CERTIFICATE

I, Michele L. Timmons, Revisor of Statutes for the State of Minnesota, certify that the session laws enacted by the Eighty-Second Legislature at the Regular Session in 2001, and the First Special Session in 2001, as reported in this publication, have been compared with the enrolled acts deposited in the office of the Secretary of State, are true copies, and are correctly printed.

Page 661 of First Special Session Senate File No. 4 was inadvertently omitted in the enrolled act as signed by the governor and filed with the secretary of state. This page is found in the engrossed bill as passed by the legislature and has been included in this publication.

MICHELE L. TIMMONS
Revisor of Statutes

EXPLANATION

Session laws are published by the Revisor of Statutes pursuant to Minnesota Statutes, section 3C.06.

This publication is based upon the enrolled acts and resolutions filed in the office of the Secretary of State. This publication is not a literal printing of the enrolled acts. However, editorial changes are limited to the correction of misspelled words, the correction of manifest clerical and grammatical errors, and the assignment or changes in assignment of Minnesota Statutes section numbers. Authority for the changes is given by Minnesota Statutes, section 3C.10, subdivision 1.

The headnotes in **BOLDFACE TYPE** are information about the chapter, section, or subdivision in which they appear but are not part of the law.

~~Strikeouts~~ indicate language deleted from an existing law.

Underline indicates new language.

Appropriation items in omnibus appropriation acts are not underlined.

Section numbers in brackets [26.12] indicate the preliminary coding for new sections that will be included in the next edition of Minnesota Statutes. The final assignment of section numbers will be listed in an allocation table in the next edition of Minnesota Statutes or the statutes supplement.

House and senate files indicated as vetoed by the governor are noted as "**VETOED**". The text of items of appropriation indicated as vetoed by the governor is printed, followed by an asterisk and a note indicating the veto. For house and senate files and items of appropriation vetoed and subsequently reconsidered and approved by the legislature, the reconsideration and approval is also indicated. Table 3 in this publication lists all senate and house files passed, vetoed, and vetoed, reconsidered and approved. Items of appropriation vetoed and vetoed, reconsidered and approved are also listed.

This publication is prima facie evidence of the law. (See Minnesota Statutes, section 3C.13.)
