21.5 subsequently returns to state service, the unpaid amount is considered the equivalent of a
21.6 refund. The employee accrues no right by reason of the unpaid amount, except that the
21.7 employee may pay the amount of omitted deductions as provided in section 352.23.

21.8 Sec. 4. Minnesota Statutes 2019 Supplement, section 352.04, subdivision 9, is amended
21.9 to read:

21.10 Subd. 9. **Erroneous deductions, canceled payments.** (a) Deductions taken from the
21.11 salary of an employee for the retirement fund in excess of required amounts must, upon
21.12 discovery and verification by the ~~department~~ employing entity making the deduction, be
21.13 refunded to the employee. Employer contributions made in excess of required amounts must
21.14 be refunded or credited to the employing entity that made the contribution.

21.15 (b) If a deduction for the retirement fund is taken from a salary payment, and the payment
21.16 is canceled or the amount of the payment returned to the funds of the ~~department~~ employing
21.17 entity making the payment, the sum deducted, or the part of it required to adjust the
21.18 deductions, must be refunded or credited to the ~~department or institution~~ employing entity
21.19 if the ~~department~~ employing entity applies for the refund on a form furnished by the director.
21.20 ~~The department's payments must likewise be refunded to the department.~~

21.21 (c) If erroneous employee deductions and employer contributions are caused by an error
21.22 in plan coverage involving the plan and any other plans specified in section 356.99, that
21.23 section applies. If the employee should have been covered by the plan governed by chapter
21.24 352D, 353D, 354B, or 354D, the employee deductions and employer contributions taken
21.25 in error must be directly transferred to the applicable employee's account in the correct
21.26 retirement plan, with interest at the applicable monthly rate or rates specified in section
21.27 356.59, subdivision 2, compounded annually, from the first day of the month following the
21.28 month in which coverage should have commenced in the correct defined contribution plan
21.29 until the end of the month in which the transfer occurs.

21.30 Sec. 5. Minnesota Statutes 2018, section 352.04, is amended by adding a subdivision to
21.31 read:

21.32 Subd. 13. **"Employing entity" defined.** In this section, "employing entity" means the
21.33 entity that pays a state employee's salary and remits retirement contributions.

22.1 Sec. 6. Minnesota Statutes 2019 Supplement, section 352.113, subdivision 2, is amended
22.2 to read:

22.3 Subd. 2. **Application; accrual of benefits.** (a) An employee making claim for a total
22.4 and permanent disability benefit, or someone acting on behalf of the employee upon proof
22.5 of authority satisfactory to the director, shall file a written application for benefits in ~~the~~ an
22.6 office of the system ~~on or before the deadline specified in subdivision 4, paragraph (g) or~~
22.7 with a person authorized by the director.

22.8 (b) The application must be in a form and manner prescribed by the ~~executive~~ director
22.9 ~~and include the medical reports required by subdivision 4, paragraph (b).~~ The completed
22.10 application form and supporting documents must be received in an office of the system or
22.11 by an authorized person before the expiration of the period specified in subdivision 4,
22.12 paragraph (g). In this paragraph, "supporting documents" means:

22.13 (1) two medical reports as required by subdivision 4, paragraph (b); and

22.14 (2) a written certification by the employing entity as required by subdivision 4, paragraph
22.15 (e).

22.16 Supporting documents are not required to be original documents except as determined
22.17 by the director.

22.18 (c) The benefit shall begin to accrue the day following the start of disability or the day
22.19 following the last day paid, whichever is later, but not earlier than 180 days before the date
22.20 the application is and supporting documents are filed in an office of the system or with an
22.21 authorized person.

22.22 Sec. 7. Minnesota Statutes 2018, section 352.113, subdivision 4, is amended to read:

22.23 Subd. 4. **Medical or psychological examinations; authorization for payment of**
22.24 **benefit.** (a) Any physician, psychologist, chiropractor, physician assistant, podiatrist, or
22.25 nurse practitioner providing any service specified in this section must be licensed.

22.26 (b) An applicant shall provide a detailed report signed by a physician, and at least one
22.27 additional report signed by a physician, psychologist, chiropractor, physician assistant,
22.28 podiatrist, or nurse practitioner with evidence to support an application for total and
22.29 permanent disability. The reports must include an expert opinion regarding whether the
22.30 employee is permanently and totally disabled within the meaning of section 352.01,
22.31 subdivision 17, and that the disability arose before the employee was placed on any paid or
22.32 unpaid leave of absence or terminated public service.

23.1 (c) If there is medical evidence that supports the expectation that at some point the person
23.2 applying for the disability benefit will no longer be disabled, the decision granting the
23.3 disability benefit may provide for a termination date upon which the total and permanent
23.4 disability can be expected to no longer exist. When a termination date is part of the decision
23.5 granting benefits, prior to the benefit termination the executive director shall review any
23.6 evidence provided by the disabled employee to show that the disabling condition for which
23.7 benefits were initially granted continues. If the benefits cease, the disabled employee may
23.8 follow the appeal procedures described in section 356.96 or may reapply for disability
23.9 benefits using the process described in this subdivision.

23.10 (d) Any claim to disability must be supported by a report from the employer indicating
23.11 that there is no available work that the employee can perform with the disabling condition
23.12 and that all reasonable accommodations have been considered. Upon request of the executive
23.13 director, an employer shall provide evidence of the steps the employer has taken to attempt
23.14 to provide reasonable accommodations and continued employment to the claimant.

23.15 (e) The director shall also obtain written certification from the employer stating whether
23.16 the employment has ceased or whether the employee is on sick leave of absence because
23.17 of a disability that will prevent further service to the employer and that the employee is not
23.18 entitled to compensation from the employer.

23.19 (f) The medical adviser shall consider the reports of the physician, psychologist,
23.20 chiropractor, physician assistant, podiatrist, or nurse practitioner and any other evidence
23.21 supplied by the employee or other interested parties. If the medical adviser finds the employee
23.22 totally and permanently disabled, the adviser shall make appropriate recommendation to
23.23 the director in writing together with the date from which the employee has been totally
23.24 disabled. The director shall then determine if the disability occurred while still in the
23.25 employment of the state and constitutes a total and permanent disability as defined in section
23.26 352.01, subdivision 17.

23.27 (g) A terminated employee may apply for a disability benefit within 18 months of
23.28 termination as long as the disability occurred while in the employment of the state. The fact
23.29 that an employee is placed on leave of absence without compensation because of disability
23.30 does not bar that employee from receiving a disability benefit.

23.31 (h) Upon appeal, the board of directors may extend the disability benefit application
23.32 deadline in paragraph (g) by an additional 18 months if the terminated employee is
23.33 determined by the board of directors to have a cognitive impairment that made it unlikely

24.1 that the terminated employee understood that there was an application deadline or that the
 24.2 terminated employee was able to meet the application deadline.

24.3 (i) Unless the payment of a disability benefit has terminated because the employee is
 24.4 no longer totally disabled, or because the employee has reached normal retirement age as
 24.5 provided in this section, the disability benefit must cease with the last payment received by
 24.6 the disabled employee or which had accrued during the lifetime of the employee unless
 24.7 there is a spouse surviving. In that event, the surviving spouse is entitled to the disability
 24.8 benefit for the calendar month in which the disabled employee died.

24.9 Sec. 8. Minnesota Statutes 2019 Supplement, section 352.23, is amended to read:

24.10 **352.23 TERMINATION OF RIGHTS; REPAYMENT OF REFUND.**

24.11 (a) When any employee accepts a refund as provided in section 352.22, all existing
 24.12 allowable service credits and all rights and benefits to which the employee was entitled
 24.13 before accepting the refund terminate.

24.14 (b) Terminated service credits and rights must not again be restored until the former
 24.15 employee acquires at least six months of allowable service credit after taking the last refund
 24.16 and repays all refunds previously taken from the retirement fund with interest as provided
 24.17 in paragraph (d). ~~If an employee repays only part of a refund or repays a refund in partial~~
 24.18 ~~payments as permitted under paragraph (d), service credit will be restored in accordance~~
 24.19 ~~with section 356.44.~~ An employee will not be considered as entitled to any other benefit,
 24.20 including benefits for which the employee may be eligible because of the employee's original
 24.21 hire date into public employment, until full repayment of all refunds has been made.

24.22 (c) Repayment of refunds entitles the employee only to credit for service covered by (1)
 24.23 salary deductions; (2) payments previously made in lieu of salary deductions as permitted
 24.24 under law in effect when the payment in lieu of deductions was made; (3) payments made
 24.25 to obtain credit for service as permitted by laws in effect when payment was made; and (4)
 24.26 allowable service previously credited while receiving temporary workers' compensation as
 24.27 provided in section 352.01, subdivision 11, paragraph (a), clause (3).

24.28 (d) Payments under this section for repayment of refunds are to be paid with interest at
 24.29 the applicable annual rate or rates specified in section 356.59, subdivision 2, compounded
 24.30 annually, from the date the refund was taken until the date the refund is repaid. Repayment
 24.31 may be made ~~in partial payments consistent with section 356.44 during employment or in~~
 24.32 a lump sum during employment or up to six months after termination from service.

25.1 Sec. 9. Minnesota Statutes 2018, section 352.95, subdivision 3, is amended to read:

25.2 Subd. 3. **Applying for benefits; accrual.** No application for disability benefits may be
 25.3 made until after the last day physically on the job. The disability benefit begins to accrue
 25.4 the day following the last day for which the employee is paid sick leave or annual leave,
 25.5 but not earlier than 180 days before the date the application is filed. A terminated employee
 25.6 must file a written application ~~within the time frame specified under section 352.113,~~
 25.7 ~~subdivision 4, paragraph (g) in an office of the system or with a person authorized by the~~
 25.8 executive director. Applications must comply with section 352.113, subdivision 2, paragraph
 25.9 (b).

25.10 Sec. 10. Minnesota Statutes 2018, section 352B.011, subdivision 6, is amended to read:

25.11 Subd. 6. **Dependent child.** "Dependent child" means an individual who is a natural or
 25.12 adopted unmarried child of a deceased member and is under the age of 18 years, including
 25.13 any child of the member conceived during the lifetime of the member and born after the
 25.14 death of the member unless a parent-child relationship does not exist under section 524-2.120,
 25.15 subdivision 10.

25.16 Sec. 11. Minnesota Statutes 2018, section 352B.011, subdivision 10, is amended to read:

 52.11 and no later than six months after the termination date.

52.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

52.13 Sec. 4. Minnesota Statutes 2018, section 354.44, subdivision 6, is amended to read:

52.14 Subd. 6. **Computation of formula program retirement annuity.** (a) The formula
 52.15 retirement annuity must be computed in accordance with the applicable provisions of the
 52.16 formulas stated in paragraph (b) or (d) on the basis of each member's average salary under
 52.17 section 354.05, subdivision 13a, for the period of the member's formula service credit.

52.18 (b) This paragraph, in conjunction with paragraph (c), applies to a person who first
 52.19 became a member of the association or a member of a pension fund listed in section 356.30,
 52.20 subdivision 3, before July 1, 1989, unless paragraph (d), in conjunction with paragraph (e),
 52.21 produces a higher annuity amount, in which case paragraph (d) applies. The average salary
 52.22 as defined in section 354.05, subdivision 13a, multiplied by the following percentages per
 52.23 year of formula service credit shall determine the amount of the annuity to which the member
 52.24 qualifying therefor is entitled for service rendered before July 1, 2006:

52.25	Period	Coordinated Member	Basic Member
52.26	Each year of service	1.2 percent per year	2.2 percent per year
52.27	during first ten		
52.28	Each year of service	1.7 percent per year	2.7 percent per year
52.29	thereafter		

52.30 For service rendered on or after July 1, 2006, by a member other than a member who
 52.31 was a member of the former Duluth Teachers Retirement Fund Association between January
 52.32 1, 2006, and June 30, 2015, and for service rendered on or after July 1, 2013, by a member
 52.33 who was a member of the former Duluth Teachers Retirement Fund Association between

53.1 January 1, 2013, and June 30, 2015, the average salary as defined in section 354.05,
 53.2 subdivision 13a, multiplied by the following percentages per year of service credit, determines
 53.3 the amount the annuity to which the member qualifying therefor is entitled:

53.4	Period	Coordinated Member	Basic Member
53.5	Each year of service	1.4 percent per year	2.2 percent per year
53.6	during first ten		
53.7	Each year of service after	1.9 percent per year	2.7 percent per year
53.8	ten years of service		

53.9 (c)(1) This paragraph applies only to a person who first became a member of the
 53.10 association or a member of a pension fund listed in section 356.30, subdivision 3, before
 53.11 July 1, 1989, and whose annuity is higher when calculated under paragraph (b), in conjunction
 53.12 with this paragraph than when calculated under paragraph (d), in conjunction with paragraph
 53.13 (e).

53.14 (2) Where any member retires prior to normal retirement age under a formula annuity,
 53.15 the member shall be paid a retirement annuity in an amount equal to the normal annuity
 53.16 provided in paragraph (b) reduced by one-quarter of one percent for each month that the
 53.17 member is under normal retirement age at the time of retirement except that for any member
 53.18 who has 30 or more years of allowable service credit, the reduction shall be applied only
 53.19 for each month that the member is under age 62.

53.20 (3) Any member whose attained age plus credited allowable service totals 90 years is
 53.21 entitled, upon application, to a retirement annuity in an amount equal to the normal annuity
 53.22 provided in paragraph (b), without any reduction by reason of early retirement.

53.23 (d) This paragraph applies to a member who has become at least 55 years old and first
 53.24 became a member of the association after June 30, 1989, and to any other member who has
 53.25 become at least 55 years old and whose annuity amount when calculated under this paragraph
 53.26 and in conjunction with paragraph (e), is higher than it is when calculated under paragraph
 53.27 (b), in conjunction with paragraph (c).

53.28 (1) For a basic member, the average salary, as defined in section 354.05, subdivision
 53.29 13a, multiplied by 2.7 percent for each year of service for a basic member determines the
 53.30 amount of the retirement annuity to which the basic member is entitled. The annuity of a
 53.31 basic member who was a member of the former Minneapolis Teachers Retirement Fund
 53.32 Association as of June 30, 2006, must be determined according to the annuity formula under
 53.33 the articles of incorporation of the former Minneapolis Teachers Retirement Fund Association
 53.34 in effect as of that date.

54.1 (2) For a coordinated member, the average salary, as defined in section 354.05,
54.2 subdivision 13a, multiplied by 1.7 percent for each year of service rendered before July 1,
54.3 2006, and by 1.9 percent for each year of service rendered on or after July 1, 2006, for a
54.4 member other than a member who was a member of the former Duluth Teachers Retirement
54.5 Fund Association between January 1, 2006, and June 30, 2015, and by 1.9 percent for each
54.6 year of service rendered on or after July 1, 2013, for a member of the former Duluth Teachers
54.7 Retirement Fund Association between January 1, 2013, and June 30, 2015, determines the
54.8 amount of the retirement annuity to which the coordinated member is entitled.

54.9 ~~(e) This paragraph applies to a member who has become at least 55 years old and first~~
54.10 ~~becomes a member of the association after June 30, 1989, and to any other member who~~
54.11 ~~has become at least 55 years old and whose annuity is higher when calculated under~~
54.12 ~~paragraph (d) in conjunction with this paragraph than when calculated under paragraph (b),~~
54.13 ~~in conjunction with paragraph (c). An employee who retires under the formula annuity~~
54.14 ~~before the normal retirement age shall be paid the normal annuity provided in paragraph~~
54.15 ~~(d) reduced so that the reduced annuity is the actuarial equivalent of the annuity that would~~
54.16 ~~be payable to the employee if the employee deferred receipt of the annuity and the annuity~~
54.17 ~~amount were augmented at an annual rate of three percent compounded annually from the~~
54.18 ~~day the annuity begins to accrue until the normal retirement age if the employee became~~
54.19 ~~an employee before July 1, 2006, and at 2.5 percent compounded annually if the employee~~
54.20 ~~becomes an employee after June 30, 2006. Except in regards to section 354.46, this paragraph~~
54.21 ~~remains in effect until June 30, 2015.~~

54.22 ~~(f) Until June 30, 2019, this paragraph applies to a member who has become at least 55~~
54.23 ~~years old and first becomes a member of the association after June 30, 1989, and to any~~
54.24 ~~other member who has become at least 55 years old and whose annuity is higher when~~
54.25 ~~calculated under paragraph (d) in conjunction with this paragraph than when calculated~~
54.26 ~~under paragraph (b) in conjunction with paragraph (c). An employee who retires under the~~
54.27 ~~formula annuity before the normal retirement age is entitled to receive the normal annuity~~
54.28 ~~provided in paragraph (d), reduced as described in clause (1) or (2), as applicable.~~

54.29 (1) For a member who is at least age 62 and has at least 30 years of service, the annuity
54.30 shall be reduced by an early reduction factor of six percent for each year that the member's
54.31 age of retirement precedes normal retirement age. The resulting reduced annuity shall be
54.32 further adjusted to take into account the increase in the monthly amount that would have
54.33 occurred had the member retired early and deferred receipt of the annuity until normal
54.34 retirement age and the annuity was augmented during the deferral period at 2.5 percent, if

55.1 ~~the member commenced employment after June 30, 2006, or at three percent, if the member~~
55.2 ~~commenced employment before July 1, 2006, compounded annually.~~

55.3 ~~(2) For a member who has not attained age 62 or has fewer than 30 years of service, the~~
55.4 ~~annuity shall be reduced for each year that the member's age of retirement precedes the~~
55.5 ~~normal retirement age by the following early reduction factors:~~

55.6 ~~(i) for the period during which the member is age 55 through age 59, the factor is four~~
55.7 ~~percent; and~~

55.8 ~~(ii) for the period during which the member is age 60 but not yet normal retirement age,~~
55.9 ~~the factor is seven percent.~~

55.10 ~~The resulting reduced annuity shall be further adjusted to take into account the increase~~
55.11 ~~in the monthly amount that would have occurred had the member retired early and deferred~~
55.12 ~~receipt of the annuity until normal retirement age and the annuity was augmented during~~
55.13 ~~the deferral period at 2.5 percent, if the member commenced employment after June 30,~~
55.14 ~~2006, or at three percent, if the member commenced employment before July 1, 2006,~~
55.15 ~~compounded annually.~~

55.16 ~~(g) For members who retire on or after July 1, 2019, (c)~~ This paragraph applies to a
55.17 person who has become at least 55 years old and first becomes a member of the association
55.18 after June 30, 1989, and to any other member who has become at least 55 years old and
55.19 whose annuity is higher when calculated under paragraph (d) in conjunction with this
55.20 paragraph than when calculated under paragraph (b) in conjunction with paragraph (c). An
55.21 employee who retires under the formula annuity before the normal retirement age is entitled
55.22 to receive the normal annuity provided in paragraph (d), reduced as described in clause (1)
55.23 or (2), as applicable.

55.24 (1) For a member who is at least age 62 and has at least 30 years of service, the annuity
55.25 shall be reduced by an early reduction factor of six percent for each year that the member's
55.26 age of retirement precedes the normal retirement age. The resulting reduced annuity shall
55.27 be further adjusted to take into account the increase in the monthly amount that would have
55.28 occurred had the member retired early and deferred receipt of the annuity until normal
55.29 retirement age and the annuity was augmented during the deferral period at 2.5 percent, if
55.30 the member commenced employment after June 30, 2006, or at three percent, if the member
55.31 commenced employment before July 1, 2006, compounded annually.

55.32 (2) For a member who has not attained age 62 or has fewer than 30 years of service, the
55.33 annuity shall be reduced for each year that the member's age of retirement precedes normal
55.34 retirement age by the following early reduction factors:

56.1 (i) for the period during which the member is age 55 through age ~~59~~ 58, the factor is
 56.2 four percent; and

56.3 (ii) for the period during which the member is at least age ~~60~~ 59 but not yet normal
 56.4 retirement age, the factor is seven percent.

56.5 The resulting annuity shall be further adjusted to take into account the increase in the
 56.6 monthly amount that would have occurred had the member retired early and deferred receipt
 56.7 of the annuity until normal retirement age and the annuity was augmented during the deferral
 56.8 period at the applicable annual rate, compounded annually. The applicable annual rate is
 56.9 the rate in effect for the month that includes the member's effective date of retirement and
 56.10 shall be considered as fixed for the member for the period until the member reaches normal
 56.11 retirement age. The applicable annual rate for June 2019 is 2.5 percent, if the member
 56.12 commenced employment after June 30, 2006, or three percent, if the member commenced
 56.13 employment before July 1, 2006, compounded annually, and decreases each month beginning
 56.14 July 2019 in equal monthly increments over the five-year period that begins July 1, 2019,
 56.15 and ends June 30, 2024, to zero percent effective for July 2024 and thereafter.

56.16 After June 30, 2024, the reduced annuity commencing before normal retirement age
 56.17 under this clause shall not take into account any augmentation.

56.18 ~~(h) After June 30, 2015, and before July 1, 2019, for a person who would have a reduced~~
 56.19 ~~retirement annuity under either paragraph (e) or (f) if they were applicable, the employee~~
 56.20 ~~is entitled to receive a reduced annuity which must be calculated using a blended reduction~~
 56.21 ~~factor augmented monthly by 1/60 of the difference between the reduction required under~~
 56.22 ~~paragraph (e) and the reduction required under paragraph (f).~~

56.23 ~~(i)~~ (f) No retirement annuity is payable to a former employee with a salary that exceeds
 56.24 95 percent of the governor's salary unless and until the salary figures used in computing the
 56.25 highest five successive years average salary under paragraph (a) have been audited by the
 56.26 Teachers Retirement Association and determined by the executive director to comply with
 56.27 the requirements and limitations of section 354.05, subdivisions 35 and 35a.

56.28 **EFFECTIVE DATE.** This section is effective the day following final enactment, except
 56.29 the amendment to paragraph (g), clause (2), is effective retroactively from June 30, 2018.

56.31 Subd. 2. **Surviving spouse survivor coverage.** (a) If the active or deferred member was
 56.32 at least age 55 and had credit for at least three years of allowable service on the date of
 56.33 death, the surviving spouse is entitled to the second portion of a 100 percent joint and

57.1 survivor annuity specified under section 354.45, based on the age of the active or deferred
57.2 member at the time of death and the age of the surviving spouse at the time the benefit
57.3 accrues.

57.4 (b) If the active or deferred member was under age 55 and had credit for at least 30 years
57.5 of allowable service on the date of death, the surviving spouse may elect to receive the
57.6 second portion of a 100 percent joint and survivor annuity based on the age of the active or
57.7 deferred member on the date of death and the age of the surviving spouse at the time the
57.8 benefit accrues. If section 354.44, subdivision 6, applies, the annuity is payable using the
57.9 full early retirement reduction under section 354.44, subdivision 6, paragraph (c), clause
57.10 ~~(3)(ii)~~ (2), to age 55 and one-half of the early retirement reduction from age 55 to the age
57.11 payment begins.

57.12 (c) If the active or deferred member was under age 55 and had credit for at least three
57.13 years of allowable service on the date of death, but did not yet qualify for retirement, the
57.14 surviving spouse may elect to receive the second portion of a 100 percent joint and survivor
57.15 annuity based on the age of the active or deferred member at the time of death and the age
57.16 of the surviving spouse at the time the benefit accrues. If section 354.44, subdivision 6,

57.18 354.44, subdivision 6, to age 55 and one-half of the early retirement reduction from age 55
57.19 to the age the annuity begins.

57.20 (d) The surviving spouse eligible for surviving spouse benefits under this subdivision
57.21 may apply for the annuity any time after the member's death. The benefit may not begin to
57.22 accrue more than six months before the date the application is filed with the executive
57.23 director and may not accrue before the member's death. The benefit is payable for life. Any

69.27 (e) For a defined benefit relief association in which the governing bylaws provide for a
69.28 monthly benefit service pension as an alternative form of service pension payment to a
69.29 lump-sum service pension, the maximum service pension amount for each pension payment
69.30 type must be determined using the applicable table contained in this subdivision.

69.31 (f) If a defined benefit relief association establishes a service pension in compliance
69.32 with the applicable maximum contained in paragraph (c) or (d) and the minimum average
69.33 amount of available financing per active covered firefighter is subsequently reduced because
69.34 of a reduction in fire state aid or because of an increase in the number of active firefighters,
69.35 the relief association may continue to provide the prior service pension amount specified
69.36 in its bylaws, but may not increase the service pension amount until the minimum average

70.1 amount of available financing per firefighter under the table in paragraph (c) or (d), whichever
70.2 applies, permits.

70.3 (g) No defined benefit relief association is authorized to provide a service pension in an
70.4 amount greater than the largest applicable flexible service pension maximum amount even
70.5 if the amount of available financing per firefighter is greater than the financing amount
70.6 associated with the largest applicable flexible service pension maximum.

70.7 (h) The method of calculating service pensions must be applied uniformly for all years
70.8 of active service. Credit must be given for all years of active service except for caps on
70.9 service credit if so provided in the bylaws of the relief association.

70.10 **EFFECTIVE DATE.** This section is effective January 1, 2021.

70.11 Sec. 2. **REPEALER.**

70.12 Laws 2018, chapter 211, article 14, section 29, is repealed.

70.13 **EFFECTIVE DATE.** This section is effective January 1, 2021.

70.14 **ARTICLE 11**

70.15 **VOLUNTEER FIREFIGHTER RELIEF ASSOCIATIONS** 70.16 **ALLOCATION OF FIRE STATE AID**

70.17 Section 1. Minnesota Statutes 2019 Supplement, section 477B.04, subdivision 3, is amended
70.18 to read:

70.19 Subd. 3. **Deposit of state aid.** (a) If the municipality or the independent nonprofit
70.20 firefighting corporation is covered by the voluntary statewide volunteer firefighter retirement
70.21 plan under chapter 353G, the executive director of the Public Employees Retirement
70.22 Association must credit the fire state aid against future municipal contribution requirements
70.23 under section 353G.08 and must notify the municipality or the independent nonprofit
70.24 firefighting corporation of the fire state aid so credited at least annually.

70.25 (b) If (1) the municipality or the independent nonprofit firefighting corporation is not
70.26 covered by the voluntary statewide volunteer firefighter retirement plan; and is affiliated
70.27 with a duly incorporated firefighters relief association, (2) the relief association has filed a
70.28 financial report with the municipality pursuant to section 424A.014, subdivision 1 or 2,
70.29 whichever applies, and (3) there is not an aid allocation agreement under section 477B.042
70.30 in effect, then the treasurer of the municipality must, within 30 days after receipt, transmit
70.31 the fire state aid to the treasurer of the ~~duly incorporated firefighters' relief association if~~
70.32 ~~there is one organized and the association has filed a financial report with the municipality~~

71.1 ~~pursuant to section 424A.014, subdivision 1 or 2, whichever applies.~~ relief association. If
 71.2 clauses (1) and (2) are satisfied and there is an aid allocation agreement under section
 71.3 477B.042 in effect, then fire state aid must be transmitted as described in that section. If
 71.4 the relief association has not filed a financial report with the municipality, then, regardless
 71.5 of whether an aid allocation agreement is in effect, the treasurer of the municipality must
 71.6 delay transmission of the fire state aid to the relief association until the complete financial
 71.7 report is filed.

71.8 (c) The treasurer of the municipality must deposit the fire state aid money in the municipal
 71.9 treasury if (1) the municipality or independent nonprofit firefighting corporation is not
 71.10 covered by the voluntary statewide volunteer firefighter retirement plan, (2) there is no
 71.11 relief association organized, (3) the association has dissolved, or (4) the association has
 71.12 been removed as trustees of state aid. The money may be disbursed from the municipal
 71.13 treasury only for the purposes and in the manner set forth in section 424A.08 or for the
 71.14 payment of the employer contribution requirement with respect to firefighters covered by
 71.15 the public employees police and fire retirement plan under section 353.65, subdivision 3.

71.16 **EFFECTIVE DATE.** This section is effective for aids payable in 2021 and thereafter.

71.17 **Sec. 2. [477B.042] ALLOCATION OF FIRE STATE AID FOR RELIEF**
 71.18 **ASSOCIATIONS.**

71.19 Subdivision 1. **Applicability.** (a) This section applies to fire state aid payable each year
 71.20 under section 477B.04, subdivision 3, paragraph (b), if, during the prior year, the municipality
 71.21 or independent nonprofit firefighting corporation:

71.22 (1) employs one or more volunteer firefighters covered by the relief association affiliated
 71.23 with the municipality or independent nonprofit firefighting corporation under chapter 424A;
 71.24 and

71.25 (2) contributes on behalf of one or more firefighters to the public employees police and
 71.26 fire retirement plan under chapter 353.

71.27 (b) This section does not apply to police and firefighter supplemental state aid under
 71.28 section 423A.022.

71.29 Subd. 2. **Allocation of fire state aid.** (a) The municipality or independent nonprofit
 71.30 firefighting corporation and the affiliated relief association may agree to allocate fire state
 71.31 aid between the relief association and the public employees police and fire retirement plan
 71.32 by entering into an aid allocation agreement described in subdivision 3.

72.1 (b) If an aid allocation agreement has been filed with the state auditor and is in effect,
 72.2 then within 30 days of receipt of the fire state aid the treasurer of the municipality must
 72.3 transmit to the relief association the amount of the fire state aid as determined in the aid
 72.4 allocation agreement. If a municipality receives fire state aid on behalf of an independent
 72.5 nonprofit firefighting corporation, the municipality must also transmit any remaining fire
 72.6 state aid to the independent nonprofit firefighting corporation.

72.7 (c) The fire state aid allocated to the municipality or independent nonprofit firefighting
 72.8 corporation may only be disbursed for the payment of employer contributions for firefighters
 72.9 covered by the public employees police and fire retirement plan or for contributions to the
 72.10 relief association and must be disbursed within 18 months of receipt by the municipality or
 72.11 independent nonprofit firefighting corporation.

72.12 Subd. 3. **Aid allocation agreement.** (a) An aid allocation agreement is a written
 72.13 agreement that meets the following requirements:

72.14 (1) the agreement specifies:

72.15 (i) the percentage of the fire state aid, a dollar amount, or a formula for determining the
 72.16 amount of fire state aid that will be transmitted to the relief association annually; and

72.17 (ii) the period of time covered by the agreement and the date on which the agreement
 72.18 expires; and

72.19 (2) the agreement has been signed by:

72.20 (i) an individual authorized to sign on behalf of the municipality or independent nonprofit
 72.21 firefighting corporation; and

72.22 (ii) the president of the relief association or its representative duly appointed for the
 72.23 purposes of this section.

72.24 (b) An aid allocation agreement is not effective unless filed with the state auditor under
 72.25 subdivision 5.

72.26 Subd. 4. **Modifying or terminating the aid allocation agreement.** (a) The parties to
 72.27 the agreement may modify or terminate the aid allocation agreement, provided that the
 72.28 modification or termination is in writing and signed by the parties.

72.29 (b) If the amount of fire state aid paid to a municipality or independent nonprofit
 72.30 firefighting corporation by the commissioner changes by an amount greater than 50 percent
 72.31 of the prior year's amount, then the aid allocation agreement may be terminated by either
 72.32 party to the agreement by providing written notice of termination to the other party.

73.1 (c) Unless the aid allocation agreement provides otherwise, termination is effective for
 73.2 the fire state aids payable in the calendar year after notice of termination has been given.

 73.7 the municipality or independent nonprofit firefighting corporation must notify the Office
 73.8 of the State Auditor in writing within 30 days after the termination date.

73.9 (c) If the municipality or independent nonprofit firefighting corporation fails to file by
 73.10 the deadline in paragraph (a), fire state aid payments must not be allocated, but must be
 73.11 transmitted to the relief association until the agreement has been filed. If the state auditor
 73.12 determines that an aid allocation agreement does not meet the requirements of subdivision
 73.13 3, any future fire state aid payments must be transmitted to the relief association by the
 73.14 municipality until the municipality files with the state auditor an aid allocation agreement
 73.15 that satisfies the requirements under subdivision 3.

73.16 **EFFECTIVE DATE.** This section is effective for aids payable in 2021 and thereafter.

73.17 Sec. 3. **GRANDFATHERING EXISTING AID ALLOCATION AGREEMENTS.**

74.21 (2) by the date required under the agreement, transmit to the relief association no less

78.19 **PLAN TERMINATION.**

78.20 Subdivision 1. **Application.** (a) Notwithstanding any laws to the contrary, this section
78.21 applies to:

78.22 (1) the termination of a retirement plan established and administered by a relief
78.23 association, whether or not the relief association is also dissolved or eliminated; and

78.24 (2) the dissolution of a relief association that is not consolidating with another relief
78.25 association under sections 424B.01 to 424B.10.

78.26 This section does not apply to the dissolution of a relief association or the termination
78.27 of a retirement plan that occurs due to the change in retirement coverage from a retirement
78.28 plan administered by a relief association to the Public Employees Retirement Association
78.29 statewide volunteer firefighter plan under section 353G.06.

79.1 (b) To terminate a retirement plan, the board of trustees must comply with subdivisions
 79.2 3, 5 to 11, and, if desired, subdivision 4.

79.3 (c) To dissolve a relief association, the board of trustees of the relief association must:

79.4 (1) terminate the retirement plan in accordance with this section;

79.5 (2) determine all legal obligations of the special and general funds of the relief association,
 79.6 as required by subdivision 5;

79.7 (3) take the actions required by subdivision 12; and

79.8 (4) comply with the requirements governing dissolution of nonprofit corporations under
 79.9 chapter 317A.

79.10 (d) A relief association that terminates its retirement plan must liquidate its special fund
 79.11 as provided in subdivision 8, but need not liquidate its general fund if the relief association
 79.12 is not being dissolved.

79.13 Subd. 2. **Involuntary dissolution and termination.** (a) A relief association is dissolved
 79.14 and the retirement plan administered by the relief association is terminated automatically
 79.15 if:

79.16 (1) the fire department affiliated with a relief association is dissolved by action of the
 79.17 governing body of the municipality in which the fire department is located or by the
 79.18 governing body of the independent nonprofit firefighting corporation, whichever applies;
 79.19 or

79.20 (2) the fire department affiliated with a relief association has terminated the employment
 79.21 or services of all active firefighters covered by the relief association.

79.22 (b) An involuntary termination of a relief association under this subdivision is effective
 79.23 on the December 31 that is at least eight months after the date on which the fire department
 79.24 is dissolved or the termination of employment or services of all active firefighters occurs.

79.25 (c) The retirement plan administered by a relief association is terminated automatically
 79.26 if the relief association is dissolved, effective on the date of the dissolution of the relief
 79.27 association.

79.28 Subd. 3. **Retirement plan termination date, full vesting, and forfeitures.** (a) Unless
 79.29 subdivision 2 applies, the effective date of the termination of a retirement plan is the effective
 79.30 date of the dissolution of the relief association or, if the relief association is not being
 79.31 dissolved, the end of the calendar year in which the employment or services of all active

80.1 firefighters has been terminated, unless the board of trustees of the relief association approves
80.2 a different termination date.

80.3 (b) As of the earlier of the retirement plan termination date or the date on which the
80.4 employment or services of all active firefighters have been terminated, each member becomes
80.5 fully (100 percent) vested in the member's retirement benefit under the retirement plan,
80.6 notwithstanding any bylaws or laws to the contrary, except as provided in paragraph (c).

80.7 (c) If the relief association is a defined contribution relief association, the account of
80.8 each member who becomes 100 percent vested under paragraph (b) shall include an allocation
80.9 of any forfeiture that is required, under the bylaws of the relief association, to occur on or
80.10 as of the end of the calendar year during which the termination of the retirement plan is
80.11 effective, if the member is entitled to an allocation of forfeitures under the bylaws. Any
80.12 account so forfeited shall not be included in the retirement benefits that become 100 percent
80.13 vested under paragraph (b).

80.14 Subd. 4. **Benefit increase.** (a) Notwithstanding section 424A.02, subdivision 10, the
80.15 board of trustees of a relief association may increase the benefit amount under a defined
80.16 benefit relief association without the consent of the affiliated municipality or independent
80.17 nonprofit firefighting corporation, as provided in this subdivision.

80.18 (b) If the retirement plan being terminated is a defined benefit plan, the board of trustees
80.19 may approve an amendment to the bylaws of the relief association to increase the lump-sum
80.20 or monthly pension amount or both the lump and monthly pension amount, if the relief
80.21 association offers both, up to 125 percent of the largest maximum lump-sum service pension
80.22 amount or service pension amount payable per month in effect under paragraphs (c) or (d),
80.23 respectively, of section 424A.02, subdivision 3, without regard to the relief association's
80.24 minimum average amount of available financing per firefighter. The amount by which the
80.25 lump-sum or monthly pension amount is increased must not cause the liabilities of the
80.26 retirement plan to exceed the value of the assets, after taking into account full vesting as
80.27 required under subdivision 3 and any administrative expenses.

80.28 (c) The board of trustees shall specify whether the benefit increase will apply to only
80.29 members active as of the date of the termination of the retirement plan or whether the benefit
80.30 increase will apply to all members, including members who are not active as of the plan
80.31 termination date.

80.32 Subd. 5. **Determination of assets and liabilities.** (a) The board of trustees shall determine
80.33 the following as of the date of termination of the retirement plan:

80.34 (1) the fair market value of the assets of the special fund;

81.1 (2) the present value of each member's accrued benefit, taking into account full vesting
 81.2 under subdivision 3 and any increased lump-sum or monthly benefit level approved under
 81.3 subdivision 4;

81.4 (3) the present value of any benefit remaining to be paid to each retiree in pay status, if
 81.5 any; and

81.6 (4) administrative expenses incurred or reasonably anticipated to be incurred through
 81.7 the date on which all retirement benefits have been distributed or transferred or, if later, the
 81.8 effective date of the dissolution of the relief association.

81.9 (b) The board of trustees shall compile a schedule that includes the following information:

81.10 (1) the name of each member and retiree in pay status to whom a benefit or pension is
 81.11 or will be owed;

81.12 (2) the name of each other benefit recipient to whom a benefit or pension is or will be
 81.13 owed; and

81.14 (3) for each individual described in clauses (1) and (2), the amount of the benefit or
 81.15 pension to which the individual is entitled under the bylaws of the relief association, taking
 81.16 into account the changes required or permitted by this section, the corresponding number
 81.17 of years of service on which the benefit or pension is based, and the earliest date on which
 81.18 the benefit or pension would have been payable under the bylaws of the relief association.

81.19 (c) If the relief association is dissolving, in addition to the determination under paragraph
 81.20 (a) for the retirement plan, the board of trustees shall determine, as of the effective date of
 81.21 the dissolution of the relief association, the legal obligations of the general fund of the relief
 81.22 association.

81.23 Subd. 6. **Investment of assets while termination is pending.** To minimize the risk of
 81.24 investment losses between the termination date and the date benefits will begin to be
 81.25 distributed, the board of trustees shall invest the assets in the special fund in low-risk
 81.26 investments, to the extent consistent with its fiduciary duty under chapter 356A.

81.27 Subd. 7. **Allocation of surplus.** (a) If the retirement plan is a defined benefit plan and
 81.28 if, after completing the determination of assets, liabilities, and administrative expenses under
 81.29 subdivision 5, there is a surplus, the board of trustees shall transfer to the affiliated
 81.30 municipality the lesser of (1) the amount of the surplus, or (2) the sum of all required
 81.31 contributions, without investment earnings or interest thereon, made by the municipality to
 81.32 the relief association during the year in which the termination of the retirement plan occurs
 81.33 or during the preceding nine years.

82.1 (b) If the affiliated municipality did not make any required contributions to the relief
 82.2 association during the current or preceding nine years or if, after the transfer described in
 82.3 paragraph (a), there is surplus remaining, the relief association and the municipality will
 82.4 mutually agree on an allocation between them of the remaining surplus.

82.5 (c) If, within 180 days of the date of termination of the retirement plan, the municipality
 82.6 and relief association have not reached an agreement on the allocation of the surplus under
 82.7 paragraph (b), then 50 percent of the surplus shall be retained by the relief association and
 82.8 50 percent of the surplus shall be transferred to the affiliated municipality.

82.9 (d) Any surplus retained by the relief association under paragraph (c) shall be allocated
 82.10 among all members eligible to share in the surplus in the same proportion that the present
 82.11 value of the accrued benefit for each eligible member bears to the total present value of the
 82.12 accrued benefits of all members eligible to share in the surplus, and each eligible member's
 82.13 benefit, as determined under subdivision 5, paragraph (a), clause (2), shall be increased by
 82.14 the member's share of the surplus. The board of trustees shall determine eligibility to share
 82.15 in the surplus, which may include any of the following, in addition to firefighters active as
 82.16 of the date on which members became 100 percent vested:

82.17 (1) inactive firefighters;

82.18 (2) former firefighters with a deferred benefit under the retirement plan; and

82.19 (3) retirees in pay status and any other firefighters who, within the last three years or
 82.20 such other number of years as determined by the board of trustees, separated from active
 82.21 service and (i) received their retirement benefit, or (ii) began to receive distribution of a
 82.22 retirement benefit in installments or as a monthly pension.

82.23 If the board of trustees decides to include the individuals described in clause (3) in the
 82.24 allocation of the surplus, the board of trustees shall modify the method for allocating the
 82.25 surplus to take into account such individuals.

82.26 (e) Any amount of surplus transferred to the affiliated municipality under this subdivision
 82.27 may only be used for the purposes described in section 424A.08, paragraph (a) or (b).

82.28 **Subd. 8. Immediate distribution of retirement benefits and payment of all other**
 82.29 **obligations.** (a) The board of trustees shall liquidate the assets of the special fund and pay
 82.30 retirement benefits and administrative expenses under the retirement plan within 210 days
 82.31 after the effective date of the termination of the retirement plan.

82.32 (b) If the retirement plan is a defined benefit plan that pays lump-sum benefits or a
 82.33 defined contribution plan, without regard to whether the member has attained age 50, each

83.1 member and other benefit recipient shall be permitted to elect an immediate distribution or
83.2 a direct rollover of the member's benefit to an eligible retirement plan as permitted under
83.3 section 356.635, subdivisions 3 to 7, if the benefit is an eligible rollover distribution as
83.4 defined in section 356.635, subdivisions 4 and 5.

83.5 (c) If the retirement plan is a defined benefit plan that pays monthly pension benefits,
83.6 the board of trustees shall, at the election of the member or other benefit recipient, purchase
83.7 an annuity contract under section 424A.015, subdivision 3, naming the member or other
83.8 benefit recipient, as applicable, as the insured or distribute a lump sum amount that is equal
83.9 to the present value of the monthly pension benefits to which the member or other benefit
83.10 recipient is entitled. If an annuity is elected by the member or other benefit recipient, the
83.11 annuity shall provide for commencement at a date elected by the insured, to be paid as an
83.12 annuity for the life of the insured. Legal title to the annuity contract shall be transferred to
83.13 the insured. If a lump sum is elected, the option under paragraph (b) to take an immediate
83.14 distribution or a direct rollover shall apply.

83.15 (d) The board of trustees shall complete the distribution of all assets of the special fund
83.16 by making any remaining distributions or transfers as required under subdivision 9 on behalf
83.17 of members or other benefit recipients who cannot be located or are unresponsive and paying
83.18 any remaining administrative expenses related to the termination of the plan.

83.19 Subd. 9. **Missing members.** (a) For purposes of this subdivision, the terms defined in

83.24 pays a lump sum; or

83.25 (3) an amount equal to the present value of the member's benefit if the retirement plan
83.26 is a defined benefit plan that pays a monthly annuity.

83.27 (c) "Individual retirement account" means an account that satisfies the requirements of
83.28 section 408(a) of the Internal Revenue Code which is established by an officer of the relief
83.29 association in the name of the member or other benefit recipient at a federally insured
83.30 financial institution.

83.31 (d) If the board of trustees cannot locate a member or other benefit recipient or receives
83.32 no response to an offer to distribute a retirement benefit, the board of trustees shall make a
83.33 diligent effort to obtain a current address or other contact information as follows:

84.1 (1) send a notice to the address on file for the member or other benefit recipient using
84.2 certified mail;

84.3 (2) check with the Minnesota State Fire Department Association, the municipality, and
84.4 any other employer of the member;

84.5 (3) check with the member's designated beneficiary on file with the relief association;

 95.18 association's conversion of its defined benefit plan to a defined contribution plan is required
 95.19 as provided under subdivision 7 only if the relief association does not have a surplus as of
 95.20 the end of the relief association's most recent fiscal year before the conversion effective
 95.21 date.

95.22 **Subd. 4. Benefit increase.** (a) If the relief association has a surplus as of the end of the
 95.23 relief association's most recent fiscal year before the conversion effective date, the board
 95.24 of trustees may approve a resolution that increases the lump-sum benefit or monthly pension
 95.25 amount or both the lump sum and monthly pension amount, if the relief association offers
 95.26 both, and amends the relief association bylaws without the consent of the affiliated
 95.27 municipality or firefighting corporation, notwithstanding section 424A.02, subdivision 10.
 95.28 The resulting lump-sum benefit or monthly pension amount is not limited to the maximum
 95.29 lump-sum benefit or monthly pension amounts under section 424A.02, subdivision 3.

95.30 (b) The benefit increase must not cause the liabilities of the retirement plan to exceed
 95.31 the value of the assets, after taking into account full vesting as required under subdivision
 95.32 2 and any administrative expenses arising from the conversion.

96.1 (c) The board of trustees shall specify whether the benefit increase will apply only to
96.2 members active as of the conversion effective date or whether the benefit increase will apply
96.3 to all members, including members who are not active as of the conversion effective date,
96.4 notwithstanding section 424A.015, subdivision 6.

96.5 (d) The board of trustees' resolution approving an increase in the benefit level must be
96.6 considered conditional on there being sufficient assets to fund the increase and must state
96.7 that if, as of the date benefits are transferred to the defined contribution plan, there are not
96.8 sufficient assets to cover all benefit liabilities at the new higher benefit level, the benefit
96.9 level will be reduced until assets equal or are greater than liabilities. The resolution must
96.10 state that the new lower benefit level will be considered approved by the board of trustees
96.11 without further action by the board.

96.12 Subd. 5. **Determination of value of pension benefits and distribution to former**
96.13 **members in pay status.** (a) The board of trustees shall determine the present value of each
96.14 member's accrued benefit, taking into account the full vesting requirement under subdivision
96.15 2 and any increase in the lump-sum benefit or monthly pension amount approved under
96.16 subdivision 4:

96.17 (1) using the method set forth in section 424A.092, subdivision 2, for determining a
96.18 plan's funded status by calculating the value of each firefighter's accrued benefit; or

96.19 (2) as determined by an actuary retained by the relief association, who meets the definition
96.20 of approved actuary under section 356.215, subdivision 1, paragraph (c).

96.21 (b) If the retirement plan pays a monthly pension, the board of trustees shall determine
96.22 the present value of the remaining payments to any former member or beneficiary who is
96.23 receiving an annuity. Present value shall be determined by an actuary who meets the
96.24 definition of approved actuary under section 356.215, subdivision 1, paragraph (c), retained
96.25 by the relief association. The relief association shall offer the former member or beneficiary
96.26 receiving the annuity:

96.27 (1) an immediate lump sum distribution of an amount equal to the present value of the
96.28 remaining payments as determined by the actuary and permit the former member or
96.29 beneficiary to elect a lump sum payment or a direct rollover of the amount to an eligible
96.30 retirement plan as permitted under section 356.635, subdivisions 3 to 7, if the distribution
96.31 is an eligible rollover distribution as defined in section 356.635, subdivisions 4 and 5; or

96.32 (2) continued payments in the same monthly amount, under an annuity to be purchased
96.33 by the board of trustees from a reputable insurance company licensed to do business in the
96.34 state.

97.1 Subd. 6. Allocation of surplus. (a) If, as of the conversion effective date, the defined
97.2 benefit plan has a surplus, the board of trustees shall allocate the surplus as follows:

97.3 (1) per capita method: each member's account will receive the same dollar amount;

97.4 (2) service-based method: each member's account will receive a share of the surplus
97.5 based on the ratio of the member's years of service to the total years of service for all
97.6 members; or

97.7 (3) member and municipality sharing method under paragraph (b).

97.8 (b) The board of trustees may allocate the surplus using the member and municipality
97.9 sharing method in accordance with this paragraph.

97.10 (1) For this purpose, "municipality" means "municipality" or "firefighting corporation,"
97.11 as applicable.

97.12 (2) If the fire department is operated by more than one municipality under a joint powers
97.13 agreement:

97.14 (i) any consent by the municipality under this paragraph requires consent by each
97.15 municipality that is party to the joint powers agreement;

97.16 (ii) any payment of surplus to the municipality under this paragraph requires a payment
97.17 of a pro rata share of surplus to each municipality that is party to the joint powers agreement;
97.18 and

97.19 (iii) any restrictions on the use of surplus applies to each municipality that is party to
97.20 the joint powers agreement.

97.21 (3) Under the member and municipality sharing method:

97.22 (i) first, the municipality will receive a share of the surplus based on the ratio of the
97.23 municipal contributions made to the defined benefit relief association over a specified period
97.24 of years to the total of fire state aid paid and municipal contributions made to the defined
97.25 benefit relief association over the same period; and

97.26 (ii) second, any remaining surplus will be allocated to accounts of members using the
97.27 per capita or service-based method.

97.28 (4) The board of trustees may impose conditions on the use of the surplus by the
97.29 municipality, as follows:

98.1 (i) all or a specified portion of the surplus must be contributed back to the defined
98.2 contribution relief association over a specified number of future years for allocation to the
98.3 accounts of members eligible for an allocation;

98.4 (ii) all or a specified portion of the surplus must be used by the municipality for the
98.5 purposes described in section 424A.08, paragraph (a) or (b); or

98.6 (iii) all or a specified portion of the surplus must be used by the municipality to provide
98.7 health insurance or other welfare benefits for the members.

98.8 (c) The board of trustees shall specify whether the surplus will be allocated only to
98.9 members who are active firefighters as of the conversion effective date or whether the
98.10 surplus will be allocated to all members, including members who are not active firefighters
98.11 as of the conversion effective date.

98.12 Subd. 7. **Conversion without surplus.** If the relief association does not have a surplus
98.13 as of the end of the relief association's most recent fiscal year before the conversion effective
98.14 date, the board of trustees shall:

98.15 (1) obtain the consent of the municipality, of each municipality, if more than one
98.16 municipality operates the fire department pursuant to a joint powers agreement, or of the
98.17 firefighting corporation to the conversion and bylaws amendments under subdivision 2; and

98.18 (2) either:

98.19 (i) include with the resolutions of the board of trustees under subdivision 2 a resolution
98.20 amending the relief association bylaws to decrease the lump-sum or monthly pension benefit
98.21 level as necessary to reduce benefit liabilities until plan assets are sufficient to fund all
98.22 benefit liabilities, taking into account full vesting under subdivision 2 and the payment of
98.23 administrative expenses arising from the conversion; or

98.24 (ii) enter into an agreement with the municipality, each municipality, if more than one
98.25 municipality operates the fire department pursuant to a joint powers agreement, or the
98.26 firefighting corporation, as applicable, that requires the municipality, municipalities, or
98.27 firefighting corporation, as applicable, to make a contribution in an amount sufficient to
98.28 cover all benefit liabilities at the current benefit level, taking into account full vesting under
98.29 subdivision 2 and the payment of administrative expenses arising from the conversion.

98.30 Subd. 8. **Notice to members.** The board of trustees shall provide notice to all members
98.31 at least 90 days before the conversion effective date. The notice shall include:

98.32 (1) an explanation that the plan is converting from a defined benefit plan to a defined
98.33 contribution plan and provide definitions for those terms, the reasons for the conversion,

99.1 the conversion effective date, and the procedure to be followed, including fully vesting all
 99.2 members;

99.3 (2) a summary of the terms of the newly adopted defined contribution plan;

99.4 (3) information about any increase in the benefit level and whether the increase applies
 99.5 to all members or only active firefighters;

99.6 (4) a section tailored to each member that provides an estimate of the present value of
 99.7 the member's fully vested accrued benefit and the calculation that resulted in that value;

99.8 (5) an estimate of any anticipated surplus and an explanation of the disposition of the
 99.9 surplus, including, as applicable, a description of the method allocating the surplus among
 99.10 members' accounts and whether the municipality, each municipality, if more than one
 99.11 municipality operates the fire department pursuant to a joint powers agreement, or firefighting
 99.12 corporation will receive any of the surplus and any conditions on its use; and

99.13 (6) contact information for one or more members of the board of trustees who will answer
 99.14 questions and provide a copy of the new defined contribution plan document or a summary,
 99.15 if requested, or directions to a website for viewing and printing the plan document or
 99.16 summary.

99.17 Subd. 9. **Notice to municipality and state auditor.** The relief association shall provide
 99.18 notice to the municipality, each municipality, if more than one municipality operates the
 99.19 fire department pursuant to a joint powers agreement, or firefighting corporation affiliated
 99.20 with the relief association and the state auditor at the same time as the notice required under
 99.21 subdivision 8. The notice must include the information required under subdivision 8, except
 99.22 that the individualized information will be provided as a spreadsheet listing the name of
 99.23 each firefighter and the corresponding accrued benefit amount.

99.24 Subd. 10. **Implementation.** (a) A record-keeping account shall be established for each
 99.25 member under the defined contribution plan to which is recorded the value of the firefighter's
 99.26 fully vested accrued benefit as determined as of the conversion effective date and the amount
 99.27 of any surplus allocated to the firefighter's account.

99.28 (b) In no event may the value of a member's account in the defined contribution plan be
 99.29 less as of the day following the conversion effective date than the present value of the
 99.30 member's accrued benefit as of the day before the conversion effective date.

106.9 Sec. 7. Minnesota Statutes 2018, section 424A.092, subdivision 2, is amended to read:

106.10 **Subd. 2. Determination of accrued liability.** (a) Beginning with the calculation
 106.11 performed in 2021 for the 2022 calendar year each firefighters relief association which pays
 106.12 a lump-sum service pension ~~when a retiring firefighter meets the minimum requirements~~
 106.13 ~~for entitlement to a service pension specified in section 424A.02 and which in its articles~~
 106.14 ~~of incorporation or bylaws requires service credit for a period of service of at least 20 years~~
 106.15 ~~of active service for a totally nonforfeitable service pension~~ shall determine the accrued
 106.16 liability of the special fund of the firefighters relief association relative to each active member
 106.17 of the relief association, calculated using the applicable appendix to the standards for actuarial
 106.18 work established by the Legislative Commission on Pensions and Retirement under section
 106.19 3.85, subdivision 10.

106.20 (b) For calendar years before 2022, each firefighters relief association shall determine
 106.21 the accrued liability of the special fund of the firefighters relief association relative to each
 106.22 active member of the relief association, calculated individually using the following table:

106.23	Cumulative	Accrued
106.24	Year	Liability
106.25
106.26	1	\$ 60
106.27	2	124
106.28	3	190
106.29	4	260
106.30	5	334
106.31	6	410
106.32	7	492
106.33	8	576
106.34	9	666
106.35	10	760

107.1	11	858
107.2	12	962
107.3	13	1070
107.4	14	1184
107.5	15	1304
107.6	16	1428
107.7	17	1560
107.8	18	1698
107.9	19	1844
107.10	20	2000
107.11	21 and thereafter	100 additional per year

107.12 ~~(b)~~ As set forth in the table the accrued liability for each member of the relief association
 107.13 corresponds to the cumulative years of active service to the credit of the member. The
 107.14 accrued liability of the special fund for each active member is determined by multiplying
 107.15 the accrued liability from the chart by the ratio of the lump-sum service pension amount
 107.16 currently provided for in the bylaws of the relief association to a service pension of \$100
 107.17 per year of service.

107.18 (c) If a member has fractional service as of December 31, the figure for service credit
 107.19 to be used for the determination of accrued liability pursuant to this section shall be rounded
 107.20 to the nearest full year of service credit. The total accrued liability of the special fund as of
 107.21 December 31 shall be the sum of the accrued liability attributable to each active member
 107.22 of the relief association.

107.23 ~~(e)~~ (d) To the extent that the state auditor considers it to be necessary or practical, the
 107.24 state auditor may specify and issue procedures, forms, or mathematical tables for use in
 107.25 performing the calculations of the accrued liability for deferred members pursuant to this
 107.26 subdivision.

107.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

107.28 **ARTICLE 17**
 107.29 **MSRS UNCLASSIFIED PLAN**
 107.30 **ANNUITY RATE GRANDFATHER PROVISION EXTENSION**

107.31 Section 1. Minnesota Statutes 2018, section 352D.06, subdivision 1, is amended to read:

107.32 Subdivision 1. **Annuity; reserves.** (a) When a participant attains at least age 55,
 107.33 terminates from covered service, and applies for a retirement annuity, the cash value of the
 107.34 participant's shares must be transferred to the general state employees retirement fund and

108.1 be used to provide an annuity for the participant based upon the participant's age when the
108.2 benefit begins to accrue.

108.3 (b) Except for participants described in paragraph (c), the monthly amount of the annuity
108.4 must be determined using the actuarial assumptions in effect for the general state employees
108.5 retirement plan under section 356.215 on the accrual date.

108.6 (c) For any participant who retires on or after July 1, 2017, and before July 1, 2020,
108.7 when the participant is at least age 63 or has had at least 26 years of covered service, the
108.8 monthly amount of the annuity must be determined using the actuarial assumptions in effect
108.9 for the general state employees retirement plan under section 356.215 on June 30, 2016.

108.10 (d) For any participant who terminates employment on or after July 1, 2020, and before
108.11 July 1, 2021, if the participant was at least age 63 or had at least 26 years of covered service

108.13 actuarial assumptions in effect for the general state employees retirement plan under section
108.14 356.215 on June 30, 2016.

108.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

353.30 ANNUITIES UPON RETIREMENT.

Subd. 4. **Reduction in monthly payments.** Monthly payments to which any person may be entitled under this chapter may be reduced upon application to the association, provided that the person shall first relinquish in writing all claim to that part of the full monthly payment which is the difference between the monthly payment which that person would be otherwise entitled to receive and the monthly payment which that person will receive. The reduced monthly payment shall be payment in full of all amounts due under this chapter for the month for which the payment is made and acceptance of the reduced monthly payment releases the retirement association from all obligation to pay to the person the difference between the amount of the reduced monthly payment and the full amount of the monthly payment which the person would otherwise have received. Upon application of the person who is entitled to such monthly payment, it may be increased prospectively to not more than the amount to which the person would have been entitled had no portion thereof been waived.

354.55 OPTIONS TO CERTAIN MEMBERS.

Subd. 10. **Reduced benefits.** Any benefit to which any person may be entitled under this chapter may be reduced in amount upon application of the person entitled thereto to the executive director if the person relinquishes in writing all claim to that part of the full benefit which is the difference between the benefit which the person would be otherwise entitled to receive and the benefit which the person will receive after the benefit reduction. The reduced benefit is payment in full of all amounts due under this chapter for the month for which the payment is made and acceptance of the reduced benefit releases the retirement association from all obligation to pay to the person the difference between the amount of the reduced benefit and the full amount of the benefit which the person would otherwise have received. Any benefit reduced under the provisions of this subdivision may not again be restored.

356.24 SUPPLEMENTAL PENSION OR DEFERRED COMPENSATION PLANS, RESTRICTIONS UPON GOVERNMENT UNITS.

Subd. 2. **Limit on certain contributions or benefit changes.** No change in benefits or employer contributions in a supplemental pension plan to which this section applies that occurs after May 6, 1971, is effective without prior legislative authorization.

356.44 PARTIAL PAYMENT OF PENSION PLAN REFUND.

(a) Notwithstanding any provision of law to the contrary, a member of a pension plan listed in section 356.30, subdivision 3, with at least two years of forfeited service taken from a single pension plan, may repay a portion of all refunds. A partial refund repayment must comply with this section.

(b) The minimum portion of a refund repayment is one-third of the total service credit period of all refunds taken from a single plan.

(c) The cost of the partial refund repayment is the product of the cost of the total repayment multiplied by the ratio of the restored service credit to the total forfeited service credit. The total repayment amount includes interest at the applicable annual rate or rates specified in section 356.59, subdivision 2, 3, 4, or 5, whichever applies, compounded annually, from the refund date to the date repayment is received.

(d) The restored service credit must be allocated based on the relationship the restored service bears to the total service credit period for all refunds taken from a single pension plan.

(e) This section does not authorize a public pension plan member to repay a refund if the law governing the plan does not authorize the repayment of a refund of member contributions.

424B.20 DISSOLUTION WITHOUT CONSOLIDATION.

Subdivision 1. **Applicable dissolutions.** This section applies if the fire department associated with a volunteer firefighters relief association is dissolved or eliminated by action of the governing body of the municipality in which the fire department was located or by the independent nonprofit firefighting corporation, whichever applies, and no consolidation with another volunteer firefighters relief association under sections 424B.01 to 424B.10 is sought, or if a volunteer firefighters relief association is dissolved or eliminated with municipal approval, but the fire department associated with the volunteer firefighters relief association is not dissolved or eliminated, and no consolidation with another volunteer firefighters relief association under sections 424B.01 to 424B.10 is applicable.

Subd. 2. **Procedures.** As part of the dissolution process, all legal obligations of the relief association other than service pensions and benefits must be settled under subdivision 3, a benefit

trust must be established under subdivision 4, and the affairs of the relief association must be concluded under subdivision 5.

Subd. 3. Settlement of nonbenefit legal obligations. (a) Prior to the effective date of the dissolution of the volunteer firefighters relief association established by the relief association board of trustees, the board shall determine the following:

(1) the fair market value of the assets of the special fund;

(2) the total amount of the accounts payable and other legal obligations of the special fund, excluding the accrued liability of the special fund for service pensions and other benefits; and

(3) the accrued liability of the special fund for service pensions and other benefits payable or accrued under the applicable bylaws of the relief association and chapter 424A.

(b) On or before the effective date of the dissolution of the volunteer firefighters relief association, the board shall liquidate sufficient special fund assets to pay the legal obligations of the special fund and must settle those legal obligations.

(c) On or before the effective date of the dissolution of the volunteer firefighters relief association, the board shall settle the legal obligations of the general fund of the relief association.

Subd. 4. Benefit trust fund establishment. (a) After the settlement of nonbenefit legal obligations of the special fund of the volunteer firefighters relief association under subdivision 3, the board of the relief association shall transfer the remaining assets of the special fund, as securities or in cash, as applicable, to the chief financial official of the municipality in which the associated fire department was located if the fire department was a municipal fire department or to the chief financial official of the municipality with the largest population served by the fire department if the fire department was an independent nonprofit firefighting corporation. If the fire department was a joint powers entity, the remaining assets of the special fund shall be transferred to the chief financial official of the municipality designated as the fiscal agent in the joint powers agreement or, if the agreement does not designate a municipality as the fiscal agent, the remaining assets of the special fund shall be transferred to the chief financial official of the municipality with the largest population served by the joint powers fire department. The board shall also compile a schedule of the relief association members to whom a service pension is or will be owed, any beneficiary to whom a benefit is owed, the amount of the service pension or benefit payable based on the applicable bylaws and state law and the service rendered to the date of the dissolution, and the date on which the pension or benefit would first be payable under the bylaws of the relief association and state law.

(b) The municipality receiving the remaining assets of the special fund of a volunteer firefighters relief association that is dissolving under this section shall establish a separate account in the municipal treasury which must function as a trust fund for members of the volunteer firefighters relief association and their beneficiaries to whom the volunteer firefighters relief association owes a service pension or other benefit under the bylaws of the relief association and state law. Upon proper application, on or after the initial date on which the service pension or benefit is payable, the municipal treasurer shall pay the pension or benefit due, based on the schedule prepared under paragraph (a) and the other records of the dissolved relief association. The trust fund under this section must be invested and managed consistent with chapter 356A and section 424A.095. Upon payment of the last service pension or benefit due and owing, any remaining assets in the trust fund cancel to the general fund of the municipality or, if the fire department was a joint powers entity, any remaining assets in the trust fund cancel to the general fund of each municipality that was a contracting party to the joint powers agreement as specified in the joint powers agreement. If the joint powers agreement does not specify how the remaining assets are to be distributed among the contracting parties, each of the contracting parties shall receive a pro rata share of the remaining assets based on the proportion of total operating contributions each contracting municipality made to the joint powers entity over the most recent ten calendar years. If the special fund of the volunteer firefighters relief association had an unfunded actuarial accrued liability upon dissolution, the municipality is liable for that unfunded actuarial accrued liability. If the fire department was a joint powers entity, the contracting municipalities are liable for their share of the unfunded actuarial accrued liability as specified in the joint powers agreement. If the joint powers agreement does not specify liability for any unfunded actuarial accrued liability, the contracting municipalities are liable for their pro rata share of the unfunded actuarial accrued liability based on the proportion of total operating contributions each contracting municipality made to the joint powers entity over the most recent ten calendar years.

Subd. 4a. **Disposition of surplus assets upon dissolution of certain volunteer firefighters relief associations.** Notwithstanding any provision to the contrary in subdivision 4, if a volunteer firefighters relief association provides a lump-sum service pension equal to \$9,500 or more for each year of service as of June 1, 2018, upon dissolution under this section and payment of the last service pension or benefit due and owing, any remaining assets in the trust fund cancel as follows:

(1) if the municipality was required to make contributions to the relief association under chapter 424A at any time during the ten years preceding June 1, 2018, the remaining assets cancel to the general fund of the municipality; or

The board shall also notify the commissioner of revenue, the state auditor, and the secretary of state of the dissolution within 30 days of the effective date of the dissolution.

424B.21 ANNUITY PURCHASES UPON DISSOLUTION.

The board of trustees of a volunteer firefighters relief association that is scheduled for dissolution may purchase annuity contracts under section 424A.015, subdivision 3, instead of transferring special fund assets to a municipal trust fund under section 424B.20, subdivision 4. Payment of an annuity for which a contract is purchased may not commence before the retirement age specified in the relief association bylaws and in compliance with section 424A.016, subdivision 2, or 424A.02, subdivision 1. Legal title to the annuity contract transfers to the municipal trust fund under section 424B.20, subdivision 4.
