## EXPLANATION

---

Cite this publication as Minnesota Statutes  
2021 Supplement, section \_\_\_\_\_

This is the Minnesota Statutes 2021 Supplement to Minnesota Statutes 2020. It contains the laws of a general and permanent nature enacted at the 2020 Seventh Special Session of the 91st Legislature and at the 2021 Regular Session and the 2021 First Special Session of the 92nd Legislature.

Laws that amend sections or subdivisions in Minnesota Statutes 2020 are published with the numbers of the amended sections and subdivisions. When all subdivisions of a particular section or the text of an entire section are not included in this supplement, their omission is indicated in the following manner: *[For text of subds .. and .., see M.S.2020]* or *[For text of section ....., see M.S.2020]*. New laws have been classified and numbered in conformity with the numbering system of Minnesota Statutes. Repeals of sections and subdivisions of Minnesota Statutes 2020 are shown. In addition, revisor's instructions enacted at the 2020 Seventh Special Session, 2021 Regular Session, and 2021 First Special Session have been implemented and those sections are added to the supplement. Finally, notes have been updated where necessary. At the beginning of each chapter of the supplement is a list of the sections that are included.

A New Statutes table of 2021 acts (Table II) is included in Volume 13 listing section or subdivision numbers of enactments published for the first time in this supplement. If the coding of a section has been changed from the coding shown in Laws 2020 Seventh Special Session, Laws 2021, or Laws 2021 First Special Session, or an uncoded section in Laws 2021 or another year has been coded, an asterisk following the section number indicates that the coding is different from that shown in the session laws.

New statutory text in this supplement is indexed in Volumes 13 and 14.

Changes or additions to Court Rules since publication in Minnesota Statutes 2020 have been supplemented in Volume 15. Sentencing Guidelines has been printed in its entirety.
