal appeal. The written notice shall be provided in a culturally and  
53.35 linguistically appropriate manner consistent with the provisions of the Affordable Care  
53.36 Act as defined under section 62A.011, subdivision 1a.

54.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

54.2 Sec. 59. Minnesota Statutes 2012, section 62M.06, subdivision 1, is amended to read:

54.3 Subdivision 1. **Procedures for appeal.** (a) A utilization review organization must  
54.4 have written procedures for appeals of determinations not to certify. The right to appeal  
54.5 must be available to the enrollee and to the attending health care professional.

54.6 (b) The enrollee shall be allowed to review the information relied upon in the course  
54.7 of the appeal, present evidence and testimony as part of the appeals process, and receive  
54.8 continued coverage pending the outcome of the appeals process. This paragraph does  
54.9 not apply to managed care plans or county-based purchasing plans serving state public  
54.10 health care program enrollees under section 256B.69, 256B.692, or chapter 256L, or to  
54.11 grandfathered plans as defined under section 62A.011, subdivision 1c. Nothing in this  
54.12 paragraph shall be construed to limit or restrict the appeal rights of state public health care  
54.13 program enrollees provided under section 256.045 and Code of Federal Regulations, title  
54.14 42, section 438.420(d).

54.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

54.16 Sec. 60. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision  
54.17 to read:

54.18 Subd. 1a. **Affordable Care Act.** "Affordable Care Act" means the Affordable Care  
54.19 Act as defined in section 62A.011, subdivision 1a.

54.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

54.21 Sec. 61. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision  
54.22 to read:

54.24 meets all of the following criteria:

54.25 (1) serves a single profession that requires a significant amount of education, training,  
54.26 or experience, or a license or certificate from a state authority to practice that profession;

54.27 (2) has been actively in existence for five years;

54.28 (3) has a constitution and bylaws or other analogous governing documents;

54.32 plan company;

55.1 (6) does not condition membership in the association on any health status-related  
55.2 factor;

55.3 (7) has at least 1,000 members if it is a national association, 500 members if it is a  
55.4 state association, or 200 members if it is a local association;

55.5 (8) all members and dependents of members are eligible for coverage regardless of  
55.6 any health status-related factor;

55.7 (9) does not make health plans offered through the association available other than  
55.8 in connection with a member of the association;

55.9 (10) is governed by a board of directors and sponsors an annual meeting of its  
55.10 members; and

55.11 (11) produces only market association memberships, accepts applications for  
55.12 membership, or signs up members in the professional association where the subject  
55.13 individuals are actively engaged in, or directly related to, the profession represented  
55.14 by the association.

55.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

55.16 Sec. 62. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision  
55.17 to read:

55.18 Subd. 2b. **Grandfathered plan.** "Grandfathered plan" means a health plan as  
55.19 defined in section 62A.011, subdivision 1b.

55.20 Sec. 63. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision  
55.21 to read:

55.22 Subd. 2c. **Group health plan.** "Group health plan" means a group health plan as  
55.23 defined in section 62A.011, subdivision 1c.

55.24 Sec. 64. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision  
55.25 to read:

55.26 Subd. 4b. **Individual health plan.** "Individual health plan" means an individual

59.24 out-of-network provider.

64.31 number, which is answered 24 hours a day, to answer questions about emergency services  
64.32 and to receive reports and provide authorizations, where appropriate, for treatment of  
64.33 emergency medical conditions. Emergency services shall be covered whether provided by

65.10 for obtaining emergency care; and

65.11 (5) any circumstances that precluded use of the health plan company's established

65.14 company of nonreferred emergency care as soon as possible, but not later than 48 hours,  
65.15 after the emergency care is initially provided. However, emergency care which would  
65.16 have been covered under the contract had notice been provided within the set time frame  
65.17 must be covered.

65.18 (c) Notwithstanding paragraphs (a) and (b), a health plan company, ~~health insurer, or~~  
65.19 ~~health coverage plan~~ that is in compliance with the rules regarding accessibility of services

65.22 medical condition" means a medical condition manifesting itself by acute symptoms of  
65.23 sufficient severity, including severe pain, such that a prudent layperson, who possesses  
65.24 an average knowledge of health and medicine, could reasonably expect the absence of  
65.25 immediate medical attention to result in a condition described in clause (i), (ii), or (iii), of  
65.26 section 1867(e)(1)(A) of the Social Security Act.

65.27 Subd. 3. **Emergency services.** As used in this section, "emergency services" means,

84.34 ten percent market share in either the individual or small group market in Minnesota.

85.1 Subd. 2. **Accreditation; Minnesota Insurance Marketplace.** (a) The Minnesota  
85.2 Insurance Marketplace shall require all health carriers offering a qualified health  
85.3 plan through the Minnesota Insurance Marketplace to obtain the appropriate level of  
85.4 accreditation no later than the third year after the first year the health carrier offers a  
85.5 qualified health plan through the Minnesota Insurance Marketplace. A health carrier  
85.6 must take the first step of the accreditation process during the first year in which it offers  
85.7 a qualified health plan. A health carrier that offers a qualified health plan on January 1,  
85.8 2014, must obtain accreditation by the end of the 2016 plan year.

85.9 (b) To the extent a health carrier cannot obtain accreditation due to low volume of  
85.10 enrollees, an exception to this accreditation criterion may be granted by the Minnesota  
85.11 Insurance Marketplace until such time as the health carrier has a sufficient volume of  
85.12 enrollees.

85.13 Subd. 3. **Oversight.** A health carrier shall comply with a request from the  
85.14 commissioner of health to confirm accreditation or progress toward accreditation.

85.15 Subd. 4. **Enforcement.** The commissioner of health shall enforce this section.

85.16 Sec. 11. **[62K.10] GEOGRAPHIC ACCESSIBILITY; PROVIDER NETWORK**  
85.17 **ADEQUACY.**

85.18 Subdivision 1. **Applicability.** (a) This section applies to all health carriers that either  
85.19 require an enrollee to use or that create incentives, including financial incentives, for an  
85.20 enrollee to use, health care providers that are managed, owned, under contract with, or  
85.21 employed by the health carrier. A health carrier that does not manage, own, or contract  
85.22 directly with providers in Minnesota is exempt from this section, unless it is part of a  
85.23 holding company as defined in section 60D.15 that in aggregate exceeds ten percent in  
85.24 either the individual or small group market in Minnesota.

85.25 (b) Health carriers renting provider networks from other entities must submit the  
85.26 rental agreement or contract to the commissioner of health for approval. In reviewing the  
85.27 agreements or contracts, the commissioner shall review the agreement or contract to  
85.28 ensure that the entity contracting with health care providers accepts responsibility to meet  
85.29 the requirements in this section.

85.30 Subd. 2. **Primary care; mental health services; general hospital services.** The  
85.31 maximum travel distance or time shall be the lesser of 30 miles or 30 minutes to the  
85.32 nearest provider of each of the following services: primary care services, mental health  
85.33 services, and general hospital services.

85.34 Subd. 3. **Other health services.** The maximum travel distance or time shall be the  
85.35 lesser of 60 miles or 60 minutes to the nearest provider of specialty physician services,

86.1 ancillary services, specialized hospital services, and all other health services not listed in  
86.2 subdivision 2.

86.3 Subd. 4. **Network adequacy.** Each designated provider network must include a  
86.4 sufficient number and type of providers, including providers that specialize in mental  
86.5 health and substance use disorder services, to ensure that covered services are available  
86.6 to all enrollees without unreasonable delay. In determining network adequacy, the  
86.7 commissioner of health shall consider availability of services, including the following:

86.8 (1) primary care physician services are available and accessible 24 hours per day,  
86.9 seven days per week, within the network area;

86.10 (2) a sufficient number of primary care physicians have hospital admitting privileges  
86.11 at one or more participating hospitals within the network area so that necessary admissions  
86.12 are made on a timely basis consistent with generally accepted practice parameters;

86.13 (3) specialty physician service is available through the network or contract  
86.14 arrangement;

86.15 (4) mental health and substance use disorder treatment providers are available and  
86.16 accessible through the network or contract arrangement;

86.17 (5) to the extent that primary care services are provided through primary care  
86.18 providers other than physicians, and to the extent permitted under applicable scope of  
86.19 practice in state law for a given provider, these services shall be available and accessible;  
86.20 and

86.21 (6) the network has available, either directly or through arrangements, appropriate  
86.22 and sufficient personnel, physical resources, and equipment to meet the projected needs of  
86.23 enrollees for covered health care services.

86.24 Subd. 5. **Waiver.** A health carrier or preferred provider organization may apply to  
86.25 the commissioner of health for a waiver of the requirements in subdivision 2 or 3 if it is  
86.26 unable to meet the statutory requirements. A waiver application must be submitted on a  
86.27 form provided by the commissioner and must:

86.28 (1) demonstrate with specific data that the requirement of subdivision 2 or 3 is not  
86.29 feasible in a particular service area or part of a service area; and

86.30 (2) include information as to the steps that were and will be taken to address the  
86.31 network inadequacy.

86.32 The waiver shall automatically expire after four years. If a renewal of the waiver  
86.33 is sought, the commissioner of health shall take into consideration steps that have been  
86.34 taken to address network adequacy.

86.35 Subd. 6. **Referral centers.** Subdivisions 2 and 3 shall not apply if an enrollee  
86.36 is referred to a referral center for health care services. A referral center is a medical

87.1 facility that provides highly specialized medical care, including but not limited to organ  
87.2 transplants. A health carrier or preferred provider organization may consider the volume  
87.3 of services provided annually, case mix, and severity adjusted mortality and morbidity  
87.4 rates in designating a referral center.

87.5 Subd. 7. **Essential community providers.** Each health carrier must comply with  
87.6 section 62Q.19.

87.10 excess of the allowable amount the health carrier has contracted for with the provider  
87.11 as total payment for the health care service. A network provider is permitted to bill an  
87.12 enrollee the approved co-payment, deductible, or coinsurance.

87.13 (b) A network provider is permitted to bill an enrollee for services not covered by  
87.14 the enrollee's health plan as long as the enrollee agrees in writing in advance before the  
87.15 service is performed to pay for the noncovered service.

87.16 **EFFECTIVE DATE.** This section is effective January 1, 2014.

87.17 Sec. 13. **[62K.12] QUALITY ASSURANCE AND IMPROVEMENT.**

87.18 Subdivision 1. **General.** (a) All health carriers offering an individual health plan or  
87.19 small group health plan must have a written internal quality assurance and improvement  
87.20 program that, at a minimum:

87.21 (1) provides for ongoing evaluation of the quality of health care provided to its  
87.22 enrollees;

87.23 (2) periodically reports the evaluation of the quality of health care to the health  
87.24 carrier's governing body;

87.26 providers that is consistent with community standards;

87.31 (6) collects and reports Health Effectiveness Data and Information Set (HEDIS)  
87.32 measures and conducts other quality assessment and improvement activities as directed  
87.33 by the commissioner of health.

88.1 (b) The commissioner of health shall submit a report to the chairs and ranking  
88.2 minority members of senate and house of representatives committees with primary  
88.3 jurisdiction over commerce and health policy by February 15, 2015, with recommendations  
88.4 for specific quality assurance and improvement standards for all Minnesota health carriers.  
88.5 The recommended standards must not require duplicative data gathering, analysis, or  
88.6 reporting by health carriers.

88.7 Subd. 2. **Exemption.** A health carrier that rents a provider network is exempt from  
88.8 this section, unless it is part of a holding company as defined in section 60D.15 that in  
88.9 aggregate exceeds ten percent market share in either the individual or small group market  
88.10 in Minnesota.

88.11 Subd. 3. **Waiver.** A health carrier that has obtained accreditation through the URAC  
88.12 for network management; quality improvement; credentialing; member protection; and  
88.13 utilization management, or has achieved an excellent or commendable level ranking  
88.14 from the National Committee for Quality Assurance (NCQA), shall be deemed to meet  
88.15 the requirements of subdivision 1. Proof of accreditation must be submitted to the  
88.16 commissioner of health in a form prescribed by the commissioner. The commissioner may  
88.17 adopt rules to recognize similar accreditation standards from any entity recognized by  
88.18 the United States Department of Health and Human Services for accreditation of health  
88.19 insurance issuers or health plans.

88.20 Subd. 4. **Enforcement.** The commissioner of health shall enforce this section.

88.21 Sec. 14. **[62K.13] SERVICE AREA REQUIREMENTS.**

88.22 (a) Any health carrier that offers an individual or small group health plan, must offer  
88.23 the health plan in a service area that is at least the entire geographic area of a county  
88.24 unless serving a smaller geographic area is necessary, nondiscriminatory, and in the best  
88.25 interest of enrollees. The service area for any individual or small group health plan must  
88.26 be established without regard to racial, ethnic, language, concentrated poverty, or health  
88.27 status-related factors, or other factors that exclude specific high-utilizing, high-cost, or  
88.28 medically underserved populations.

88.29 (b) If a health carrier that offers an individual or small group health plan requests  
88.30 to serve less than the entire county, the request must be made to the commissioner of  
88.31 health on a form and manner determined by the commissioner and must provide specific  
88.32 data demonstrating that the service area is not discriminatory, is necessary, and is in the  
88.33 best interest of enrollees.

88.34 (c) The commissioner of health shall enforce this section.

89.1       Sec. 15. **[62K.14] LIMITED-SCOPE PEDIATRIC DENTAL PLANS.**

89.3 under the Affordable Care Act: (1) on a guaranteed issue and guaranteed renewable basis;  
89.4 (2) with premiums rated on allowable rating factors used for health plans; and (3) without  
89.5 any exclusions or limitations based on preexisting conditions.

89.6           (b) Notwithstanding paragraph (a), a health carrier may discontinue a limited scope  
89.7 pediatric dental plan at the end of a plan year if the health carrier provides written  
89.8 notice to enrollees before coverage is to be discontinued that the particular plan is being  
89.9 discontinued and the health carrier offers enrollees other dental plan options that are the  
89.10 same or substantially similar to the dental plan being discontinued in terms of premiums,  
89.11 benefits, cost-sharing requirements, and network adequacy. The written notice to enrollees  
89.12 must be provided at least 105 days before the end of the plan year.

89.13           (c) Limited-scope pediatric dental plans must ensure primary care dental services  
89.14 are available within 60 miles or 60 minutes' travel time.

89.15           (d) If a stand-alone dental plan as defined under the Affordable Care Act or a  
89.16 limited-scope pediatric dental plan is offered, either separately or in conjunction with  
89.17 a health plan offered to individuals or small employers, the health plan shall not be  
89.18 considered in noncompliance with the requirements of the essential benefit package in the  
89.19 Affordable Care Act because the health plan does not offer coverage of pediatric dental  
89.20 benefits if these benefits are covered through the stand-alone or limited-scope pediatric  
89.21 dental plan, to the extent permitted under the Affordable Care Act.

89.22           (e) Health carriers offering limited-scope pediatric dental plans must comply with  
89.23 this section and sections 62K.07, 62K.08, 62K.13, and 62K.15.

89.24           (f) The commissioner of commerce shall enforce paragraphs (a) and (b). Any limited  
89.25 scope pediatric dental plan that is to be offered to replace a discontinued dental plan under  
89.26 paragraph (b) must be approved by the commissioner of commerce in terms of cost and  
89.27 benefit similarity, and the commissioner of health in terms of network adequacy similarity.  
89.28 The commissioner of health shall enforce paragraph (c).

89.29           **EFFECTIVE DATE.** This section is effective for health plans and dental plans that  
89.30 are offered, sold, issued, or renewed on or after January 1, 2014, with the exception of  
89.31 paragraphs (a) and (b), which are effective for health plans and dental plans that are  
89.32 offered, sold, issued, or renewed on or after January 1, 2015.

89.33       Sec. 16. **[62K.15] ANNUAL OPEN ENROLLMENT PERIODS.**

89.34           (a) Health carriers offering individual health plans must limit annual enrollment in  
89.35 the individual market to the annual open enrollment periods for the Minnesota Insurance

90.1 Marketplace. Nothing in this section limits the application of special or limited open  
90.2 enrollment periods as defined under the Affordable Care Act.

90.3 (b) Health carriers offering individual health plans must inform all applicants at the  
90.4 time of application and enrollees at least annually of the open and special enrollment  
90.5 periods as defined under the Affordable Care Act.

90.6 (c) The commissioner of commerce shall enforce this section.

90.7 Sec. 17. **EFFECTIVE DATE.**

90.8 Sections 1 to 16 are effective for health plans offered, sold, issued, or renewed on or  
90.9 after January 1, 2015, unless otherwise specified.
