Section 1. Minnesota Statutes 1976, Section 144A.04, Subdivision 5, is amended to read:

Subd. 5. Except as otherwise provided by this subdivision, a nursing home must have a full time licensed nursing home administrator serving the facility. In any nursing home of less than 25 beds, the director of nursing services may also serve as the licensed nursing home administrator. Two nursing homes having a total of 100 beds or less and located within 50 miles of each other may share the services of a licensed administrator if the administrator divides his full time work week between the two facilities in proportion to the number of beds in each facility. Every nursing home shall have a person-in-charge on the premises at all times in the absence of the licensed administrator. The name of the person in charge must be posted in a conspicuous place in the facility. The board of health shall by rule promulgate minimum education and experience requirements for persons-in-charge, and may promulgate rules specifying the times of day during which a licensed administrator must be on the nursing home's premises. A nursing home may employ as its administrator the registered administrator of a hospital licensed pursuant to sections 144.50 to 144.56 if the individual is licensed as a nursing home administrator pursuant to section 144A.20 and the nursing home and hospital have a total of 150 beds or less, are under the same governing body and are located within one-half mile of each other. A nursing home which is located in a facility licensed as a hospital pursuant to sections 144.50 to 144.56, may employ as its administrator the registered administrator of the hospital if the individual meets minimum education and long term care experience criteria set by rule of the board of health.
