

Sec. 26. **OLMSTED COUNTY; WATER AND SEWER IMPROVEMENTS.** In Olmsted county only, before a contract for improvements is let, the county board shall request the creation of a joint district comprised of a petitioned area and a city or village. The governing body of the county, city or village shall by resolution filed with the county board determine whether it is feasible to create a joint district for the purpose of providing water or sewer service to the petitioned area. If the resolution of the city or village approves the creation of a joint district, the county board without creation of a commission may proceed to make the improvements and issue bonds as provided in this act. Any city or village in Olmsted county comprising part of a joint district may by ordinance annex part or all of the petitioned area of such joint district at any time after the fifth year after creation of the joint district whether or not the area abuts the city or village. Annexation under this section is final upon filing a copy of the ordinance with the Minnesota municipal commission, the clerk of the town where the annexed land is situated, and county auditor and the secretary of state.

Approved April 12, 1973.

CHAPTER 89—S.F.No.616

An act relating to weights and measures; standard weights for certain commodities; amending Minnesota Statutes 1971, Section 239.34.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1971, Section 239.34, is amended to read:

239.34 WEIGHTS AND MEASURES; STANDARD WEIGHT OF COAL AND CHARCOAL. In all contracts for the sale of coal, charcoal, and ice, the term "ton" shall mean 2,000 pounds. A sale of coal, and charcoal, ~~and ice~~, except by weight, is hereby prohibited.

Approved April 12, 1973.
