BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2010, section 127A.05, subdivision 4, is amended to read:

Subd. 4. **Administrative rules.** (a) The commissioner may adopt new rules or amend any existing rules only under specific authority and consistent with the requirements of chapter 14. The commissioner may repeal any existing rules adopted by the commissioner. The commissioner may grant a variance to rules adopted by the commissioner upon application by a school district for purposes of implementing experimental programs in learning or school management. This subdivision shall not prohibit the commissioner from making technical changes or corrections to rules adopted by the commissioner.

(b) When the commissioner issues a policy, guideline, bulletin, criterion, manual standard, or similar pronouncement to school districts that meets the definition of a rule under section 14.02, subdivision 4, but that has not been adopted as a rule, the commissioner must include in the pronouncement a notice to the districts that the pronouncement is not enforceable. Consistent with section 14.381, subdivision 1, a district may petition the Office of Administrative Hearings seeking an order of an administrative law judge determining that the commissioner is enforcing or attempting to enforce a pronouncement as though it were a duly adopted rule.

EFFECTIVE DATE. This section is effective the day following final enactment.
