

owned or controlled by the applicant, the size thereof, the owner's name and address, and such other information that the Commission may require. The owner of any boat transported to any inland lake for the uses stated in this act shall make application to the Commission in writing and must secure permission before such boat can be used. All applications shall designate the lake or lakes on which said boat or boats are to be used.

Section 6. Commission to make rules and regulations.—The Commission shall make rules and regulations regulating the operation of all such boats and shall designate the number of persons that each of such boats shall be permitted to carry, and when so determined the Commission shall cause such capacity to be plainly marked on each licensed boat. Should any boat carry more than the designated number of persons, the Commission shall revoke the license issued for such boat.

Section 7. Commission to fix license fees.—The Commission shall determine the license fee and shall pay all monies received for such licenses into the county treasury and the county treasurer shall credit such monies to the "Boat Inspection Fund" for the use of the Commission in carrying out the provisions of this act.

Section 8. Violation a misdemeanor.—Any person, co-partnership, corporation or association who shall let, lease or carry five passengers or more in any boat without first procuring a license as herein provided for, or who shall violate any rule or regulation of the Commission or any provision of this act shall be guilty of a misdemeanor.

Section 9. Effective January 1, 1938.—This act shall become effective on January 1, 1938.

Approved July 16, 1937.

CHAPTER 81—H. F. No. 226

An act to appropriate money for State Department of Education, state educational institutions, including University of Minnesota, university agricultural schools and experiment stations, teachers' colleges, aids to high, graded and semi-graded and rural schools, certain appropriations for experiments and investigations, aid to agricultural agents and for other purposes, prescribing present and future regulations and limitations relative to the expenditure of certain portions thereof, and conferring upon the Board of Regents of the University of Minnesota the power of eminent domain in certain cases.

Be it enacted by the Legislature of the State of Minnesota :

Section 1. **Appropriation for educational purposes.**—The sums hereinafter named, or so much thereof as may be necessary, are hereby appropriated from any moneys in the state treasury not otherwise appropriated for the purposes specified in the following sections of this Act, to be available where not otherwise stated for each of the fiscal years ending June 30, 1938, and June 30, 1939.

Section 2. State University, University Farm School and experiment schools and stations :

- 1. For maintenance and special equipment.....\$3,500,000

Provided, that the Board of Regents of the University of Minnesota may use any money not specifically appropriated for other purposes for acquiring land by purchase or condemnation. In case it is desired to use the fund for the acquisition of land, the power of eminent domain may be exercised either in accordance with General Statutes 1894, Sections 4085 to 4091, inclusive, or Revised Laws 1905, Chapter 41.

The foregoing appropriation to the University of Minnesota is based upon the condition that the Board of Regents do not, during the biennium ending June 30, 1939, erect from any funds whatsoever any housing facilities or dormitories in Minneapolis or St. Paul but this proviso shall not prohibit the erection of a union or student activity building, with incidental housing facilities.

The University of Minnesota may establish and conduct a school for the instruction of persons in law enforcement, and the governing body of any political sub-division of this state may authorize the attendance upon such school of any law enforcement officer under its jurisdiction and may provide for the payment of the expenses of such person while in attendance at such school from the general funds of such political sub-division. To each person satisfactorily completing the prescribed course of instruction in the school so established shall be issued a certificate of graduation or diploma stating that the holder has graduated therefrom.

Section 3. For care of indigent county patients to be rendered by the University of Minnesota in the Minnesota General Hospital, under Laws 1921, Chapter 411, Section 7, as amended :

- 1. For State's share of expense of county indigent patients\$ 185,000

- A. Item 1 shall include and cover the amount which may become due to the University of Minnesota from the state during the fiscal years covered by said item under the provisions of General Laws 1921, Chapter 411, as amended by General Laws 1927, Chapter 431. There is further appropriated to the University of Minnesota the sum of \$185,000, or as much thereof as may be necessary, for the purpose of reimbursing the said University for the sum due from counties during said fiscal years under the provisions of said Acts, payment to be made quarterly out of said appropriation, as shown by certificates filed with the State Auditor pursuant to the provisions of said Act.
- B. The State Auditor is authorized and directed to pay to the University out of sums collected from counties under the provisions of Laws 1927, Chapter 431, during the fiscal years ending June 30, 1936, and June 30, 1937, respectively, an amount sufficient to reimburse said University in full for the amount due it from counties during said fiscal years, as shown by certificates filed with the State Auditor, and a sum sufficient to make such payments is hereby appropriated.

Section 4. For various experiments and investigations to be carried on under the direct supervision of the University of Minnesota:

- 1. For the continuation of soil experiments and demonstrations in different parts of the state, under the direct charge of the Minnesota Experiment Station; and for making soil surveys in certain counties in Minnesota and for accompanying field experiments in the fertilization and management of soils to produce the most profitable crop returns, under the direct charge of the Minnesota Experiment Station\$ 10,000
- 2. For making investigations in the breeding and testing of superior varieties of farm crops with a view to developing varieties and strains that are of high yield and resistant to rusts, smuts and other crop diseases, under the direct charge of the Minnesota Agricultural Experiment Station..... 4,000
