13.7      **Sec. 89. Explanation.**

13.8           This amendment updates an obsolete amount. Laws 2012, chapter 283, amended the  
13.9 conciliation court jurisdictional amount and attempted to fix cross-references in other sections  
13.10 of Minnesota Statutes. This amendment corrects one of those cross-references in accordance  
13.11 with the intent of the legislature and the instruction to the revisor in Laws 2012, chapter  
13.12 283, section 3.

13.13     **Sec. 90. Explanation.**

13.14           This amendment removes obsolete language relating to transfers that occurred only in  
13.15 fiscal year 2004 and fiscal year 2005.

13.16     **Sec. 91. Explanation.**

13.17           This amendment removes obsolete language. Minnesota Statutes, section 326B.988,  
13.18 paragraph (e), expired pursuant to Laws 2016, chapter 189, article 7, section 38.

13.19     **Sec. 92. Explanation.**

13.20           This amendment corrects erroneous contact information for the Minnesota Home  
13.21 Ownership Center in a statutory notice. The phone number should be 866-462-6466 as it is  
13.22 in Minnesota Statutes, section 327.64.

13.23     **Sec. 93. Explanation.**

13.24           This amendment corrects an incorrect reference. The provision being corrected should  
13.25 refer to the filing of a termination statement relating to a "financing" statement, not a "filing"  
13.26 statement. The uniform law from which this statute is derived also refers to the term  
13.27 "financing statement."

14.1      **Sec. 94. Explanation.**

14.2           This amendment corrects an erroneous reference. The correct reference is to Minnesota  
14.3 Rules, chapter 2202, which relates to the Department of Labor and Industry's administrative  
14.4 rulemaking authority for combative sports.

14.5      **Sec. 95. Explanation.**

14.6           This amendment corrects obsolete language. The state does not have a "department of  
14.7 parks." The Department of Natural Resources fulfills the duties in this section.

14.8      **Sec. 96. Explanation.**

14.9           This amendment removes obsolete language. Laws 2017, chapter 29, section 1, removed  
14.10 the power of a veterans' organization to operate a public recreation program.

14.11     **Sec. 97. Explanation.**

14.12           This amendment corrects a drafting error. The words "minimum threshold" were  
14.13 erroneously deleted in Laws 2017, First Special Session chapter 1, article 4, section 10. The  
14.14 Department of Revenue was consulted in the preparation of this section.

14.15     **Sec. 98. Explanation.**

14.16           This amendment corrects an erroneous internal reference. The language in paragraph  
14.17 (b) was added in 2013. The reference to "aids distributed under this section" is incorrect  
14.18 because the rest of the section refers to city aid, not town aid. Only the subdivision should  
14.19 be referenced. This change was recommended by the Department of Revenue.

14.20     **Sec. 99. Explanation.**

14.21           This amendment clarifies a reference. Minnesota Statutes, section 477A.011, subdivision  
14.22 36, was repealed in 2013. The reference to the section is still valid but should be made  
14.23 specific to the edition of Minnesota Statutes where it last appeared.

14.24     **Sec. 100. Explanation.**

14.25           This amendment corrects an obsolete cross-reference. Laws 2017, chapter 16, section  
14.26 14, renumbered clause (7) to clause (8).

15.1      **Sec. 101. Explanation.**

15.2           This amendment corrects a drafting error. Minnesota Statutes, section 518A.39,  
15.3 subdivision 2, paragraph (d), clause (2), item (i), was a reenactment of Minnesota Statutes  
15.4 2014, section 518A.36, subdivision 3, paragraph (b), clause (1), which included "0.75" in  
15.5 the formula for calculating the parenting expense adjustment. In the reenactment, the number  
15.6 was inadvertently changed from 0.75 to 0.075, resulting in a 90 percent reduction in child  
15.7 support in certain cases. The intent of the bill was for the existing child support formulas  
15.8 to remain unchanged, and no change to child support was discussed or contemplated. This  
15.9 section was prepared in consultation with the Department of Human Services. The  
15.10 reenactment was included in Laws 2016, chapter 189, article 15, section 21, and is not  
15.11 effective until August 1, 2018.

15.12      **Sec. 102. Explanation.**

15.13           This amendment corrects an incomplete cross-reference. Clause (3) is located in paragraph  
15.14 (a) of Minnesota Statutes, section 609.749, subdivision 3.

15.15      **Sec. 103. Explanation.**

15.16           This amendment replaces range references to clauses in another section with the correct  
15.17 references. Minnesota Statutes, section 609.595, subdivision 1, was amended in Laws 2017,  
15.18 chapter 95, article 3, section 15, to add a new clause (2) and renumber the existing clauses.  
15.19 This amendment also strikes Minnesota Statutes, section 609A.02, paragraph (c), which  
15.20 expired on July 15, 2015, and is now unnecessary.

15.21      **Sec. 104. Explanation.**

15.22           This amendment clarifies an effective date in the session laws. Laws 2017, chapter 94,  
15.23 article 3, section 1, was effective October 1, 2017. However, Laws 2017, chapter 94, article  
15.24 3, was effective the day following final enactment. This amendment makes clear that the  
15.25 specific effective date in section 1 prevails over the general effective date for the article.

15.26      **Sec. 105. Explanation.**

15.27           This amendment corrects an erroneous cross-reference. The Minnesota job creation fund  
15.28 is found in Minnesota Statutes, section 116J.8748, not Minnesota Statutes, section 116J.748.

16.1      **Sec. 106. Explanation.**

16.2           This amendment corrects terminology. The reference should be to the education, not  
16.3 educator, licensure portfolio account under Minnesota Statutes, section 122A.18, subdivision  
16.4 10.

16.5      **Sec. 107. Explanation.**

16.6           This amendment corrects terminology. The reference should be to the education, not  
16.7 educator, licensure portfolio account under Minnesota Statutes, section 122A.18, subdivision  
16.8 10.

16.9      **Sec. 108. Explanation.**

16.10          Subdivision 1. **Terminology.** This amendment corrects terminology. The "Workforce  
16.11 Development Council" was renamed the "Workforce Development Board" in Laws 2017,  
16.12 chapter 94, article 6, section 10.

16.13          Subd. 2. **Terminology.** This amendment corrects an obsolete description of Minnesota  
16.14 Statutes, section 268.182. Laws 2017, chapter 35, article 3, section 19, changed the  
16.15 terminology in that statute from "false representation" to "fraud."

16.16          Subd. 3. **Obsolete cross-reference.** Minnesota Statutes, section 62Q.095, was repealed  
16.17 by Laws 2005, chapter 77, section 8. This cross-reference referred to the repealed section  
16.18 and is now unnecessary. This section was prepared in consultation with the Department of  
16.19 Health.

16.20      **Sec. 109. Explanation.**

16.21          Subdivision 1. **Conflict resolution.** This section amended Minnesota Statutes, section  
16.22 145A.10, subdivision 10, relating to the state community health advisory committee. This  
16.23 section was also repealed by Laws 2014, chapter 291, article 7, section 29. The amendment  
16.24 was not substantive. The repeal was printed in the main text and the amendment was printed  
16.25 as a note. This repealer allows the revisor to remove the note.

16.26          Subd. 2. **Obsolete subdivision.** Minnesota Statutes, section 125A.085, was repealed by  
16.27 Laws 2017, First Special Session chapter 5, article 4, section 13. This subdivision referred  
16.28 to the repealed section and is now unnecessary.

16.29          Subd. 3. **Conflict resolution.** Subdivision 3 removes a conflict note in Minnesota Statutes,  
16.30 section 45.0111, by repealing the conflicting law cited in the note that is published after the

17.1 statutory section affected. The conflict is being resolved consistent with long-standing  
17.2 editorial practice and Minnesota Statutes, section 645.26.

17.3 Subd. 4. **Conflict resolution.** Subdivision 4 removes a conflict note in Minnesota Statutes,  
17.4 section 47.60, by repealing the conflicting law cited in the note that is published after the  
17.5 statutory section affected. The conflict is being resolved consistent with long-standing  
17.6 editorial practice and Minnesota Statutes, section 645.26.

17.7 Subd. 5. **Conflict resolution.** Subdivision 5 removes a conflict note in Minnesota Statutes,  
17.8 section 62A.615, by repealing the conflicting law cited in the note that is published after  
17.9 the statutory section affected. The conflict is being resolved consistent with long-standing  
17.10 editorial practice and Minnesota Statutes, section 645.26.

17.11 Subd. 6. **Conflict resolution.** Subdivision 6 removes a conflict note in Minnesota Statutes,  
17.12 section 62A.65, by repealing the conflicting law cited in the note that is published after the  
17.13 statutory section affected. The conflict is being resolved consistent with long-standing  
17.14 editorial practice and Minnesota Statutes, section 645.26.

17.15 Subd. 7. **Conflict resolution.** Subdivision 7 removes a conflict note in Minnesota Statutes,  
17.16 section 82.63, by repealing the conflicting law cited in the note that is published after the  
17.17 statutory section affected. The conflict is being resolved consistent with long-standing  
17.18 editorial practice and Minnesota Statutes, section 645.26.

17.19 Subd. 8. **Conflict resolution.** Subdivision 8 removes a conflict note in Minnesota Statutes,  
17.20 section 82.63, by repealing the conflicting law cited in the note that is published after the  
17.21 statutory section affected. The conflict is being resolved consistent with long-standing  
17.22 editorial practice and Minnesota Statutes, section 645.26.

17.23 Subd. 9. **Conflict resolution.** Subdivision 9 removes a conflict note in Minnesota Statutes,  
17.24 section 82.63, by repealing the conflicting law cited in the note that is published after the  
17.25 statutory section affected. The conflict is being resolved consistent with long-standing  
17.26 editorial practice and Minnesota Statutes, section 645.26.

17.27 Subd. 10. **Conflict resolution.** Subdivision 10 removes a conflict note in Minnesota  
17.28 Statutes, section 82A.06, by repealing the conflicting law cited in the note that is published  
17.29 after the statutory section affected. The conflict is being resolved consistent with  
17.30 long-standing editorial practice and Minnesota Statutes, section 645.26.

17.31 Subd. 11. **Conflict resolution.** Subdivision 11 removes a conflict note in Minnesota  
17.32 Statutes, section 82A.08, by repealing the conflicting law cited in the note that is published

18.1 after the statutory section affected. The conflict is being resolved consistent with  
18.2 long-standing editorial practice and Minnesota Statutes, section 645.26.

18.3 Subd. 12. **Obsolete subdivision.** Minnesota Statutes, section 256.9657, subdivision 1b,  
18.4 was repealed by Laws 1998, chapter 254, article 1, section 68. This subdivision referred to  
18.5 the repealed subdivision and is now unnecessary.

18.6 Subd. 13. **Obsolete section.** Minnesota Statutes, section 256B.195, subdivision 5, relating  
18.7 to the intergovernmental payment from Fairview hospital and health care services to the  
18.8 University of Minnesota, was repealed by Laws 2010, chapter 200, article 1, section 21.  
18.9 Minnesota Statutes, section 256.9692, referred to the repealed subdivision and is now  
18.10 unnecessary.

18.11 Subd. 14. **Obsolete section.** This amendment repeals an obsolete section that related  
18.12 only to taxable years occurring before December 31, 1992.

18.13 Subd. 15. **Obsolete subdivision.** This provision was made obsolete because of the  
18.14 enactment of Minnesota Statutes, section 290.067, subdivision 1, paragraph (h).

## 18.15 **ARTICLE 2**

### 18.16 **CHEMICAL DEPENDENCY LICENSED TREATMENT FACILITIES**

18.17 Sections 1 to 21. **Explanation.**

18.18 This article removes repealed rule references and replaces them with the correct statutory  
18.19 references. Minnesota Rules, parts 9530.6405 to 9530.6505, relating to chemical dependency  
18.20 licensed treatment facilities, were repealed in Laws 2017, First Special Session chapter 6,  
18.21 article 8, section 77, and replaced by Minnesota Statutes, chapter 245G.

## 18.22 **ARTICLE 3**

### 18.23 **DATA PRACTICES CROSS-REFERENCES**

18.24 Sections 1 to 7. **Explanation.**

18.25 The revisor of statutes is required by Laws 1999, chapter 227, section 22, to locate  
18.26 references to data practices laws codified outside Minnesota Statutes, chapter 13, adjacent  
18.27 to their particular service area codified in Minnesota Statutes, chapter 13. Sections 1 to 7  
18.28 add references in Minnesota Statutes, chapter 13, to data practices sections that describe  
18.29 provisions codified outside Minnesota Statutes, chapter 13.
