

Subd. 2. **Intercity buses.** When the number of intercity buses to be registered in Minnesota is determined as herein provided, the owner or operator thereof shall select the particular intercity buses to be so registered. The motor vehicle tax to be paid thereon for each calendar year shall be determined by the registrar of motor vehicles. He shall compute the amount of motor vehicle tax on each intercity bus of the owner or operator thereof as though all of such intercity buses were required to be registered in Minnesota. The amount so arrived at shall then be divided by the total number of intercity buses of such owner or operator to obtain the average motor vehicle tax due on an intercity bus registered in Minnesota. Such average tax shall be paid on each intercity bus registered in Minnesota in the same manner and at the same time as other motor vehicles using the streets and highways of Minnesota are taxed and the taxes paid thereon. The registrar of motor vehicles shall issue number plates for the intercity buses registered in Minnesota.
