BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 1974, Section 336.1-105, is amended to read:

336.1-105 UNIFORM COMMERCIAL CODE; SECURED TRANSACTIONS; TERRITORIAL APPLICATION OF THE CHAPTER; PARTIES' POWER TO CHOOSE APPLICABLE LAW. (1) Except as provided hereafter in this section, when a transaction bears a reasonable relation to this state and also to another state or nation the parties may agree that the law either of this state or of such other state or nation shall govern their rights and duties. Failing such agreement this chapter applies to transactions bearing an appropriate relation to this state.

(2) Where one of the following provisions of this chapter specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules) so specified:

Rights of creditors against sold goods. Section 336.2-402.

Applicability of the article on bank deposits and collections. Section 336.4-102.

Sec. 2. Minnesota Statutes 1974, Section 336.1-201, is amended to read:

336.1-201 GENERAL DEFINITIONS. Subject to additional definitions contained in the subsequent articles of this chapter which are applicable to specific articles or parts thereof, and unless the context otherwise requires, in this chapter:

(1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, setoff, suit in equity and any other proceedings in which rights are determined.

(2) "Aggrieved party" means a party entitled to resort to a remedy.

(3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this chapter (sections 336.1-205 and 336.2-208). Whether an agreement has legal consequences is determined by the provisions of this chapter, if applicable; otherwise by the law of contracts (section 336.1-103). (Compare "Contract.")

(4) "Bank" means any person engaged in the business of banking.

(5) "Bearer" means the person in possession of an instrument, document of title, or security payable to bearer or endorsed in blank.

(6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill. "Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.

(7) "Branch" includes a separately incorporated foreign branch of a bank.

(8) "Burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence.

(9) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him is in violation of the ownership rights or security interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. All persons who sell minerals or the like (including oil and gas) at wellhead or minehead shall be deemed to be persons in the business of selling goods of that

Changes or additions indicated by underline deletions by ~~strikeout~~

kind. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a preexisting contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(10) "Conspicuous": A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printing heading in capitals (as: NON-NEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. But in a telegram any stated term is "conspicuous." Whether a term or clause is "conspicuous" or not is for decision by the court.

(11) "Contract" means the total legal obligation which results from the parties' agreement as affected by this chapter and any other applicable rules of law. (Compare "Agreement.")

(12) "Creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate.

(13) "Defendant" includes a person in the position of defendant in a cross-action or counterclaim.

(14) "Delivery" with respect to instruments, documents of title, chattel paper or securities means voluntary transfer of possession.

(15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass.

(16) "Fault" means wrongful act, omission or breach.

(17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this chapter to the extent that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

Changes or additions indicated by underline deletions by ~~strikeout~~

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(20) "Holder" means a person who is in possession of a document of title or an instrument or an investment security drawn, issued or endorsed to him or to his order or to bearer or in blank.

(21) To "honor" is to pay or to accept and pay, or where a credit so engages to purchase or discount a draft complying with the terms of the credit.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(23) A person is "insolvent" who either has ceased to pay his debts in the ordinary course of business or cannot pay his debts as they become due or is insolvent within the meaning of the federal bankruptcy law.

(24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government as a part of its currency.

(25) A person has "notice" of a fact when

(a) he has actual knowledge of it; or

(b) he has received a notice or notification of it; or

(c) from all the facts and circumstances known to him at the time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this chapter.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when

(a) it comes to his attention; or

(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time

Changes or additions indicated by underline deletions by ~~strikeout~~

when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within this chapter.

(30) "Person" includes an individual or an organization (see section 336.1-102).

(31) "Presumption" or "presumed" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its non-existence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, issue or re-issue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (section 336.2-401) is limited in effect to a reservation of a "security interest." The term also includes any interest of a buyer of accounts, ~~or~~ chattel paper; ~~or contract rights~~ which is subject to article 9. The special property interest of a buyer of goods on identification of such goods to a contract for sale

Changes or additions indicated by underline deletions by ~~strikeout~~

under section 336.2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with article 9. Unless a lease or consignment is intended as security, reservation of title thereunder is not a "security interest" but a consignment is in any event subject to the provisions on consignment sales (section 336.2-326.) Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security, and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

(38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(41) "Telegram" includes a message transmitted by radio, telephone, cable, any mechanical method of transmission, or the like.

(42) "Term" means that portion of an agreement which relates to a particular matter.

(43) "Unauthorized" signature or endorsement means one made without actual, implied or apparent authority and includes a forgery.

(44) "Value": Except as otherwise provided with respect to negotiable instruments and bank collections (sections 336.3-303, 336.4-208 and 336.4-209) a person gives "value" for rights if he acquires them

(a) in return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a chargeback is provided for in the event of difficulties in collection; or

(b) as security for or in total or partial satisfaction of a preexisting claim; or

(c) by accepting delivery pursuant to a preexisting contract for purchase; or

Changes or additions indicated by underline deletions by ~~strikeout~~

(d) generally, in return for any consideration sufficient to support a simple contract.

(45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(46) "Written" or "writing" includes printing, typewriting or any other intentional reduction to tangible form.

Sec. 3. Minnesota Statutes 1974, Section 336.2-107, is amended to read:

336.2-107 GOODS TO BE SEVERED FROM REALTY; RECORDING. (1) A contract for the sale of ~~timber~~, minerals or the like (including oil and gas) or a structure or its materials to be removed from realty is a contract for the sale of goods within this article if they are to be severed by the seller but until severance a purported present sale thereof which is not effective as a transfer of an interest in land is effective only as a contract to sell.

(2) A contract for the sale apart from the land of growing crops or other things attached to realty and capable of severance without material harm thereto but not described in subsection (1) or of timber to be cut is a contract for the sale of goods within this article whether the subject matter is to be severed by the buyer or by the seller even though it forms part of the realty at the time of contracting, and the parties can by identification effect a present sale before severance.

(3) The provisions of subsection (1) of this section are subject to any third party rights provided by the law relating to realty records, and the contract for sale may be executed and recorded as a document transferring an interest in land and shall then constitute notice to third parties of the buyer's rights under the contract for sale.

Sec. 4. Minnesota Statutes 1974, Section 336.5-116, is amended to read:

336.5-116 TRANSFER AND ASSIGNMENT. (1) The right to draw under a credit can be transferred or assigned only when the credit is expressly designated as transferable or assignable.

(2) Even though the credit specifically states that it is nontransferable or nonassignable the beneficiary may before performance of the conditions of the credit assign his right to proceeds. Such an assignment is an assignment of ~~a contract right~~ an account under article 9 on secured transactions and is governed by that article except that

(a) the assignment is ineffective until the letter of credit or advice of credit is delivered to the assignee which delivery constitutes perfection of the security interest under article 9; and

Changes or additions indicated by underline deletions by ~~strikeout~~

(b) the issuer may honor drafts or demands for payment drawn under the credit until it receives a notification of the assignment signed by the beneficiary which reasonably identifies the credit involved in the assignment and contains a request to pay the assignee; and

(c) after what reasonably appears to be such a notification has been received the issuer may without dishonor refuse to accept or pay even to a person otherwise entitled to honor until the letter of credit or advice of credit is exhibited to the issuer.

(3) Except where the beneficiary has effectively assigned his right to draw or his right to proceeds, nothing in this section limits his right to transfer or negotiate drafts or demands drawn under the credit.

Sec. 5. Minnesota Statutes 1974, Section 336.9-102, is amended to read:

336.9-102 POLICY AND SUBJECT MATTER OF ARTICLE. (1) ~~Except as otherwise provided in section 336.9-103 on multiple state transactions and in section 336.9-104 on excluded transactions, this article applies so far as concerns any personal property and fixtures within the jurisdiction of this state~~

(a) to any transaction (regardless of its form) which is intended to create a security interest in personal property or fixtures including goods, documents, instruments, general intangibles, chattel paper, or accounts ~~or contract rights~~; and also

(b) to any sale of accounts; ~~contract rights~~ or chattel paper.

(2) This article applies to security interests created by contract including pledge, assignment, chattel mortgage, chattel trust, trust deed, factor's lien, equipment trust, conditional sale, trust receipt, other lien or title retention contract and lease or consignment intended as security. This article does not apply to statutory liens except as provided in section 336.9-310.

(3) The application of this article to a security interest in a secured obligation is not affected by the fact that the obligation is itself secured by a transaction or interest to which this article does not apply.

Sec. 6. Minnesota Statutes 1974, Section 336.9-103, is amended to read:

336.9-103 PERFECTION OF SECURITY INTERESTS IN MULTIPLE STATE TRANSACTIONS. (1) ~~If the office where the assignor of accounts or contract rights keeps his records concerning them is in this state, the validity and perfection of a security interest therein and the possibility and effect of proper filing is governed by this article; otherwise by the law (including the conflict of laws rules) of the juris-~~

Changes or additions indicated by underline deletions by ~~strikeout~~

diction where such office is located:

(2) If the chief place of business of a debtor is in this state, this article governs the validity and perfection of a security interest and the possibility and effect of proper filing with regard to general intangibles or with regard to goods of a type which are normally used in more than one jurisdiction (such as automotive equipment, rolling stock, airplanes, road building equipment, commercial harvesting equipment, construction machinery and the like) if such goods are classified as equipment or classified as inventory by reason of their being leased by the debtor to others. Otherwise, the law (including the conflict of laws rules) of the jurisdiction where such chief place of business is located shall govern. If the chief place of business is located in a jurisdiction which does not provide for perfection of the security interest by filing or recording in that jurisdiction, then the security interest may be perfected by filing in this state. For the purpose of determining the validity and perfection of a security interest in an airplane, the chief place of business of a debtor who is a foreign air carrier under the Federal Aviation Act of 1958, as amended, is the designated office of the agent upon whom service of process may be made on behalf of the debtor.

(3) If personal property other than that governed by subsections (1) and (2) is already subject to a security interest when it is brought into this state, the validity of the security interest in this state is to be determined by the law (including the conflict of laws rules) of the jurisdiction where the property was when the security interest attached. However, if the parties to the transaction understood at the time that the security interest attached that the property would be kept in this state and it was brought into this state within 30 days after the security interest attached for purposes other than transportation through this state, then the validity of the security interest in this state is to be determined by the law of this state. If the security interest was already perfected under the law of the jurisdiction where the property was when the security interest attached and before being brought into this state, the security interest continues perfected in this state for four months and also thereafter if within the four month period it is perfected in this state. The security interest may also be perfected in this state after the expiration of the four month period; in such case perfection dates from the time of perfection in this state. If the security interest was not perfected under the law of the jurisdiction where the property was when the security interest attached and before being brought into this state, it may be perfected in this state; in such case perfection dates from the time of perfection in this state.

(4) Notwithstanding subsections (2) and (3), if personal property is covered by a certificate of title issued under a statute of this state or any other jurisdiction which requires indication on a certificate of title of any security interest in the property as a condition of perfection, then the perfection is governed by the law of the jurisdiction which issued the certificate.

Changes or additions indicated by underline deletions by ~~strikeout~~

(5) Notwithstanding subsection (1) and section 336.9-302 if the office where the assignor of accounts or contract rights keeps his records concerning them is not located in a jurisdiction which is a part of the United States; its territories or possessions; and the accounts or contract rights are within the jurisdiction of this state or the transaction which creates the security interest otherwise bears an appropriate relation to this state; this article governs the validity and perfection of the security interest and the security interest may only be perfected by notification to the account debtor.

(1) Documents, instruments and ordinary goods.

(a) This subsection applies to documents and instruments and to goods other than those covered by a certificate of title described in subsection (2), mobile goods described in subsection (3), and minerals described in subsection (5).

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of a security interest in collateral are governed by the law of the jurisdiction where the collateral is when the last event occurs on which is based the assertion that the security interest is perfected or unperfected.

(c) If the parties to a transaction creating a purchase money security interest in goods in one jurisdiction understand at the time that the security interest attaches that the goods will be kept in another jurisdiction, then the law of the other jurisdiction governs the perfection and the effect of perfection or nonperfection of the security interest from the time it attaches until 30 days after the debtor receives possession of the goods and thereafter if the goods are taken to the other jurisdiction before the end of the 30 day period.

(d) When collateral is brought into and kept in this state while subject to a security interest perfected under the law of the jurisdiction from which the collateral was removed, the security interest remains perfected, but if action is required by part 3 of this article to perfect the security interest,

(i) if the action is not taken before the expiration of the period of perfection in the other jurisdiction or the end of four months after the collateral is brought into this state, whichever period first expires, the security interest becomes unperfected at the end of that period and is thereafter deemed to have been unperfected as against a person who became a purchaser after removal;

(ii) if the action is taken before the expiration of the period specified in subparagraph (i), the security interest continues perfected thereafter;

(iii) for the purpose of priority over a buyer of consumer goods (subsection (2) of section 336.9-307), the period of the effectiveness of

Changes or additions indicated by underline deletions by ~~strikeout~~

a filing in the jurisdiction from which the collateral is removed is governed by the rules with respect to perfection in subparagraphs (i) and (ii).

(2) Certificate of title.

(a) This subsection applies to goods covered by a certificate of title issued under a statute of this state or of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection.

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of the security interest are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until four months after the goods are removed from that jurisdiction and thereafter until the goods are registered in another jurisdiction, but in any event not beyond surrender of the certificate. After the expiration of that period, the goods are not covered by the certificate of title within the meaning of this section.

(c) Except with respect to the rights of a buyer described in the next paragraph, a security interest, perfected in another jurisdiction otherwise than by notation on a certificate of title, in goods brought into this state and thereafter covered by a certificate of title issued by this state is subject to the rules stated in paragraph (d) of subsection (1).

(d) If goods are brought into this state while a security interest therein is perfected in any manner under the law of the jurisdiction from which the goods are removed and a certificate of title is issued by this state and the certificate does not show that the goods are subject to the security interest or that they may be subject to security interests not shown on the certificate, the security interest is subordinate to the rights of a buyer of the goods who is not in the business of selling goods of that kind to the extent that he gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest.

(3) Accounts, general intangibles and mobile goods.

(a) This subsection applies to accounts (other than an account described in subsection (5) on minerals) and general intangibles and to goods which are mobile and which are of a type normally used in more than one jurisdiction, such as motor vehicles, trailers, rolling stock, airplanes, shipping containers, road building and construction machinery and commercial harvesting machinery and the like, if the goods are equipment or are inventory leased or held for lease by the debtor to others, and are not covered by a certificate of title described in subsection (2).

(b) The law (including the conflict of laws rules) of the jurisdic-

Changes or additions indicated by underline deletions by ~~strikeout~~

tion in which the debtor is located governs the perfection and the effect of perfection or nonperfection of the security interest.

(c) If, however, the debtor is located in a jurisdiction which is not a part of the United States, and which does not provide for perfection of the security interest by filing or recording in that jurisdiction, the law of the jurisdiction in the United States in which the debtor has its major executive office in the United States governs the perfection and the effect of perfection or nonperfection of the security interest through filing. In the alternative, if the debtor is located in a jurisdiction which is not a part of the United States or Canada and the collateral is accounts or general intangibles for money due or to become due, the security interest may be perfected by notification to the account debtor. As used in this paragraph, "United States" includes its territories and possessions and the Commonwealth of Puerto Rico.

(d) A debtor shall be deemed located at his place of business if he has one, at his chief executive office if he has more than one place of business, otherwise at his residence. If, however, the debtor is a foreign air carrier under the Federal Aviation Act of 1958, as amended, it shall be deemed located at the designated office of the agent upon whom service of process may be made on behalf of the foreign air carrier.

(e) A security interest perfected under the law of the jurisdiction of the location of the debtor is perfected until the expiration of four months after a change of the debtor's location to another jurisdiction, or until perfection would have ceased by the law of the first jurisdiction, whichever period first expires. Unless perfected in the new jurisdiction before the end of that period, it becomes unperfected thereafter and is deemed to have been unperfected as against a person who became a purchaser after the change.

(4) Chattel paper.

The rules stated for goods in subsection (1) apply to a possessory security interest in chattel paper. The rules stated for accounts in subsection (3) apply to a nonpossessory security interest in chattel paper, but the security interest may not be perfected by notification to the account debtor.

(5) Minerals.

Perfection and the effect of perfection or nonperfection of a security interest which is created by a debtor who has an interest in minerals or the like (including oil and gas) before extraction and which attaches thereto as extracted, or which attaches to an account resulting from the sale thereof at the wellhead or minehead are governed by the law (including the conflict of laws rules) of the jurisdiction wherein the wellhead or minehead is located.

Sec. 7. Minnesota Statutes 1974, Section 336.9-104, is amended to read:

336.9-104 TRANSACTIONS EXCLUDED FROM ARTICLE. This article does not apply

(a) to a security interest subject to any statute of the United States such as the Ship Mortgage Act, 1920, to the extent that such statute governs the rights of parties to and third parties affected by transactions in particular types of property; or

(b) to a landlord's lien; or

(c) to a lien given by statute or other rule of law for services or materials except as provided in section 336.9-310 on priority of such liens; or

(d) to a transfer of a claim for wages, salary or other compensation of an employee; or

(e) to ~~an equipment trust covering railway rolling stock~~ a transfer by a government or governmental subdivision or agency to the extent that this article conflicts with special statutory provisions relating to such a transfer; or

(f) to a sale of accounts; ~~contract rights~~ or chattel paper as part of a sale of the business out of which they arose, or an assignment of accounts; ~~contract rights~~ or chattel paper which is for the purpose of collection only, or a transfer of a ~~contract~~ right to payment under a contract to an assignee who is also to do the performance under the contract or a transfer of a single account to an assignee in whole or partial satisfaction of a preexisting indebtedness; or

(g) to a transfer of an interest or claim in or under any policy of insurance, except as provided with reference to proceeds (section 336.9-306) and priorities in proceeds section (336.9-312); or

(l) to a transfer of an interest in any deposit account (subsection (1) of section 336.9-105), except as provided with respect to proceeds (section 336.9-306) and priorities in proceeds (section 336.9-312).

Sec. 8. Minnesota Statutes 1974, Section 336.9-105, is amended to read:

336.9-105 DEFINITIONS AND INDEX OF DEFINITIONS. (1) In this article unless the context otherwise requires:

(a) "Account debtor" means the person who is obligated on an account, chattel paper, contract right or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods ~~;~~, but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and includes accounts, contract rights and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts ~~;~~ ~~contract rights~~ or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the article dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;

(e) "Deposit account" means a demand, time, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization, other than an account evidenced by a certificate of deposit;

~~(e)-(f)~~ "(f) "Document" means document of title as defined in the general definitions of article 1 (section 336.1-201) and a receipt of the kind described in subsection (2) of section 336.7-201 ;

(1) A person who delivers goods under a consignment which is not a security interest and who would be required to file under this article by paragraph (3) (c) of section 336.2-326 has priority over a secured party who is or becomes a creditor of the consignee and who would have a perfected security interest in the goods if they were the property of the consignee, and also has priority with respect to identifiable cash proceeds received on or before delivery of the goods to a buyer, if

In describing collateral, the word "proceeds" is sufficient without further description to cover proceeds of any character: value has been given; and

(c) the debtor has rights in the collateral.

(2) A security interest attaches when it becomes enforceable against the debtor with respect to the collateral. Attachment occurs as soon as all of the events specified in subsection (1) have taken place unless explicit agreement postpones the time of attaching.

336.9-204 AFTER-ACQUIRED PROPERTY; FUTURE ADVANCES. ~~(1) A security interest cannot attach until there is agreement (subsection (3) of section 336.1-201) that it attach and value is given and the debtor has rights in the collateral. 336.9-205 USE OR DISPOSITION OF COLLATERAL WITHOUT ACCOUNTING PERMISSIBLE. (3) A "lien creditor" means a creditor who has acquired a lien on the property involved by attachment, levy or the like and includes an assignee for benefit of creditors from the time of assignment, and a trustee in bankruptcy from the date of the filing of the petition or a receiver in equity from the time of appointment. ~~Unless all the creditors represented had knowledge of the security interest such a representative of creditors is a lien creditor without knowledge even though he personally has knowledge of the security interest.~~

(4) A person who becomes a lien creditor while a security interest is perfected takes subject to the security interest only to the extent that it secures advances made before he becomes a lien creditor or within 45 days thereafter or made without knowledge of the lien or pursuant to a commitment entered into without knowledge of the lien.

(3) A perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer if

(a) the purchase money security interest is perfected at the time the debtor receives possession of the inventory; and

(b) the purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory (i) before the date of the filing made by the purchase money secured party, or (ii) before the beginning of the 21 day period where the purchase money security interest is temporarily perfected without filing or possession (subsection (5) of section 336.9-304); and

(c) the holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(d) the notification states that the person giving the notice has or expects to acquire a purchase money security interest in inventory of the debtor, describing such inventory by item or type.

(4) A purchase money security interest in collateral other than inventory has priority over a conflicting security interest in the same collateral or its proceeds if the purchase money security interest is perfected at the time the debtor receives possession of the collateral or within ten days thereafter.

(5) In all cases not governed by other rules stated in this section (including cases of purchase money security interests which do not qualify for the special priorities set forth in subsections (3) and (4) of this section), priority between conflicting security interests in the same collateral shall be determined as follows:

(a) In the order of filing if both are perfected by filing, regardless of which security interest attached first under section 336.9-204(1) and whether it attached before or after filing;

Changes or additions indicated by underline deletions by ~~strikeout~~

(b) In the order of perfection unless both are perfected by filing, regardless of which security interest attached first under section 336.9-204(1) and; in the case of a filed security interest, whether it attached before or after filing; and

(c) In the order of attachment under section 336.9-204(1) so long as neither is perfected: according to the following rules:

(a) Conflicting security interests rank according to priority in time of filing or perfection. Priority dates from the time a filing is first made covering the collateral or the time the security interest is first perfected, whichever is earlier, provided that there is no period thereafter when there is neither filing nor perfection.

(b) so long as conflicting security interests are unperfected, the first to attach has priority.

(6) For the purpose of the priority rules of the immediately preceding subsection, a continuously perfected security interest shall be treated at all times as if perfected by filing if it was originally so perfected and it shall be treated at all times as if perfected otherwise than by filing if it was originally perfected otherwise than by filing.

(6) For the purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds.

(7) If future advances are made while a security interest is perfected by filing or the taking of possession, the security interest has the same priority for the purposes of subsection (5) with respect to the future advances as it does with respect to the first advance. If a commitment is made before or while the security interest is so perfected, the security interest has the same priority with respect to advances made pursuant thereto. In other cases a perfected security interest has priority from the date the advance is made.

Sec. 22. Minnesota Statutes 1974, Section 336.9-313, is amended to read:

336.9-313 PRIORITY OF SECURITY INTERESTS IN FIXTURES.

(1) The rules of this section do not apply to goods incorporated into a structure in the manner of lumber, bricks, tile, cement, glass, metal work and the like and no security interest in them exists under this article unless the structure remains personal property under applicable law. The law of this state other than this chapter determines whether and when other goods become fixtures. This chapter does not prevent creation of an encumbrance upon fixtures or real estate pursuant to the law applicable to real estate.

(2) A security interest which attaches to goods before they become fixtures takes priority as to the goods over the claims of all persons who have an interest in the real estate except as stated in subsec-

tion (4):

(3) A security interest which attaches to goods after they become fixtures is valid against all persons subsequently acquiring interests in the real estate except as stated in subsection (4) but is invalid against any person with an interest in the real estate at the time the security interest attaches to the goods who has not in writing consented to the security interest or disclaimed an interest in the goods as fixtures.

(4) The security interests described in subsections (2) and (3) do not take priority over

(a) a subsequent purchaser for value of any interest in the real estate; or

(b) a creditor with a lien on the real estate subsequently obtained by judicial proceedings; or

(c) a creditor with a prior encumbrance of record on the real estate to the extent that he makes subsequent advances

if the subsequent purchase is made, the lien by judicial proceedings is obtained, or the subsequent advance under the prior encumbrance is made or contracted for without knowledge of the security interest and before it is perfected. A purchaser of the real estate at a foreclosure sale other than an encumbrancer purchasing at his own foreclosure sale is a subsequent purchaser within this section: (1) In this section and in the provisions of part 4 of this article referring to fixture filing, unless the context otherwise requires

(a) goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law.

(b) a "fixture filing" is the filing in the office where a mortgage on the real estate would be filed or recorded of a financing statement covering goods which are or are to become fixtures and conforming to the requirements of subsection (5) of section 336.9-402 except in the case of a fixture filing by a transmitting utility, which shall be governed by subsection (5) of section 336.9-401.

(c) a mortgage is a "construction mortgage" to the extent that it secures an obligation incurred for the construction of an improvement on land including the acquisition cost of the land, if the recorded writing so indicates.

(2) A security interest under this article may be created in goods which are fixtures or may continue in goods which become fixtures, but no security interest exists under this article in ordinary building materials incorporated into an improvement on land.

(3) This article does not prevent creation of an encumbrance upon

Changes or additions indicated by underline deletions by ~~strikeout~~

fixtures pursuant to real estate law.

(4) A perfected security interest in fixtures has priority over the conflicting interest of an encumbrancer or owner of the real estate where

(a) the security interest is a purchase money security interest, the interest of the encumbrancer or owner arises before the goods become fixtures, the security interest is perfected by a fixture filing before the goods become fixtures or within ten days thereafter, and the debtor has an interest of record in the real estate or is in possession of the real estate; or

(b) the security interest is perfected by a fixture filing before the interest of the encumbrancer or owner is of record, the security interest has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner, and the debtor has an interest of record in the real estate or is in possession of the real estate; or

(c) the fixtures are readily removable factory or office machines or readily removable replacements of domestic appliances which are consumer goods, and before the goods become fixtures the security interest is perfected by any method permitted by this article; or

(d) the conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this article.

(5) A security interest in fixtures, whether or not perfected, has priority over the conflicting interest of an encumbrancer or owner of the real estate where

(a) the encumbrancer or owner has consented in writing to the security interest or has disclaimed an interest in the goods as fixtures; or

(b) the debtor has a right to remove the goods as against the encumbrancer or owner. If the debtor's right terminates, the priority of the security interest continues for a reasonable time.

(6) Notwithstanding paragraph (a) of subsection (4) but otherwise subject to subsections (4) and (5), a security interest in fixtures is subordinate to a construction mortgage recorded before the goods become fixtures if the goods become fixtures before the completion of the construction. To the extent that it is given to refinance a construction mortgage, a mortgage has this priority to the same extent as the construction mortgage.

(7) In cases not within the preceding subsections, a security interest in fixtures is subordinate to the conflicting interest of an encumbrancer or owner of the related real estate who is not the debtor.

Changes or additions indicated by underline deletions by strikethrough

~~(6)-(8)~~ When ~~under subsections (2) or (3) and (4)~~ a the secured party has priority over ~~the claims of all persons who have interests in all owners and encumbrancers~~ of the real estate, he may, on default, subject to the provisions of part 5, remove his collateral from the real estate but he must reimburse any encumbrancer or owner of the real estate who is not the debtor and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in value of the real estate caused by the absence of the goods removed or by any necessity for replacing them. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate security for the performance of this obligation.

Sec. 23. Minnesota Statutes 1974, Section 336.9-318, is amended to read:

336.9-318 DEFENSES AGAINST ASSIGNEE; MODIFICATION OF CONTRACT AFTER NOTIFICATION OF ASSIGNMENT; TERM PROHIBITING ASSIGNMENT INEFFECTIVE; IDENTIFICATION AND PROOF OF ASSIGNMENT. (1) Unless an account debtor has made an enforceable agreement not to assert defenses or claims arising out of a sale as provided in section 336.9-206 the rights of an assignee are subject to

(a) all the terms of the contract between the account debtor and the assignor and any defense or claim arising therefrom; and

(b) any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives notification of the assignment.

(2) So far as the right to payment or a part thereof under an assigned contract ~~right has not already become an account, has not been fully earned by performance~~ and notwithstanding notification of the assignment any modification of or substitution for the contract made in good faith and in accordance with reasonable commercial standards is effective against an assignee unless the account debtor has otherwise agreed but the assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that such modification or substitution is a breach by the assignor.

(3) The account debtor is authorized to pay the assignor until the account debtor receives notification that the ~~account amount due or to become due~~ has been assigned and that payment is to be made to the assignee. A notification which does not reasonably identify the rights assigned is ineffective. If requested by the account debtor, the assignee must seasonably furnish reasonable proof that the assignment has been made and unless he does so the account debtor may pay the assignor.

(4) A term in any contract between an account debtor and an assignor ~~which is ineffective if it prohibits assignment of an account or~~

Sec. 24. Minnesota Statutes 1974, Section 336.9-401, is amended to read:

336.9-401 PLACE OF FILING; ERRONEOUS FILING; REMOVAL OF COLLATERAL. (1) The proper place to file in order to perfect a security interest is as follows:

(a) When the collateral is equipment used in farming operations, or farm products, or accounts ; ~~contract rights~~, or general intangibles arising from or relating to the sale of farm products by a farmer, or consumer goods, or motor vehicles which are not inventory, then in the office of the register of deeds in the county of the debtor's residence if the debtor is an individual who is a resident of this state but if the debtor is an individual who is not a resident of this state or is a corporation, partnership or other organization then in the office of the secretary of state, and in addition when the collateral is crops growing or to be grown in the office of the register of deeds in the county where the land ~~on which the crops are growing or to be grown~~ is located;

(b) When the collateral is ~~goods which at the time the security interest attaches are or are to become fixtures~~, timber to be cut or is minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or when the financing statement is filed as a fixture filing (section 336.9-313) and the collateral is goods which are or are to become fixtures, then in the office of the register of deeds in the county ~~where the real estate concerned is located~~ where a mortgage on the real estate would be filed or recorded ;

(c) In all other cases, in the office of the secretary of state.

(2) A filing which is made in good faith in an improper place or not in all of the places required by this section is nevertheless effective with regard to any collateral as to which the filing complied with the requirements of this article and is also effective with regard to collateral covered by the financing statement against any person who has knowledge of the contents of such financing statement.

(3) A filing which is made in the proper place in this state continues effective even though the debtor's residence in this state or the use of the collateral, whichever controlled the original filing, is thereafter changed.

(4) ~~If collateral is brought into this state from another jurisdiction~~, The rules stated in section 336.9-103 determine whether filing is necessary in this state.

Changes or additions indicated by underline deletions by ~~strikeout~~

(5) Notwithstanding the preceding subsections, the proper place to file in order to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the secretary of state. Such a filing shall not be deemed a separate filing from the filings required by other laws, if applicable, set forth in subsection (3) of section 336.9-302. This filing constitutes a fixture filing (section 336.9-313) as to the collateral described therein which is or is to become fixtures.

(6) For the purposes of this section, the residence of an organization is its place of business if it has one or its chief executive office if it has more than one place of business.

~~(5)-(7)~~ "Motor vehicle" means any device propelled or drawn by any power other than muscular power in, upon, or by which any person or property is or may be transported or drawn upon a highway, excepting building and road construction equipment.

Sec. 25. Minnesota Statutes 1974, Section 336.9-402, is amended to read:

336.9-402 FORMAL REQUISITES OF FINANCING STATEMENT; AMENDMENTS; MORTGAGE AS FINANCING STATEMENT. (1) A financing statement is sufficient if it gives the name of the debtor and the secured party, is signed by the debtor ~~and the secured party~~, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address of the debtor and contains a statement indicating the types or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers crops growing or to be grown ~~or goods which are or are to become fixtures~~, the statement must also contain a description of the real estate concerned and the name of the record owner thereof. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or when the financing statement is filed as a fixture filing (section 336.9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by ~~both parties—the debtor~~. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so provides or if the original has been filed in this state.

(2) A financing statement which otherwise complies with subsection (1) is sufficient ~~although—when~~ it is signed ~~only~~ by the secured party instead of the debtor when it is filed to perfect a security interest in

(a) collateral already subject to a security interest in another jurisdiction when it is brought into this state, or when the debtor's loca-

tion is changed to this state . Such a financing statement must state that the collateral was brought into this state or that the debtor's location was changed to this state under such circumstances ; or

(b) proceeds under section 336.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral ; or

(c) collateral as to which the filing has lapsed; or

(d) collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7)).

(3) A form substantially as follows is sufficient to comply with subsection (1):

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party. An amendment does not extend the period of effectiveness of a financing statement. The term "financing statement" as used in this article means the original financing statement and any amendments but If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or a financing statement filed as a fixture filing (section 336.9-313) where the debtor is not a transmitting utility, must show that it covers this type of collateral, must recite that it is to be filed for record in the real estate records, and the financing statement must contain a description of the real estate sufficient if it were contained in a mortgage of the real estate to give constructive notice of the mortgage under the law of this state. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner. No description of the real estate or the name of the record owner thereof is required for a fixture filing where the debtor is a transmitting utility. Notwithstanding the foregoing a general description of the real estate is sufficient for a fixture filing where a railroad is the record owner of the real estate on which the fixtures are or are to be located; and for the pur-

Changes or additions indicated by underline deletions by strikethrough

poses of this subsection, the requirement of a general description is satisfied if the fixture filing (1) identifies the section, township and range numbers of the county in which the land is located; (2) identifies the quarter-quarter of the section that the land is located in; (3) indicates the name of the record owner of the real estate; and (4) states the street address of the real estate if one exists.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if (a) the goods are described in the mortgage by item or type, (b) the goods are or are to become fixtures related to the real estate described in the mortgage, (c) the mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records, and (d) the mortgage is duly recorded. No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

~~(6)-(8)~~ A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

Sec. 26. Minnesota Statutes 1974, Section 336.9-403, is amended to read:

336.9-403 WHAT CONSTITUTES FILING; DURATION OF FILING; EFFECT OF LAPSED FILING; DUTIES OF FILING OFFICER. (1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) Except as provided in subsection (6) a filed financing statement which states a maturity date of the obligation secured of five years or less is effective until such maturity date and thereafter for a period of 60 days. Any other filed financing statement is effective for a period of five years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of such 60 day period after a stated maturity date or on the expiration of such ~~the~~ five year period ; as the case may be, unless a continuation statement is filed prior

Changes or additions indicated by underline deletions by ~~strikeout~~

to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five year period, whichever occurs later regardless of whether the financing statement filed as to that security interest is destroyed by the filing officer pursuant to subsection (3). Upon such lapse the security interest becomes unperfected ; , unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse. A filed financing statement which states that the obligation secured is payable on demand is effective for five years from the date of filing.

(3) A continuation statement may be filed by the secured party ~~(i) within six months before and 60 days after a stated maturity date of five years or less, and (ii) otherwise~~ within six months prior to the expiration of the five year period specified in subsection (2). Any such continuation statement must be signed by the secured party, identify the original statement by file number, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if he physically destroys the financing statements of a period more than five years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained . If insolvency proceedings are commenced by or against the debtor, the secured party shall notify the filing officer both upon commencement and termination of the proceedings, and the filing officer shall not destroy any financing statements filed with respect to the debtor until termination of the insolvency proceedings. The security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five year period, whichever occurs later.

(4) Except as provided in subsection (7) a filing officer shall mark each statement with a ~~consecutive~~ file number and with the date and

hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement. ~~In addition, if the statements cover collateral which are or are to become fixtures, the filing officer shall index the statements according to the name of the record owner of the real estate concerned.~~

(5) The secretary of state shall prescribe uniform forms for statements and samples thereof shall be furnished to all filing officers in the state. The uniform fee for filing ; indexing; and furnishing filing data for an original or a continuation statement if the uniform form is used shall be \$2 and if some other form or additional documents are presented; ~~then the fee shall be \$3; and indexing and for stamping a copy furnished by the secured party to show the date and place of filing for an original financing statement or for a continuation statement shall be \$2 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$3, plus in each case, if the financing statement is subject to subsection (5) of section 336.9-402, \$5. The uniform fee for each name more than one required to be indexed shall be \$1. The secured party may at his option show a trade name for any person and an extra uniform indexing fee of \$1 shall be paid with respect thereto.~~

(6) ~~If the debtor is a transmitting utility (subsection (5) of section 336.9-401) and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage which is effective as a fixture filing under subsection (6) of section 336.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.~~

(7) ~~When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or is filed as a fixture filing, it shall be filed for record and the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or, for filing offices other than the secretary of state, where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described. If requested of the filing officer on the financing statement, a financing statement filed for record as a fixture filing in the same office where nonfixture filings are made is effective, without a dual filing, as to collateral listed thereon for which filing is required in such office pursuant to section 9-401 (1) (a); in such case, the filing officer shall also index the recorded statement in accordance with subsection (4) using the recording data in lieu~~

of a file number.

~~(6)~~(8) The fees provided for in this article shall supersede the fees for similar services otherwise provided for by law except in the case of security interests filed in connection with a certificate of title on a motor vehicle.

Sec. 27. Minnesota Statutes 1974, Section 336.9-404, is amended to read:

336.9-404 TERMINATION STATEMENT. (1) If a financing statement covering consumer goods is filed on or after January 1, 1976, then within one month or within ten days following written demand by the debtor after there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must file with each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, which shall be identified by file number. In other cases whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations, or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, which shall be identified by file number. A termination statement signed by a person other than the secured party of record must include or be accompanied by the assignment or a separate written statement of assignment signed by the secured party of record that he has assigned the security interest to the signer of the termination statement and complying with subsection (2) of section 336.9-405, including payment of the required fee. The uniform fee for filing and indexing such an assignment or statement thereof shall be \$1. If the affected secured party fails to file such a termination statement as required by this subsection, or to send such a termination statement within ten days after proper demand therefor he shall be liable to the debtor for \$100, and in addition for any loss caused to the debtor by such failure.

(2) On presentation to the filing officer of such a termination statement he must note it in the index. The filing officer shall remove from the files, mark "terminated," and send or deliver to the secured party the financing statement and any continuation statement, statement of assignment, or statement of release pertaining thereto. If he has received the termination statement in duplicate, he shall return one copy of the termination statement to the secured party stamped to show the time of receipt thereof. If the filing officer has a microfilm or other photographic record of the financing statement, and of any related continuation statement, statement of assignment and statement of release, he may remove the originals from the files at any time after receipt of the termination statement, or if he has no such record, he may remove them from the files at any time after one year after re-

ceipt of the termination statement.

(3) If the termination statement is in the standard form prescribed by the secretary of state the uniform fee for filing and indexing ~~a~~ the termination statement including sending or delivering the financing statement shall be \$1 and otherwise shall be \$2, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1). An additional fee of \$1 shall be charged for each name more than one against which the termination statement is required to be filed.

Sec. 28. Minnesota Statutes 1974, Section 336.9-405, is amended to read:

336.9-405 ASSIGNMENT OF SECURITY INTEREST; DUTIES OF FILING OFFICER; FEES. (1) A financing statement may disclose an assignment of a security interest in the collateral described in the financing statement by indication in the financing statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. ~~Either the original secured party or the assignee may sign this statement as the secured party.~~ On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in section 336.9-403(4). The uniform fee for filing, indexing, and furnishing filing data for a financing statement so indicating an assignment shall be \$2 : , the same as the fee prescribed in section 336.9-403, clause (5).

(2) A secured party may assign of record all or a part of his rights under a financing statement by the filing in the place where the original financing statement was filed of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record and the debtor, the file number and the date of filing of the financing statement, and the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of the filing. He shall note the assignment on the index of the financing statement , or in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, he shall index the assignment under the name of the assignor as grantor and, to the extent that the law of this state provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee . The uniform fee for filing, indexing, and furnishing filing data about such a separate statement of assignment shall be \$2 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$3, plus in each case, if the original financing statement was subject to subsection

An additional fee of \$1 shall be charged for each name more than one against which the statement of assignment is required to be indexed. Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of section 336.9-402) may be made only by an assignment of the mortgage in the manner provided by the law of this state other than this act .

(3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record.

Sec. 29. Minnesota Statutes 1974, Section 336.9-406, is amended to read:

336.9-406 RELEASE OF COLLATERAL; DUTIES OF FILING OFFICER; FEES. A secured party of record may by his signed statement release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, the name and address of the secured party, and the file number of the financing statement. A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon presentation of such a statement of release to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. The uniform fee for filing and noting such a statement of release shall be \$2 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$3, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1). An additional fee of \$1 shall be charged for each name more than one against which the statement of release is required to be indexed .

Sec. 30. Minnesota Statutes 1974, Section 336.9-407, is amended to read:

(1) If the person filing any financing statement, termination statement, statement of assignment, or statement of release, furnishes the filing officer a copy thereof, the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to such person.

(2) Upon request of any person, the filing officer shall issue his certificate showing whether there is on file on the date and hour stated therein any presently effective financing statement naming a particular

debtor and any statement of assignment thereof and, if there is, giving the date and hour of filing of each such statement and the names and addresses of each secured party therein. The uniform fee for such a certificate shall be \$2 if the request is in the standard form prescribed by the secretary of state and otherwise shall be \$3 plus \$.50 for each financing statement and for each statement of assignment reported therein. Upon request the filing officer shall furnish a copy of any filed financing statement or statement of assignment for a uniform fee of \$.50 per page.

Sec. 31. Minnesota Statutes 1974, Chapter 336, is amended by adding a section to read:

[336.9-408] FINANCING STATEMENTS COVERING CON-SIGNED OR LEASED GOODS. A consignor or lessor of goods may file a financing statement using the terms "consignor," "consignee," "lessor," "lessee" or the like instead of the terms specified in section 336.9-402. The provisions of this part shall apply as appropriate to such a financing statement but its filing shall not of itself be a factor in determining whether or not the consignment or lease is intended as security (section 336.1-201, clause (37)). However, if it is determined for other reasons that the consignment or lease is so intended, a security interest of the consignor or lessor which attaches to the consigned or leased goods is perfected by such filing.

Sec. 32. Minnesota Statutes 1974, Chapter 336, is amended by adding a section to read:

[336.9-410] DESTRUCTION OF OLD RECORDS. Unless a filing officer has notice of an action pending relative thereto, he may remove from the files and destroy

(a) a lapsed financing statement, a lapsed continuation statement, a statement of assignment or release relating to either, and any index of any of them, one year or more after lapse; and

(b) a termination statement and the index on which it is noted, three years or more after the filing of the termination statement.

Sec. 33. Minnesota Statutes 1974, Section 336.9-501, is amended to read:

336.9-501 DEFAULT; PROCEDURE WHEN SECURITY AGREEMENT COVERS BOTH REAL AND PERSONAL PROPERTY. (1) When a debtor is in default under a security agreement, a secured party has the rights and remedies provided in this part and except as limited by subsection (3) those provided in the security agreement. He may reduce his claim to judgment, foreclose, or otherwise enforce the security interest by any available judicial procedure. If the collateral is documents the secured party may proceed either as to the documents or as to the goods covered thereby. A secured party in possession has the

rights, remedies, and duties provided in section 336.9-207. The rights and remedies referred to in this subsection are cumulative.

(2) After default, the debtor has the rights and remedies provided in this part, those provided in the security agreement, and those provided in section 336.9-207.

(3) To the extent that they give rights to the debtor and impose duties on the secured party, the rules stated in the subsections referred to below may not be waived or varied except as provided with respect to compulsory disposition of collateral (~~subsection (1) of section 336.9-505~~) (subsection (3) of section 336.9-504) and with respect to redemption of collateral (section 336.9-506) but the parties may by agreement determine the standards by which the fulfillment of these rights and duties is to be measured if such standards are not manifestly unreasonable:

(a) Subsection (2) of section 336.9-502 and subsection (2) of section 336.9-504 insofar as they require accounting for surplus proceeds of collateral;

(b) Subsection (3) of section 336.9-504 and subsection (1) of section 336.9-505 which deal with disposition of collateral;

(c) Subsection (2) of section 336.9-505 which deals with acceptance of collateral as discharge of obligation;

(d) Section 336.9-506 which deals with redemption of collateral; and

(e) Subsection (1) of section 336.9-507 which deals with the secured party's liability for failure to comply with this part.

(4) If the security agreement covers both real and personal property, the secured party may proceed under this part as to the personal property or he may proceed as to both the real and the personal property in accordance with his rights and remedies in respect of the real property in which case the provisions of this part do not apply.

(5) When a secured party has reduced his claim to judgment the lien of any levy which may be made upon his collateral by virtue of any execution based upon the judgment shall relate back to the date of the perfection of the security interest in such collateral. A judicial sale, pursuant to such execution, is a foreclosure of the security interest by judicial procedure within the meaning of this section, and the secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this article.

Sec. 34. Minnesota Statutes 1974, Section 336.9-502, is amended to read:

336.9-502 COLLECTION RIGHTS OF SECURED PARTY. (1) When so agreed and in any event on default the secured party is entitled to notify an account debtor or the obligor on an instrument to make payment to him whether or not the assignor was theretofore making collections on the collateral, and also to take control of any proceeds to which he is entitled under section 336.9-306.

(2) A secured party who by agreement is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor and who undertakes to collect from the account debtors or obligors must proceed in a commercially reasonable manner and may deduct his reasonable expenses of realization from the collections. If the security agreement secures an indebtedness, the secured party must account to the debtor for any surplus, and, unless otherwise agreed, the debtor is liable for any deficiency. But, if the underlying transaction was a sale of accounts ; ~~contract rights~~, or chattel paper, the debtor is entitled to any surplus or is liable for any deficiency only if the security agreement so provides.

Sec. 35. Minnesota Statutes 1974, Section 336.9-504, is amended to read:

336.9-504 SECURED PARTY'S RIGHT TO DISPOSE OF COLLATERAL AFTER DEFAULT; EFFECT OF DISPOSITION. (1) A secured party after default may sell, lease, or otherwise dispose of any or all of the collateral in its then condition or following any commercially reasonable preparation or processing. Any sale of goods is subject to the article on sales (article 2). The proceeds of disposition shall be applied in the order following to

(a) the reasonable expenses of retaking, holding, preparing for sale or lease , selling, leasing and the like, and, to the extent provided for in the agreement and not prohibited by law, the reasonable attorneys' fees and legal expenses incurred by the secured party;

(b) the satisfaction of indebtedness secured by the security interest under which the disposition is made;

(c) the satisfaction of indebtedness secured by any subordinate security interest in the collateral if written notification of demand therefor is received before distribution of the proceeds is completed. If requested by the secured party, the holder of a subordinate security interest must seasonably furnish reasonable proof of his interest, and unless he does so, the secured party need not comply with his demand.

(2) If the security interest secures an indebtedness, the secured party must account to the debtor for any surplus, and, unless otherwise agreed, the debtor is liable for any deficiency. But if the underlying transaction was a sale of accounts, contract rights, or chattel paper, the debtor is entitled to any surplus or is liable for any deficiency only if the security agreement so provides.

(3) Disposition of the collateral may be by public or private proceedings and may be made by way of one or more contracts. Sale or other disposition may be as a unit or in parcels and at any time and place and on any terms but every aspect of the disposition including the method, manner, time, place and terms must be commercially reasonable. Unless collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, reasonable notification of the time and place of any public sale or reasonable notification of the time after which any private sale or other intended disposition is to be made shall be sent by the secured party to the debtor, ~~and except in the case of consumer goods to any other person who has a security interest in the collateral and who has duly filed a financing statement indexed in the name of the debtor in this state or who is known by the secured party to have a security interest in the collateral~~ if he has not signed after default a statement renouncing or modifying his right to notification of sale. In the case of consumer goods no other notification need be sent. In other cases notification shall be sent to any other secured party from whom the secured party has received (before sending his notification to the debtor or before the debtor's renunciation of his rights) written notice of a claim of an interest in the collateral. The secured party may buy at any public sale and if the collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations he may buy at private sale.

(4) When collateral is disposed of by a secured party after default, the disposition transfers to a purchaser for value all of the debtor's rights therein, discharges the security interest under which it is made and any security interest or lien subordinate thereto. The purchaser takes free of all such rights and interests even though the secured party fails to comply with the requirements of this part or of any judicial proceedings

(a) in the case of a public sale, if the purchaser has no knowledge of any defects in the sale and if he does not buy in collusion with the secured party, other bidders, or the person conducting the sale; or

(b) in any other case, if the purchaser acts in good faith.

(5) A person who is liable to a secured party under a guaranty, endorsement, repurchase agreement, or the like and who receives a transfer of collateral from the secured party or is subrogated to his rights has thereafter the rights and duties of the secured party. Such a transfer of collateral is not a sale or disposition of the collateral under this article.

TION. (1) If the debtor has paid 60 percent of the cash price in the case of a purchase money security interest in consumer goods or 60 percent of the loan in the case of another security interest in consumer goods, and has not signed after default a statement renouncing or modifying his rights under this part a secured party who has taken possession of collateral must dispose of it under section 336.9-504 and if he fails to do so within 90 days after he takes possession the debtor at his option may recover in conversion or under section 336.9-507(1) on secured party's liability.

(2) In any other case involving consumer goods or any other collateral a secured party in possession may, after default, propose to retain the collateral in satisfaction of the obligation. Written notice of such proposal shall be sent to the debtor ~~and except in the case of consumer goods to any other secured party who has a security interest in the collateral and who has duly filed a financing statement indexed in the name of the debtor in this state or is known by the secured party in possession to have a security interest in it.~~ If the debtor or other person entitled to receive notification objects in writing within 30 days from the receipt of the notification or if any other secured party objects in writing within 30 days after the secured party obtains possession the secured party must dispose of the collateral under section 336.9-504 ~~if he has not signed after default a statement renouncing or modifying his rights under this subsection.~~ In the case of consumer goods no other notice need be given. In other cases notice shall be sent to any other secured party from whom the secured party has received (before sending his notice to the debtor or before the debtor's renunciation of his rights) written notice of a claim of an interest in the collateral. If the secured party receives objection in writing from a person entitled to receive notification within 21 days after the notice was sent, the secured party must dispose of the collateral under section 336.9-504. In the absence of such written objection the secured party may retain the collateral in satisfaction of the debtor's obligation.

the provisions of Minnesota Statutes 1971, Chapter 336, and which would be subject to chapter 336 as amended if they had been entered into after December 31, 1976 and the rights, duties and interests flowing from such transactions remain valid after the latter date and may be terminated, completed, consummated or enforced as required or permitted by chapter 336 as amended by this act. Security interests arising out of such transactions which are perfected before January 1, 1977 shall remain perfected until they lapse as provided in chapter 336, as amended by this act, and may be continued as permitted by chapter 336 as amended by this act, except as stated in section 336.11-105.

[336.11-104] TRANSITION PROVISION ON CHANGE OF REQUIREMENT OF FILING. A security interest for the perfection of which filing or the taking of possession was required under Minnesota Statutes 1971, Chapter 336, and which attached prior to January 1, 1977 but was not perfected shall be deemed perfected on January 1, 1977 if chapter 336, as amended by this act, permits perfection without filing or authorizes filing in the office or offices where a prior ineffective filing was made.

[336.11-105] TRANSITION PROVISION ON CHANGE OF PLACE OF FILING. (1) A financing statement or continuation statement filed prior to January 1, 1977 which shall not have lapsed prior to January 1, 1977 shall remain effective for the period provided in Minnesota Statutes 1971, Chapter 336, but not less than five years after the filing.

(2) With respect to any collateral acquired by the debtor subsequent to December 31, 1976, any effective financing statement or continuation statement described in this section shall apply only if the filing or filings are in the office or offices that would be appropriate to perfect the security interests in the new collateral under chapter 336 as amended by this act.

(3) The effectiveness of any financing statement or continuation statement filed prior to January 1, 1977 may be continued by a continuation statement as permitted by chapter 336 as amended by this act, except that if chapter 336, as amended by this act requires a filing in an office where there was no previous financing statement, a new financing statement conforming to section 336.11-106 shall be filed in that office.

(4) If the record of a mortgage of real estate would have been effective as a fixture filing of goods described therein if chapter 336 as amended by this act had been in effect on the date of recording the mortgage, the mortgage shall be deemed effective as a fixture filing as to such goods under subsection (6) of section 336.9-402 of chapter 336 as amended by this act on January 1, 1977.

[336.11-106] REQUIRED REFILINGS. (1) If a security interest is perfected or has priority when this act takes effect as to all persons or

as to certain persons without any filing or recording, and if the filing of a financing statement would be required for the perfection or priority of the security interest against those persons under chapter 336, as amended by this act, the perfection and priority rights of the security interest continue until January 1, 1979. The perfection will then lapse unless a financing statement is filed as provided in subsection (4) or unless the security interest is perfected otherwise than by filing.

(2) If a security interest is perfected when chapter 336, as amended by this act takes effect under a law other than chapter 336 which requires no further filing, refiling or recording to continue its perfection, perfection continues until and will lapse January 1, 1980, unless a financing statement is filed as provided in subsection (4) or unless the security interest is perfected otherwise than by filing, or unless under subsection (3) of section 336.9-302 the other law continues to govern filing.

(3) If a security interest is perfected by a filing, refiling or recording under a law repealed by this act which required further filing, refiling or recording to continue its perfection, perfection continues and will lapse on the date provided by the law so repealed for such further filing, refiling or recording unless a financing statement is filed as provided in subsection (4) or unless the security interest is perfected otherwise than by filing.

(4) A financing statement may be filed within six months before the perfection of a security interest would otherwise lapse. Any such financing statement may be signed by either the debtor or the secured party. It must identify the security agreement, statement or notice (however denominated in any statute or other law repealed or modified by this act), state the office where and the date when the last filing, refiling or recording, if any, was made with respect thereto, and the filing number, if any, or book and page, if any, of recording and further state that the security agreement, statement or notice, however denominated, in another filing office under chapter 336 or under any statute or other law repealed or modified by this act is still effective. Section 336.9-401 and section 336.9-103 determine the proper place to file such a financing statement. Except as specified in this subsection, the provisions of section 336.9-403(3) for continuation statements apply to such a financing statement.

[336.11-107] TRANSITION PROVISIONS AS TO PRIORITIES. Except as otherwise provided in article 11, Minnesota Statutes 1971, Chapter 336 shall apply to any questions of priority if the positions of the parties were fixed prior to January 1, 1977. In other cases questions of priority shall be determined by chapter 336 as amended by this act.
