CHAPTER 766—H. F. No. 1854

[Coded]

*An act relating to state departments and agencies; authorizing the state board of health to establish and operate preventive health services for state employees; transferring powers and duties in relation thereto from the commissioners of administration and highways to the state board of health; appropriating money therefor; repealing Minnesota Statutes 1961, Section 16.02; Subdivision 23.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. [15.45] **State employees; preventive health services; definitions.** Subdivision 1. For the purposes of this act, the terms defined in this section have the meanings given them.

Subd. 2. "Preventive health services" means services intended to:

(1) Protect state employees against health hazards in their work environment;

(2) Insure and facilitate the placement and suitability of employees, according to their physical capacities and their emotional make up, in work which they can reasonably perform with an acceptable degree of efficiency and without endangering their own health and safety or that of their fellow employees; and

(3) Encourage personal health maintenance.

Subd. 3. "Board" means the state board of health.

Sec. 2. [15.46] **Preventive health services for state employees.** The board may establish and operate a program of preventive health services for state employees, and shall provide such staff, equipment, and facilities as are necessary therefor. The board shall develop these services in accordance with and limited to the accepted practices of and standards for occupational preventive health services in the state of Minnesota. Specific services shall be directed to the work environment and to the health of the employee in relation to his job. The board shall cooperate

with private and public community agencies providing health, safety, employment, and welfare services.

Sec. 3. **Repealer.** Minnesota Statutes 1961, Section 16.02, Subdivision 23, is repealed.

Sec. 4. [15.47] **Transfer of powers and duties.** All the powers and duties now vested in or imposed upon the commissioners of administration and highways relating to emergency first aid stations and other employee health services established and operated by such commissioners are hereby transferred to, vested in, and imposed upon the state board of health. All the powers and duties of the commissioners of administration and highways in relation thereto are abolished.

Sec. 5. **Appropriation.** Subdivision 1. All of the appropriations, or parts thereof, made to the commissioners of highways and administration for the operation and maintenance of the highway and centennial building health units, the responsibility for the administration of which is transferred by this act to the state board of health, are hereby transferred and appropriated to the state board of health.

Subd. 2. The commissioner of administration shall certify to the state auditor the amounts made available for the operation and maintenance of the aforementioned health units for the biennium beginning July 1, 1963, and pursuant to such certification, the state auditor shall, on July 1, 1963, make such adjustments on his books and records as are necessary to make the appropriations available to the state board of health.

Sec. 6. **Effective date.** This act takes effect on July 1, 1963.

Approved May 17, 1963..
