CHAPTER 495—S. F. No. 372.

(AMENDING SECTION 231.16 MINNESOTA STATUTES 1941.)

An act to amend Mason's Supplement 1940, Section 5189, relating to the refusal to grant and the revocation of licenses granted to warehousemen other than those operating grain or cold storage warehouses.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Law amended.**—That Mason's Supplement 1940, Section 5189, is hereby amended to read as follows:

"5189. **Warehouseman to obtain license.**—Every person desiring to engage in the business of warehouseman before engaging therein shall be licensed annually by and shall be under the supervision and subject to the inspection of the commission. Written application, under oath in such form as shall be prescribed by the commission, shall be made to the commission for license, specifying the city in which it is proposed to carry on the business of warehousing, the location, size, character and equipment of the building or buildings or premises to be used by the same warehouseman, the kind of goods, wares and merchandise intended to be stored therein, the name of the person or corporation operating the same, and of each member of the firm or officer of the corporation, and any other facts necessary to satisfy the commission that the property proposed to be used is suitable for warehouse purposes, and that the warehouseman making the application is qualified to carry on the business of warehousing. Should the commission decide that the building or other property

proposed to be used as a warehouse is suitable for the proposed purpose, and that the applicant or applicants are entitled to a license, notice of such decision shall be given the interested parties, and upon the applicant or applicants filing with the commission the necessary bond, as provided for in this act, the commission shall issue the license provided for, upon the payment of the license fee, as in this section provided. A warehouseman to whom a license is issued shall pay for such license a fee of \$100.00. Such license may be renewed from year to year, but shall never be valid for a period of more than one year, and always upon payment of the full license fee, as provided for in this section for such renewal; provided, that no license shall be issued for any portion of a year for less than the full amount of the license fee, as provided for in this section. Each license obtained under this act shall be publicly displayed in the main office of the place of business of the warehouseman to whom it is issued. Such license shall authorize the warehouseman to carry on the business of warehousing only in the one city named in said application, and in the buildings therein described. But the commission, without requiring an additional bond and license may issue permits from time to time to any warehouseman already duly licensed under the provisions of this act, to operate an additional warehouse or warehouses in the same city for which his original license was issued during the term thereof, upon his filing an application for such permit, and in such form as shall be prescribed by the commission.

License may be refused for good cause shown and revoked by the commission for violation of law or of any rule or regulation by it prescribed, upon notice and after hearing."

Approved April 19, 1943.
