### CHAPTER 504—H.F.No. 2075

*An act relating to health; requiring certain immunizations for children; requiring certain schools to maintain immunization records and make certain reports; amending Minnesota Statutes 1978, Section 123.70.*

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 1978, Section 123.70, is amended to read:

123.70 **HEALTH STANDARDS; SCHOOL CHILDREN.** Subdivision 1. Prior to initial enrollment Except as provided in subdivisions 3 and 4, no child shall be allowed to enroll or remain enrolled in any school in this state every child shall submit until the child has submitted to the principal or other person having general control and supervision of the school, one of the following statements:

(1) A statement from a physician or a public clinic which provides immunizations stating that the child has received immunization against red measles after having attained the age of 11 months, 15 days, German measles or rubella, diphtheria, tetanus, pertussis, polio and mumps; or,

(2) A statement from a physician or a public clinic which provides immunizations stating that the child has received immunizations against red measles after having attained the age of 11 months, 15 days, German measles or rubella, mumps and that the child has commenced a schedule of immunizations for diphtheria, tetanus, pertussis and polio;

(3) A statement signed by a physician stating that the physical condition of the child is such that immunization would seriously endanger the life or health of the child;

(4) A notarized statement signed by the child's parent or guardian stating that the child has not been immunized as prescribed in clause (1) or (2) because of the conscientiously held beliefs of the parent or guardian. This statement shall also be forwarded to the commissioner of the department of health.

Subd. 2. No child who has commenced a treatment schedule of immunization pursuant to subdivision 1, clause (2), may remain enrolled in any school in this state after ~~ten~~ 18 months of enrollment unless there is submitted to the principal, or other person having general control and supervision of the school, a statement from a physician or a public clinic which provides immunizations that the child has completed the schedule of immunizations for ~~diphtheria~~ diphtheria, tetanus, pertussis, and polio or has commenced a schedule of the immunizations, in which case the dates of the immunizations shall be stated.

Subd. 3. ~~The phrase "any school" means any public, private or parochial elementary school, day care center or nursery school.~~ (a) If a child is at least seven years old and has not been immunized against pertussis or mumps, the child shall not be required to be immunized against pertussis or mumps.

(b) If a child is female and is at least 12 years old and has not been immunized against rubella, the child shall not be required to be immunized against rubella.

(c) If a statement, signed by a physician, is submitted to the principal or other person having general control and supervision of the school stating that an immunization is contraindicated for medical reasons or that laboratory confirmation of the presence of adequate immunity exists, the immunization specified in the statement shall not be required.

(d) If a notarized statement signed by the child's parent or guardian is submitted to the principal or other person having general control and supervision of the school stating that the child has not been immunized as prescribed in subdivision 1 because of the conscientiously held beliefs of the parent or guardian, the immunizations specified in the statement shall not be required. This statement shall also be forwarded to the commissioner of the department of health.

(e) If the child is under 15 months, the child is not required to be immunized against red measles, German measles, rubella or mumps.

Subd. 4. A child who is enrolling or enrolled in a public, private or parochial school may substitute a statement from a parent or guardian in lieu of the statement from a physician or public clinic which provides immunizations. If the statement is from a parent or guardian, the statement shall indicate the month and year of each immunization given. In order for the statement to be acceptable it must indicate that the following was given: no less than one dose of vaccine each for measles, mumps, and rubella given separately or in combination, and no less than three doses of vaccine for poliomyelitis, and no less than four doses of vaccine for diphtheria, tetanus, and pertussis. If the commissioner of health finds that any of the above requirements are not necessary to protect the public's health, he may suspend for one year that requirement.

Subd. 5. The immunizations required by this section should be completed prior to the second birthday of the child. If a child transfers from one school to another, the child shall be allowed 30 days to submit one or more of the statements as specified in subdivision 1 or 3, during which time the child may enroll in and attend the school.

Subd. 5 6. If the commissioner of health finds that an immunization required pursuant to this section is not necessary to protect the public's health, he may suspend for one year the requirement that children receive that immunization prior to enrolling in school.

Subd. 7. Each school shall maintain on file immunization records for all children in attendance which contains the information required by subdivisions 1, 2 and 3. The department of health and the local board of health in whose jurisdiction the district is located shall have access to the files maintained pursuant to this subdivision. When a child transfers to another school, the school official shall assist the child's parent or guardian in the transfer of the immunization file to the child's new school within 30 days of the transfer.

Subd. 8. The principal or other person having general control and supervision of a school shall file a report with the commissioner of education on all children enrolled in kindergarten through 12th grade. The report shall be prepared on forms developed jointly by the commissioner of health and the commissioner of education and be distributed to the local school districts by the commissioner of health and shall state the number of children attending the school, the number of children who have not been immunized according to subdivision 1 or 2, and the number of children who received an exemption under subdivision 3, clause (c) or (d). The report shall be filed with the commissioner of education within 60 days of the commencement of each new school term. The commissioner of education shall forward the report, or a copy thereof, to the commissioner of health who shall provide summary reports to local boards of health. The report required by this subdivision shall not be required of any day care facility.

Subd. 9. As used in this section "any school" means any public, private, or parochial elementary or secondary school or day care facility.

Sec. 2. **EFFECTIVE DATE.** This act is effective August 1, 1980.

Approved April 7, 1980
