Every certificate and every renewal shall expire at the time therein prescribed, not later than one year from its date.

The board shall adopt rules and regulations for accrediting programs, establishing the number of hours of credit for each program, the number of hours, not less than 25 or more than 40, to be completed in each two year period by each pharmacist, and such other rules as are necessary to implement, enforce, and administer this subdivision. No annual license renewal shall be issued by the board subsequent to March 4, 1975 unless the provisions of this subdivision are complied with, provided that the board may grant a pharmacist, upon application, an extension of time not to exceed one year to comply with the requirements of this subdivision. Such extension shall not relieve the pharmacist from complying with the continuing education requirements for any other two year period. The board shall appoint an advisory council on continuing education, consisting of not more than ten members, to study continuing education programs and requirements and to submit its report and recommendations to the board. Members of the advisory council shall serve without compensation, shall not be considered state employees by virtue of such appointment, but may be reimbursed by the board for all necessary expenses incurred in the performance of their duties in the same manner as other state employees and officers are reimbursed for such expenses. Five members of the advisory council shall be pharmacists designated by the Minnesota state pharmaceutical association and three members shall be pharmacists designated by the college of pharmacy of the university of Minnesota.
