Subd. 6. BONDS AS INVESTMENTS AND SECURITY FOR DEPOSITS. Notwithstanding any other law, the state of Minnesota and all its public officers, governmental units, agencies, and instrumentalities, all banks, trust companies, savings banks and institutions, building and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations, and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, money, or other funds belonging to them or within their control in any bonds or other obligations issued pursuant to this section, and the bonds or obligations may be pledged as security for any public deposits.

Sec. 8. [398A.08] EMPLOYMENT PREFERENCE. Individuals who have been previously employed by railroads, any part of whose property or assets are acquired pursuant to this act, shall have priority, based upon their length of service with that railroad, in employment with a purchasing carrier or other operator of a railroad incorporating that property or those assets.

Sec. 9. [398A.09] CONSTRUCTION. Sections 1 to 8 shall be construed liberally to effectuate their legislative intent and purpose, as complete and independent authority for the performance of every act and thing authorized, and all powers granted shall be broadly interpreted to effectuate this intent and purpose and not as a limitation of powers. In the event of any conflict or inconsistency with any other law or charter provision, the provisions of sections 1 to 8 shall prevail.

Sec. 10. Minnesota Statutes 1978, Section 270.12, Subdivision 3, is amended to read:

Subd. 3. For taxes levied in 1980 and 1981, when a taxing jurisdiction lies in two or more counties, and the sales ratio studies prepared by the department of revenue show that the average level of assessment in the several portions of the district in the different counties differs by more than ~~ten~~ 20 percent, the board may shall order that the levy of the taxing jurisdiction be apportioned among the portions in the different counties in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value, as determined by the equalization aid review committee, of the taxing jurisdiction; if the studies show that the level differs by more than five percent, the board may order the apportionment of the levy. For taxes levied in 1982 and thereafter, if the studies show that the level differs by more than five percent, the board shall order the apportionment of the levy.

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on August 15 of the state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following November 15.

Changes or additions indicated by underline deletions by ~~strikeout~~

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

Sec. 11. This act is effective the day after final enactment.
