TABLE II NEW STATUTES

This table lists sections from Laws of Minnesota not previously included in Minnesota Statutes and published for the first time in this edition, including sections that were recodified or renumbered after having been previously published in prior editions of Minnesota Statutes or Minnesota Rules.

The decimal numbers in the table indicate the place where the enactment, recodification, or renumbering is codified in this edition, notwithstanding the fact that the statutory section may have been assigned a different coding or been uncoded in a published volume of Laws of Minnesota.
